THE STATE OF TEXAS |

COUNTY OF JOHNSON |

At a called meeting of the Commissioners' Court of Johnson County which was held at its regular meeting place in the Courthouse in Cleburne, Texas and with all members present, the following motion was made by Commissioner Thompson and seconded by Commissioner Elliott that:

Whereas, the declining revenue from the gasoline tax received by the State of Texas for the payment of interest and principal maturities on the bonds issued by the several Counties of the State which are now participating in such revenue will greatly reduce the available funds, the Board of County and District Road Indebtedness will have available during 1943 for the payment of the State's portion of the principal maturities after the payment of interest; and

Whereas, it appears that it will be necessary to refund the Road Bonds issued by Johnson County, Texas and payable by the Board of County and District Road Indebtedness which will mature during the year 1943 in the aggregate amount of thirty three thousand dollars (\$33,000.00) or such portion thereof as the Board of County and District Road Indebtedness will be unable to pay.

And whereas, the various Interest and Sinking Funds of Johnson, County, Texas have funds available for investment and such funds should be used for the purchase of the Refunding Bonds to be hereafter issued to pay the 1943 maturities of the State's portion of said indebtedness;

It is therefore ordered that Johnson County refund all of the State's principal maturing during the year 1943, or such portion as the Board of County and District Road Indebtedness deems expedient, and that such bonds so refunded be purchased by Johnson County as investments for its interest and sinking funds of the County when such bonds are so refunded, and it is ordered that when such bonds are so refunded, they shall bear interest at the rate of 2 $\frac{1}{2}$ % per annum from date until maturity and that they shall mature over a period from three to ten years or over such period as may be agreed upon between the County and Board of County and District Road Indebtedness, and that such refunding bonds shall be callable and payable after a period of three years from date thereof.

It is further ordered that the County Clerk furnish the Board of County and District Road Indebtedness at Austin, Texas a certified copy of this order.

THE STATE OF TEXAS,)

COUNTY OF JOHNSON)

TO THE COMMISSIONERS' COURT OF JOHNSON COUNTY, TEXAS:

Now comes Mrs. W. T. Yarbrough, who resides in Johnson County, Texas, and would show unto the Court, as follows:

1.

That she is the sole owner in fee simple of that real estate in Johnson County, Texas, known and described as the South part of Lot No. 5, Block No. 554, according to the Official Map of the City of Cleburne, Texas.

2.

That said real estate has been assessed for State and County ta taxes and the taxes thereon appear by the tax rolls of Johnson County, Texas, to be delinquent for the years 1931 to 1941, inclusive; that the assessment of said land for taxes for each and all years was and is void and invlaid for the following reasons, to-wit:

Because the rendition and the assessment of said property for taxes for each and all of said years was for a valuation and amount far in excell of the value thereof.

Because the rendition and assessment of said property for taxes for each and all of said years was for an amount far in excess of the true and correct value of said real estate and far in excess of the value of property of a like nature and quality adjacent to said property and in the said community, and said renditions and assessments were far in excess of the correct and true amount for which the same should have been rendered and assessed for taxes. And if said assessments are allowed to stand, will result in the taking of said property without due process of law.

3.

Petitioner would show the court that said property was not duly and legally rendered and was not duly and legally assessed for taxes for any of the years for which the same is shown to be delinquent, and the amount of taxes assessed against the same and the assessments thereof are invalid and void and said property has not been legally rendered or assessed for taxes for any of said years.

Wherefore, petitioner prays the court that the rendition and assessment of said property for taxes for each and all of said years shall be adjudged invalid, void and of no effect, and shall be cancelled by judgment and order of this court, and that list of such property be made and the said property be re-assessed for taxes for each and all of said years as required and provided for in Article 7346, et. seq., Revised Civil Statutes of Texas, and for general and special relief.

T. Yarbrough, and described in said petition. And after due consideration of the facts, the court is of the opinion and finds that the assessments for taxes for the years mentioned are invalid and the tax assessor and collector is directed to make a list of such property in triplicate the same to show a complete description thereof for the years the assessments are found to be invalid and present the same to this Court for further action.

ROY ANDERSON
County Judge, Johnson County, Texas

On this October 1st, 1942, at a regular meeting of the Commissioners Court of Johnson County, Texas, came on for consideration the matter of sale of lands belonging to Johnson county and known as Johnson county School Land surveys, situated in said county and it appearing to the Court that heretofore, by order dated November 20, 1878, and entered in Book "A" page 38, Minutes of this Court, John R. Ransone, then County Surveyor, was appointed Commissioner to make deeds to various purchasers of said school land and to receive and receipt for the first payment of interest, and to have all authority that his predecessor in office, Warren Douglas, had to take vendor's lien notes in part payment for said lands; that pursuant to such authority, said John R. Ransone, as Special Commissioner to make such deeds, did sell to N.J. Ayers, Tract No. 8, Johnson county School Land Survey No.1, containing 160 acres of land and did execute and deliver the said N.J. Ayers a deed thereto, dated August 15, 1881, recorded in Book 37 Page 526 Deed records, Johnson county, Texas, and as part of the consideration therefor, said N. J. Ayers did execute and deliver his vendor's lien note for the sum of \$320.00, secured by lien on said land, payable to the Treasurer of Johnson county, Texas, or his successors in office, twenty years from date with interest at 6% per annum; that thereafter said note was fully paid to V. Gray, then the County Treasurer of this county, and the said V. Gray, as County Treasurer, did by an instrument in writing dated June 5th,, 1888, recorded in Book 37 Page 542 deed records of Johnson County, Texas, release said vendors lien against said land and acknowledged the payment to him of the indebtedness evidenced by said note;

It further appearing to this Court that said John R. Ransone, as such Special Commissioner to make deeds, did sell to G.R. Shannon Tract No. 9, said Survey, containing 160 acres, and as part of the consideration said Shannon executed and delivered his vendor's lien note for the sum of \$320.00, payable to the County Treasurer of Johnson County, Texas or his successors in office, due twenty years after date with interest at 6% per annum, and said Ransone executed deed to said land to said Shannon dated May 11, 1882, recorded in Book 37, page 527 deed records of this county; that said Shannon either paid or caused to be paid said note, and V. Gray, then County Treasurer of this county executed and delivered a written Release of said lien, dated June 5, 1888, recorded in Book 37 page 541 deed records of Johnson county, Tex as.

It further appearing to this Court that this County has received long ago the consideration paid for and agreed to be paid for such tracts of land and that the money so received has been used by the County for the purposes intended by law, but there may be some question as to whether or not the County Treasurer had the legal power to execute and deliver the releases above mentioned and to release the liens on said lands,

Therefore, we, the Commissioners Court of Johnson county, Texas, do, here and now, ratify and confirm the sales of said two above mentioned tracts of land to N.J. Ayers, his heirs and assigns, and to G.R. Shannon, his heirs and assigns, respectively, and do hereby ratify and confirm the two deeds and two releases above mentioned, and we do hereby authorize Honorable Roy Anderson, County Judge of Johnson county, Texas, to execute any and all instruments necessary so as to evidence ratification and confirmation thereof by this Court, and that this order be entered in the minutes of the Court.

ROY ANDERSON
County Judge

Upon motion of Commissioner G.T. Elliott, seconded by Commissioner Roy Wyatt, it is ordered by the Court that the rendition on 57 acres, J.B. Dupuy Survey, assessed in the name of G.V. Terry and Mrs. Minnie Pickens be reduced and the Tax Collector be and he is hereby authorized to put up cancelation certificate on the excess valuation, so that the Tax to be collected will not exceed \$350.00 for all Delinquent taxes due on this 57 acres.

Upon motion of Commissioner Roy Wyatt, Seconded by Commissioner H.A. Hadley, it is ordered by the court that the rendition on 2 acres, C.Chaney Survey, Abs. No. 124 assessed in the name of I.S. Jones be reduced and the Tax Collector by and he is hereby authorized to put up cancelation certificate on the excess valuation to collect not more than \$160.00 for all delinquent taxes due on this 2 acres.

THE STATE OF TEXAS,)
COUNTY OF JOHNSON.)

TO THE COMMISSIONERS' COURT OF JOHNSON COUNTY, TEXAS:

Now comes Georgia V. Terry, joined by her husband, C.L. Terry, who reside in Johnson County, Texas, and Mrs. Minnie Pickens, a feme sole, who resides in McLennan County, Texas, and would show unto the court as follows:

1.

That they are the sole owners in fee simple of that real estate in Johnson County, Texas, known and described as 57½ acres of the Jno. B. Dupuy Survey, in Johnson County, Texas.

2.

That said real estate has been assessed for State and County taxes and the taxes thereon appear by the tax rolls of Johnson County, Texas, to be delinquent for the years, 1931, 1932, 1933, 1935, 1936(last half), 1937, 1938, 1939, 1940, and 1941. That assessment of said land for taxes for each and all years was and is void and invalid for the following reasons, to-wit:

(1) Because that said real estate was not rendered for taxation by all the true owners thereof and was not assessed at its fair value by the proper officer, as required by Art.8, Sec.11, of the Constitution of Texas.

(2) Because said property was rendered for taxation for each and all of said years by some person who was not the sole owner thereof, and the statement made by said person rendering the same for taxation did not show the names of all the owners of said real estate as required by Art. 7160, and 7162, Revised Civil Statutes of Texas of 1925.

(3) Because the rendition and the assessment of said property for taxes for each and all of said years was for a valuation and amount far in excess of the value thereof.

(4) Because the rendition and assessment of said property for taxes for each and all of said years was for an amount far in excess of the true and correct value of said real estate and far in excess of the value of land of a like nature and quality adjacent to said land and in the same community, and said renditions and assessments were far in excess of the true and correct amount for which the same should have been rendered and assessed for taxes, and the renditions and assessments thereof were arbitrary, discriminatory and have resulted and will result in the taking of said property without due process of law.

3.

Petitioners would show the court that said property was not duly and legally rendered and was not duly and legally assessed for taxes for any of the years for which the same is shown to be delinquent, and the amount of taxes assessed against the same and the

assessments thereof are invalid and void and said property has not been legally rendered or assessed for taxes for any of said years.

WHEREFORE, petitioners pray the court that the rendition and assessment of said property for taxes for each and all of said years shall be adjudged invalid, void and of no effect, and shall be cancelled by judgment and order of this court, and that a list of such property be made and the said property be re-assessed for taxes for each and all of said years as required and provided for in Article 7346, et.seq. Revised Civil Statutes of Texas, and for general and special relief.

IRWIN T. WARD
Attorney for Petitioners.

Upon the motion of Commissioner Wyatt, seconded by Commissioner Elliott, it was ordered by the court that the Food Stamp Issuing officer be authorized to sign checks on fund.

Under the provisions of Article 2351, Section 17 of the Revised Civil Statutes as amended there is hereby created a revolving fund out of \$6500.00 of the General Revenues of the County to be used only in cooperation with the United States Department of Agriculture to aid and assist in carrying out the purposes and provisions of the act of Congress of the United States pertaining to the distribution of commodities to the persons in need of assistance under the direction of the United States Department of Agriculture provided, however, that the County shall have on hand at all times, either the moneys appropriated to such revolving funds or fund or the equivalent thereof in stamps issued by the United States Department of Agriculture under the Food Stamp Plan, which stamps are convertible into cash at any time.

The Food Stamp Issuing Officer heretofore appointed by this Court is hereby authorized to carry out the provisions of this act and to administer the funds herein appropriated and is hereby authorized to sign checks on said fund for the purchase of stamps issued by the United States Department of Agriculture under the Food Stamp Plan which stamps are convertible into cash at any time.

When the County ceases to participate in said Food Stamp Plan, the Issuing Officer shall forthwith reduce all stamps to their equivalent in money and return such money then on hand to the fund from which same was originally appropriated and render a full account of his administration thereof to the Commissioners' Court.

The County Auditor shall, once each month, audit the accounts of said Issuing Officer.

Upon the motion of Commissioner Elliott, seconded by Commissioner Wyatt, it was ordered by the Court that all properly approved bills be allowed. Carried.

Gentlemen:

The outstanding Road and Bridge interest bearing time warrants and script warrants of Commissioners' Precinct No. 4 of your County aggregate approximately \$20,000.00.

We propose herewith to have prepared by a competent bond attorney proper proceedings for the legal issuance of funding bonds to be issued in lieu of such warrant indebtedness, and furnish the same to you for passage.

Should it be necessary to secure legislative action for the legal issuance of the funding

bonds we shall have prepared and furnish the Bill to be acted upon by the State Legislature.

The funding bonds shall be issued in denominations of \$1,000 or \$500, they shall mature in one to four or five years from their date without option of prior redemption, and they shall bear interest at the rate of three (3%) percent per annum payable semi-annually.

Legality of the funding bonds is to be approved by a market bond attorney such as Jno. D. McCall or W. P. Dumas of Dallas.

Should you desire to increase the amount of funding bonds to be issued we shall accept delivery of such additional bonds upon the same terms and conditions.

We are to pay all expenses incurred by us for the complete issuance of such funding bonds, including the printed funding bonds, the legal proceedings and all our attorneys fees; the Commissioners' Court shall promptly adopt orders and resolutions supplied by the bond attorney for the issuance of the bonds, and shall furnish certified copies and required certificates, to be prepared by our attorney, without charge therefore by County Officials.
