TO: PARKER WATER SUPPLY CORPORATION
 JOHNSON COUNTY, TEXAS

The Commissioners Court of Johnson County, Texas, has no objection to Parker Water Supply Corporation, a non-profit corporation, locating within the County right-of-way the said Corporation's water line. The right-of-way involved is shown on the accompanying drawing. The actual physical location of the water line shall be at a location to be approved by the Commissioners Court of Johnson County, Texas. The said water line shall be installed at a depth of not less than 30 inches below the surface of the ground within said right-of-way. If at any time after the execution of this contract it should become necessary that the water line be moved for any purpose, the entire cost of moving said water line will be paid for by Parker Water Supply Corporation.

It is expressly understood that the Commissioners Court does not purport, hereby, to grant any right, claim, title, or easement in or upon this right-of-way. A permit is hereby granted for continuous use.

All work on the County right-of-way shall be performed in accordance with County instructions. The installation shall not damage any part of the County Road and adequate provisions must be made to cause minimum inconvenience to traffic and adjacent property owners.

The herein named County will at no time be held liable for any damage to said water line while improving and maintaining County roads. It is agreed with County that this permit can be assigned to the Farmers Home Administration, as agency of the United States Government for collateral of monies received to construct said water lines.

A motion was made by Commissioner Roland and seconded by Commissioner Bryant that the Commissioners Court of Johnson County, Texas, go on record as closing County Roads 405 and 316 as same pass through Site 42, Chambers Creek Watershed, commonly known as the Alvarado Reservoir and Lake, the closing being necessitated by the flooding of said Roads with water which will be caused by the construction of the lake and reservoir; that permission is further given to the City of Alvarado to temporary inundate and flood the following County Roads with flood water, with the following alternate routes designated:

- (1) Traffic traveling North on County Road 405 will return to the same way it came and travel County Road 405 to the South.
- (2) Traffic traveling in a Westerly direction on County Road 405 will return the same way it came and travel County Road 405 to the East.
- (3) Traffic traveling in a Northeasterly direction or Easterly direction on County Road 316 will return the way it came and travel in a Westerly or Southwesterly direction along County Road 316.
- (4) Traffic traveling west on County Road 316 will return the way it came and travel County Road 316 to the East.
- (5) Traffic traveling North on County Road 411 will return the way it came and travel County Road 411 to the South.

APPROVAL

TO: Johnson County Water Supply Corporation
Johnson County, Texas

The Commissioners Court of Johnson County, Texas, has no objection to Johnson County Water Supply Corporation, a non-profit Texas corporation, locating within the County right-of-way the said corporation's water line. The right-of-way involved is shown on the accompanying drawing. The actual physical

location of the water line shall be at a location to be approved by the Commissioners Court of Johnson County, Texas. The said water line shall be installed at a depth of not less than 30 inches below the surface of the ground, within the said right-of-way. If at any time after the execution of this contract it should become necessary that the water line be moved, for any purpose, the entire cost of moving said water line will be paid for by Johnson County Water Supply Corporation.

It is expressly understood that the Commissioners Court does not purport hereby to grant any right, claim, title or easement in or upon this right-of-way. A permit is hereby granted for continuous use. All work on the County right-of-way shall be performed in accordance with County instructions. The installation shall not damage any part of the County roads, and adequate provisions must be made to cause minimum inconvenience to traffic and adjacent property owners.

The herein named County will at no time be held liable for any damages to said water line while improving and maintaining County roads.

It is agreeable with the County that this permit can be assigned to the Farmers Home Administration, an agency of the United States Government, for collateral monies received to construct said water line.

Dated this 2 day of August, 1965.

Mr. O. B. Wilson appeared before the Commissioners Court while in regular session, Monday, August 2nd, 1965, and reported that a car owned by the Sheriff's department, and driven by Deputy Sheriff Stuart Huffman, collided with a pick-up truck driven by his daughter, Saturday July 31st, 1965, and did considerable damage to his pick-up. He requested the county to have his car repaired, and if necessary, to furnish him a car to drive while repairs were being made. County Judge explained to Mr. Wilson that he wanted to look into the matter, and that he was not waiving any right the county might have in refusing to repair the damage to his car. It was suggested that Mr. Wilson wait until Monday August 9th for an answer to the matter.

A motion was made by Commissioner Coward and seconded by Commissioner Roland that the following Application for road maintenance on private road be accepted.

APPROVAL

TO: NOLAN RIVER WATER SUPPLY CORPORATION

JOHNSON COUNTY, TEXAS

The Commissioners Court of Johnson County, Texas, has no objection to Nolan River Water Supply Corporation, a non-profit corporation, locating within the County right-of-way the said Corporation's water line. The right-of-way involved is shown on the accompanying drawing. The actual physical location of the water line shall be at a location to be approved by the Commissioners Court of Johnson County, Texas. The said water line shall be installed at a depth of not less than 30 inches below the surface of the ground within said right-of-way. If at any time after the execution of this contract it should become necessary that the water line be moved for any purpose, the entire cost of moving said water line will be paid for by Nolan River Water Supply Corporation.

It is expressly understood that the Commissioners Court does not purport, hereby, to grant any right, claim, title, or easement in or upon this right-of-way. A permit is hereby granted for continuous use.

All work on the County right-of-way shall be performed in accordance with County instructions. The installation shall not damage any part of the County Road and adequate provisions must be made to cause minimum inconvenience to traffic and adjacent property owners.

The herein named County will at no time be held liable for any damage to said water line while improving and maintaining County roads. It is agreed with County that this permit can be assigned to the Farmers Home Administration, an agency of the United States Government for collateral of monies received to construct said water lines.
