County Road 519 Temporary Closure

CONTACT: Johnson County AEO

Honorable Roger Harmon  
County Judge  
Johnson County Courthouse  
2. N. Main St.  
Cleburne, Texas, 76033

Dear Sir:

The Fort Worth District of the Texas Department of Transportation, administrator of Federal Highway Administration funds, and Johnson County propose to replace the bridge and approaches on County Road (CR) 519 over King Branch. The proposed project is located approximately 1/2 mile northwest of Lillian, Texas and is scheduled for letting in the last half of 2013. The construction of the new bridge is expected to be complete within four months.

During construction, the proposed roadway will be closed to through traffic and alternative detour routes will be necessary. Detour and road closure signage will be placed at strategic locations to inform motorists during construction. Through traffic will be directed to alternative routes including Farm to Market (FM) Road 917, CR 608 or other local roads. Motorists may be required to travel an additional 3.5 miles to navigate the detour if utilizing CR 608 and FM 917. A map depicting the proposed detour route is enclosed.

A concurrence and comment sheet is enclosed. Please return it by mail or fax at your earliest convenience. If you should have any questions concerning this matter, please contact this office at (817) 202-2900

Sincerely,

William B. Henry  
Design Project Coordinator
