WHEREAS, Client wishes to have NOBLE provide maintenance and support services pursuant to the terms and conditions of this Agreement;

NOW, THEREFORE, the parties agree as follows:

I. INCORPORATION OF DOCUMENTS

The following documents are attached hereto and, by this reference, incorporated in this Agreement:

Exhibit A	Covered Sites, Software & Configuration
Exhibit B	Authorized Client Contacts
Exhibit C	Services and Fees

II. COVERAGE

During the term of this Agreement, NOBLE agrees to provide maintenance and support services for the Covered Software operating at the site(s) and on the hardware configurations listed in Exhibit A ("Maintenance Services"). Unless specifically listed in Exhibit A, Section II, Covered Software does not include hardware vendor operating systems and other system software, Client-developed software, and third-party software (except any third party software embedded in the Covered Software).

III. DESCRIPTION OF MAINTENANCE SERVICES

A. Support Services. During the term of this Agreement, Noble will provide the services described herein so as to maintain the Covered Software in good working order, keeping it free from material defects so that the Covered Software shall function properly and in accordance with the accepted level of performance as set forth in the License Agreement.

(1) Service Response. NOBLE will make available to Client a telephone number (the "Support Center HOTLINE") for Client to call requesting service of the Covered Software. The

Support Center HOTLINE operates during business hours, 9:00 a.m. to 5:00 p.m. Pacific Time, Monday through Friday, excluding legal holidays. Extended coverage is available for an additional fee. The HOTLINE can also be used to notify NOBLE of problems associated with the Covered Software and related documentation.

B. Remedial Support. Upon receipt by Noble of notice from Client through the Support Center HOTLINE of an error, defect, malfunction or nonconformity in the Covered Software, Noble shall respond as provided below:

Severity 1: Produces an emergency situation in which the Covered Software is inoperable, produces incorrect results, or fails catastrophically.

RESPONSE: Noble will provide a response by a qualified member of its staff to begin to diagnose and to correct a Severity 1 problem as soon as reasonably possible, but in any event a response via telephone will be provided within four (4) business hours. Noble will continue to provide best efforts to resolve Severity 1 problems in less than forty-eight (48) hours. The resolution will be delivered to Client as a work-around or as an emergency software fix. If Noble delivers an acceptable work-around, the severity classification will drop to a Severity 2.

Severity 2: Produces a detrimental situation in which performance (throughput or response) of the Covered Software degrades substantially under reasonable loads, such that there is a severe impact on use; the Covered Software is usable, but materially incomplete; one or more mainline functions or commands is inoperable; or the use is otherwise significantly impacted.

RESPONSE: Noble will provide a response by a qualified member of its staff to begin to diagnose and to correct a Severity 2 problem as soon as reasonable possible, but in any event a response via telephone will be provided within eight (8) business hours. Noble will exercise best efforts to resolve Severity 2 problems within five (5) days. The resolution will be delivered to Client in the same format as Severity 1 problems. If Noble delivers an acceptable work-around for a Severity 2 problem, the severity classification will drop to a Severity 3.

Severity 3: Produces an inconvenient situation in which the Covered Software is usable, but does not provide a function in the most convenient or expeditious manner, and the user suffers little or no significant impact.

RESPONSE: Noble will exercise best efforts to resolve Severity 3 problems in the next maintenance release.

Severity 4: Produces a noticeable situation in which the use is affected in some way which is reasonably correctable by a documentation change or by a future, regular release from Noble.

RESPONSE: Noble will provide, as agreed by the parties, a fix or fixes for Severity 4 problems in future maintenance releases.

2015

This Addendum is part of an Agreement between **Johnson County, Texas**, a political subdivision of the State of Texas, (hereinafter referred to as "**County**"), and **Noble Software Group LLC**, hereinafter referred to as "**Noble**". The County and Noble may be collectively referred to as the "**PARTIES**". This is an Addendum to the **NOBLE SOFTWARE LICENSE AGREEMENT** between the Parties. The **NOBLE SOFTWARE MAINTENANCE AGREEMENT** and this **Addendum** shall constitute the entire and complete Agreement between the Parties for **SOFTWARE MAINTENANCE AND SERVICES**.

1. This Agreement will be governed by and construed according to the laws of the State of Texas. Venue for any action or claim arising out of the Agreement must be in the state district courts in Johnson County, Texas or the federal district courts in Dallas County, Texas. Any provision stating that County agrees to waive any right to trial by jury is hereby deleted.
2. Limitations for the right to bring an action, regardless of form, shall be governed by the laws of the State of Texas, Texas Civil Practice and Remedies Code §16.070, as amended, and any provision to the contrary is hereby deleted.
3. Under Texas law, a contract with a governmental entity that contains a claim against future revenues is void; therefore, any term which provides for such a claim is hereby deleted. Johnson County will, upon request of a party to the contract, certify the funds available to fulfill the terms of this Agreement.
4. The Parties agree that under the Constitution and laws of the State of Texas, Johnson County cannot enter into an agreement whereby Johnson County agrees to indemnify or hold harmless any other party; therefore, all references of any kind to Johnson County indemnifying and holding harmless any individuals or entities for any reason whatsoever are hereby deleted.
5. The Parties agree and understand that County is a political subdivision of the State of Texas, and therefore has certain governmental immunity, sovereign immunity and limitations on liability, and that County's general liability and vehicle insurance coverage is with the Texas Association of Counties Risk Pool and said insurance coverage is limited to the statutory maximum limits of the Texas Tort Claims Act; therefore, any provisions to the contrary are hereby deleted. The Parties agree and understand that County does not waive any of its common law, statutory or constitutional defenses to which it may be entitled.

6. The Parties agree and understand that County will not agree to waive any rights and remedies available to County under the Uniform Commercial Code ("UCC"); therefore, any provision to the contrary is hereby deleted.

7. The Parties agree and understand that County will not agree to be responsible for any sales tax, use tax, or any other taxes, fees, fines or penalties that may be imposed, levied or assessed by any federal, state or local government or agency which relates to the Agreement, the equipment or its use; therefore, any provision to the contrary is hereby deleted.

8. The Parties agree and understand that County will provide statutory workers compensation for its employees; however, County does not agree to include a waiver of subrogation, and therefore any provisions to the contrary are hereby deleted.

9. Pursuant to Texas Government Code Section 2251.021 and this Agreement, a payment by a governmental entity under a contract is overdue on the 31st day after the later of:

- a. the date the governmental entity receives the goods under the contract;
- b. the date the performance of the service under the contract is completed; or
- c. the date the governmental entity receives an invoice for the goods or service.

Pursuant to Texas Government Code Section 2251.021 and this Agreement, a payment begins to accrue interest on the date the payment becomes overdue. The rate of interest that accrues on an overdue payment is the rate in effect on September 1 of the fiscal year in which the payment becomes overdue. The rate in effect on September 1 is equal to the sum of: (1) one percent; and (2) the prime rate as published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday. Interest on an overdue payment stops accruing on the date the governmental entity or vendor mailed or electronically transmits the payment. Therefore, all provisions to the contrary are hereby deleted.

10. No officer, member or employee of County, and no member of its governing body and no other public officials of the governing body of the locality or localities in which the project is situated or being carried out who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of this project shall participate in any decision relating to this Agreement which affects his/her personal interest, have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

It is further understood that Johnson County, its officers and employees shall have the

right to rely on the advice, decisions and opinions of the Attorney General, and that Johnson County, its officers and employees shall have no liability or obligations to Noble for the disclosure to the public, or to any person or persons, of any software, or a part thereof, or other items or data furnished to Johnson County by Noble in reliance on any advice, decision or opinion of the Attorney General of the State of Texas.

12. Services and products provided under the Agreement shall be provided in accordance with all applicable state and federal laws.

13. Under the Constitution and laws of the State of Texas, public property is exempt from forced sales and liens may not attach thereto.

14. It is understood and agreed that Johnson County will not be subject to arbitration; therefore, any paragraph or provision requiring arbitration, is hereby deleted.

15. Johnson County shall be responsible for the acts or failure to act of its employees, agents or servants, provided; however, its responsibility shall be subject to the terms, provisions and limitations of the Constitution and laws of the State of Texas, particularly the Texas Tort Claims Act.

16. The continuation of this Agreement from year to year is subject to current funds available for the Agreement, the allocation of funds to meet the terms of this Agreement, and subject to the approval of the Johnson County Commissioners Court. However, this Agreement need not be specifically identified in the annual budget or budget process. Utilization of the equipment or services provided by Noble pursuant to the terms of this Agreement by County will constitute the County's action and intent to continue this Agreement barring a specific written notice to the contrary.

The Service Provider certifies that pursuant to Section 231.006 of the Texas Family Code that the individual or business entity named in this contract is not ineligible to receive the specified payment(s) and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate. The Service Provider states that it is not ineligible to receive State or Federal funds due to child support arrearages.

19. Notwithstanding any other provision in this Addendum or the associated documents, Contractor is being contracted to provide software and information technology and services to maintain and make available for use by Johnson County and the public documents, data, content and

records. Said documents, data, content and records are and shall be the exclusive property of Johnson County, Texas or the State of Texas or a political subdivision thereof, except for Noble's collection of, interest in, and use of anonymized data as detailed in the Agreement.

20. The parties agree and understand that this Addendum is to clarify, limit, modify or delete terms and provisions of the Agreement and in the event of any conflict between the terms and provisions of this Addendum and the terms and provisions of those contractual provisions tendered to Johnson County in the Agreement or other documents, this Addendum shall control and amend the contractual provisions of the Agreement and any provision to the contrary is hereby deleted.

provided by Noble for the purpose of determining that the Licensed Software performs substantially in accordance with its Documentation or, in the case of new software development, substantially in accordance with Client's functional requirements for such software. If the Licensed Software (including newly developed software) substantially performs the acceptance tests, Client shall notify Noble within five (5) days, and the date of notification shall be the acceptance date. Failure to do so will constitute acceptance. Testing will be scheduled in accordance with the implementation plan set forth in the Work Order.

- (b) If Client fails to notify Noble of any material defect within thirty (30) days of installation of the Licensed Software, the Licensed Software shall be deemed accepted by Client.
- (c) If Client notifies Noble in writing and demonstrates to Noble that the Licensed Software has not substantially met the acceptance tests, Noble shall make corrections and modifications to the Licensed Software so as to meet such criteria. The charges for corrections and modifications to Fixed Price components are included in the Fixed Price established therefor. The charges for corrections and modifications to T&M components will be charged on a T&M basis.
- (d) Corrections and modifications will be accomplished on a timely basis to make the Licensed Software ready for retesting by Client. The parties shall repeat the acceptance tests as soon as reasonably requested by Noble and Client shall notify Noble within five (5) days after such tests have been conducted if and when the Licensed Software is accepted. In the event that the Licensed Software (or parts thereof) does not pass the applicable acceptance test(s), Client may issue a conditional acceptance, upon terms acceptable to both parties, which will permit utilization in production and continued correction by Noble of any defects. If Client declines to grant conditional acceptance, then Client may terminate this Agreement in accordance with section 8.5. Otherwise, the date of the last such test shall be the acceptance date.
- (e) In the event the Licensed Software (or parts thereof) does not pass the applicable acceptance test(s), but is utilized by Client in a production environment for a period of thirty (30) consecutive business days, it shall be deemed accepted for all purposes as if it had successfully passed such acceptance test(s).

6. TITLE

- 6.1 Noble shall retain title to all intellectual property rights embodied in the Licensed Software, Documentation and any modification or enhancement of the Licensed Software or Documentation made under this Agreement or any Work Order ("Noble Property").
- 6.2 Client shall retain title to all intellectual property rights embodied in software, and any modification or enhancement thereof, that is provided or developed solely by Client without any violation of the terms of this Agreement and which is not Noble Property ("Client Property").

6.3 The parties agree that performance hereunder may result in the development of new concepts, software, methods, techniques, processes, adaptations and ideas, in addition to the Noble Property and/or Client Property, which may be delivered by Noble or embedded in Noble's deliverables ("New Property"). The parties agree that ownership of New Property shall be determined on a case by case basis prior to the execution of a Work Order requiring the delivery of any New Property and such ownership shall be clearly detailed in such Work Order. The parties intend for the designation of ownership in the Work Order to be consistent with (but not necessarily bound by) the following guidelines:

- (a) New Property which contains Client's proprietary or confidential information shall belong to Client to the extent it contains such information; and
- (b) New Property which contains Noble's proprietary or confidential information shall belong to Noble to the extent it contains such information; and
- (c) Any other New Property for which ownership is not allocated by Work Order or by the above default rules shall belong to Noble.

6.4 Each party will assign and shall cause its respective employees, agents, and contractors to assign, without further consideration, the ownership of software and/or documentation, including all associated intellectual property rights therein, as necessary to give effect to the ownership terms specified in this Agreement. Each party agrees to perform, at the reasonable request of the owner of such software and/or documentation, such further acts as may be necessary or desirable to transfer ownership of, and to perfect and defend, such software and/or documentation or other deliverable or work product in order to give effect to these ownership terms.

6.5 In as far as data entered into the system by Client, such data shall be deemed to be owned by Client. Noble shall have right to use, at its sole discretion, such data in an anonymous fashion, for the purposes of research, validation, and other commercial use. Anonymous data is defined, for the purposes of this section, to refer to data that have had all personally identifying characteristics removed, destroyed, obfuscated, or otherwise rendered de-identifying of the person to whom they relate.

7. LICENSE

7.1 In accordance with the terms herein, Noble grants to Client, and Client accepts from Noble, a personal, non-exclusive and non-transferable (except as otherwise specifically provided by this Agreement) hosting service license to use the current version of Licensed Software (or any other version provided to Client by Noble) on Noble's hosting servers for the term of this agreement.

7.2 Software shall be able to be used at any of Client's business premises without the prior approval of Noble. The Licensed Software may not be used at other locations unless Noble is

notified and approves otherwise, such approval not to be unreasonably withheld. Use of the Licensed Software may be subsequently transferred to other locations maintained by Client, provided (1) the total number of User Positions at which the Licensed Software is used by Client does not exceed the number of User Positions specified in Exhibit A and (2) Client provides Noble with written notice within thirty (30) days after such transfer.

- 7.3 The Licensed Software shall be used only for the processing of Client's own business, which may include servicing and maintaining records on behalf of its customers and clients. Client shall not permit any third party to use the Licensed Software. Authorized agents or contractors of Client acting for Client shall not be considered "third parties" for purposes of such limitation provided, however that disclosure of Noble Confidential Information to such agents or contractors will be subject to the provisions of Section 18 ("Confidentiality").
- 7.4 Client shall not use or allow the use of the Licensed Software (a) for rental or in the operation of a service bureau; (b) through terminals located outside Client's business premises by persons not employed by or under contract with Client; or (c) as on-line control equipment in the operation of a nuclear facility, aircraft navigation or aircraft communication systems, or air traffic control machines.
- 7.5 Client shall have the right to reproduce one (1) copy of the Licensed Software and Documentation for archival purposes.
- 7.6 Client shall not, either directly, or through a third party, reverse engineer, disassemble or decompile any software provided by Noble, or make any attempt in any fashion except as specifically provided in this Agreement to obtain the source code to the Licensed Software, nor shall Client reproduce or distribute, the Licensed Software or Hosted Site, or any part thereof, as part of any other software program. Further, Client may not create any software program which makes direct function calls to any libraries which are Third Party Materials and which are designated as unavailable for such purposes in Exhibit B.
- 7.7 Client is strictly prohibited from installing any third party software on Noble's servers without the express written authorization of Noble.
- (a) In the event that the authorized third party software disrupts Noble's server, Noble shall have the right to temporarily disable the software until the problem can be resolved.
- (b) In the event that the Client installs third party software on Noble's servers without the express written authorization of Noble's, Noble shall have the right to terminate the Services without notice pursuant to Section 8 herein

8. TERMINATION

- 8.1 Each party has the right to terminate this Agreement and license(s) granted herein:

- (a) Upon written notice if the other party, its officers or employees violate any material provision of this Agreement including, but not limited to, Section 18 ("Confidentiality") or Section 3 ("Consideration"), provided that the non-breaching party is in substantial compliance with the terms of this Agreement. The default notice must be clearly identified as such, be referenced to this Section 8, and specify in detail the basis for the alleged material breaches. Except with regard to breaches of confidentiality (which shall be ten [10] days) and payment obligations (which shall be fifteen [15] business days), the breaching party shall have thirty (30) days from receipt of such notice to correct such breach;
- (b) In the event the other party (i) terminates or suspends its business, (ii) becomes subject to any bankruptcy or insolvency proceeding under federal or state statute or (iii) becomes insolvent or becomes subject to direct control by a trustee, receiver or similar authority.

8.2 In the event of termination by reason of Client's failure to substantially comply with any material part of this Agreement, or upon any act which shall give rise to Noble's right to terminate, Noble shall have the right, at any time, to terminate the license(s), deactivate the Hosted Site, and take immediate possession of the Licensed Software and documentation and all copies wherever located, without additional demand or notice. Within five (5) days after termination of the license(s) as provided above, Client will return to Noble any Licensed Software in the form provided by Noble or as modified by Client at Client's cost, or upon request by Noble destroy the Licensed Software and all copies, and certify in writing that they have been destroyed. Termination under this Article shall not relieve Client or Noble of obligations regarding confidentiality of the Licensed Software.

8.3 Without limiting any of the above provisions, in the event of termination as a result of Client's failure to substantially comply with any of its material obligations under this Agreement, Client shall continue to be obligated for any payments due. Termination of the license(s) shall be in addition to and not in lieu of any equitable or other remedies available to Noble.

8.4 Notwithstanding anything contained in this Section 8 to the contrary, once Client has made full payment of the license fee for any particular term of hosting the Licensed Software, Noble cannot terminate the license granted hereunder with respect to such program, except for an uncured breach by Client of the terms of Section 7 ("License"), Section 11 ("Compliance with Law"), Section 18 ("Confidentiality") or Section 22 ("Assignment").

8.5 Notwithstanding anything herein to the contrary, in the event of termination of this Agreement by Client for cause prior to acceptance of the Licensed Software, the software licenses granted hereunder shall be canceled and Client shall discontinue use of the Licensed Software and Hosting Site and return all copies thereof to Noble and Noble shall refund any license fees paid. Upon such termination and return of the Licensed Software and repayment, the parties hereto shall be discharged of all further liabilities under this Agreement except for such liabilities arising out of the continuing obligations of confidentiality and non-solicitation of employees.

8.6 Notwithstanding anything herein, pursuant to Sections 7.7 and 11, Noble may immediately terminate this agreement and withdraw the hosting services in the event that in the sole discretion of Noble, it determines that:

- (a) Client is using or allowing, authorizing or assisting the Hosted Site to be used for illegal purposes; or
- (b) Client downloads or installs third party software to its Hosting Site without the express written authorization of Noble.

9. WARRANTIES

9.1 Noble warrants that, for thirty (30) days following Client acceptance of the Licensed Software furnished under this Agreement or the deliverables provided pursuant to a Work Order hereunder (the "Warranty Period"), the Licensed Software, exclusive of Third Party Materials, will substantially conform to the accepted level of performance as set forth in Section 5.2(a) ("Warranty"). To the extent that Client notifies Noble in writing during the applicable Warranty Period of any material non-conformity of the Licensed Software or deliverables with such acceptance level, and provides Noble with (a) Client's estimation of the severity of such non-conformity and (b) such printouts, typescripts, documentation and other details of such non-conformity as Noble shall request, Noble's sole obligations to use reasonable commercial measures to remedy or provide a work-around for such defect. In determining the timing of its response, Noble shall be entitled to take into account the severity of the defect. In the event that Noble determines that the Licensed Software is not defective in such respect, Client shall reimburse Noble for its services at Noble's then current consulting rate for such services.

9.2 To the extent its agreement with a supplier of Third Party Materials permits, Noble shall pass through to Client any performance warranty relative to such Third Party Materials; provided, however, that Noble makes no additional or supplemental warranty with respect thereto.

9.3 Noble warrants that it has, and on the date of acceptance of the Licensed Software will have, the full right and authority to grant this license and that neither this license nor performance under this Agreement does or shall conflict with any other agreement or obligation to which Noble is a party or by which it is bound.

9.4 Noble warrants that its technical and consulting services will be of a professional quality conforming to generally accepted industry standards and practices. During the thirty (30) day period following completion of any such services, Noble shall, upon receipt of written notice from Client describing a breach of the foregoing Warranty in such reasonable detail as is requested by Noble, perform the services described in such written notice so as to conform to generally-accepted industry standards and practices.

- 9.5 These warranties do not cover defects or nonperformance due to causes and products external to the Licensed Software, and are not valid with respect to such defects or nonperformance.
- 9.6 If the Licensed Software is not in substantial compliance with the warranties contained in this Agreement at the end of the Warranty Period, Noble shall extend the Warranty Period until the Licensed Software is brought into such compliance.
- 9.7 If any modification is made to the Licensed Software by Client without Noble's approval, this Warranty shall immediately be terminated with respect to such modified software. Correction for difficulties or defects traceable to Client's unauthorized modifications or unauthorized systems changes shall be billed to Client at Noble's standard time and material charges.
- 9.8 Noble makes no warranties with regard to Third Party Materials. Along with the transfer of title, Noble agrees to transfer and assign to Client all of Noble's rights and interests in and with respect to all purchase agreements for Third Party Materials being supplied under this Agreement between Noble and other manufacturers and distributors, subject to any limitations set forth in such agreements relating to such transfers. Upon request by Client, all purchase agreements will be submitted to Client for prior approval. Noble will execute any documents or instruments reasonably necessary to effect the transfer and assignment of Noble's rights and interests thereunder. Noble makes no representation as to the effectiveness, adequacy or enforceability of such transferred rights.
- 9.9 Except as otherwise specifically provided by this Agreement, Noble's sole liability for any damages relating to the (a) performance of the Licensed Software and sufficiency of the services hereunder or (b) matters covered by this Warranty, shall be limited to the provisions of this Section 9 regardless of whether any liability is based on contract or other theory.
- 9.10 THE WARRANTIES IN THIS SECTION 9 ARE LIMITED WARRANTIES AND ARE THE ONLY WARRANTIES MADE BY NOBLE. NOBLE MAKES AND CLIENT RECEIVES NO ADDITIONAL WARRANTY, EXPRESS, IMPLIED, OR STATUTORY, INCLUDING BUT NOT LIMITED TO ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO AGENT, CONTRACTOR OR EMPLOYEE OF NOBLE, EXCEPT NOBLE'S DULY AUTHORIZED REPRESENTATIVE, IS AUTHORIZED TO ALTER OR EXCEED THE WARRANTY OBLIGATIONS OF NOBLE AS SET FORTH HEREIN.
10. NON-SOLICITATION OF EMPLOYEES
- 10.1 Each party agrees that, during the period of performance of this Agreement, and for a period of one (1) year following completion of the period of performance, it will not solicit for employment or hire the employees of the other party without such other party's prior written consent thereto. The period of performance for purposes of this Section 10 shall begin on the effective date of this Agreement and end upon the earlier to occur of: (1) final payment by Client of any fees due under Section 3 of this Agreement; or (2) termination of this Agreement and the license(s) granted hereunder.

- 10.2 If either party hires any personnel of the other party who are or have been assigned to perform work for the party seeking to hire such personnel under this Agreement, the hiring party shall pay the other party a fee for the additional benefit obtained thereby. If such hire occurs during the performance of this Agreement or within one (1) year following completion of the period of performance, the hiring party shall pay an amount equal to one hundred percent (100%) of the total first year compensation paid to such personnel.

11. COMPLIANCE WITH LAW

- 11.1 This Agreement is made subject to any laws, regulations, orders or other restrictions on the export of the Licensed Software, or information about the Licensed Software, which may be imposed at any time or from time to time by the United States Government. Client (i) shall comply with all such laws, regulations, permits, orders and other restrictions to the extent that they are applicable to Client and (ii) shall not, directly or indirectly, export or re-export (as defined in the United States Export Administration Regulations) the Licensed Software or any information about the Licensed Software to any country for which the United States Government, or any agency thereof, requires an export license or other governmental approval without first obtaining the same. Noble shall comply with all applicable statutes with respect to labor employed, and shall protect and indemnify Client against any payroll taxes or contributions imposed with respect to employees of Noble or any subcontractor by any applicable law dealing with old age benefits, FICA, unemployment compensation, health insurance and related subjects. Noble and Client agree that Noble is an independent contractor. Noble shall be liable for and hereby represents to Client that all payments and obligations to subcontractors and suppliers will be timely made and satisfied at all times during the term of this Agreement, and agrees to indemnify Client for any loss to Client relating to Noble's violation of the provisions of this Article, provided, however, Noble is given prompt written notice of any claim or action and control, authority, information, and reasonable assistance for defense or settlement thereof; and provided further that Client shall not settle such claim, suit or proceeding without the written consent of Noble.
- 11.2 Client acknowledges and agrees that Noble may elect at its sole discretion to monitor the activities of the Client on its Hosted Site. Client agrees to use the Services and the Website for legal purposes only. In the event that Noble becomes aware or reasonably believes, in its sole discretion, that the Website is being used for illegal purposes, Noble shall be entitled to immediately terminate the Agreement and the Services without notice in addition to any remedies to which it may be entitled under law.
- 11.3 Client agrees to indemnify and save harmless Noble from and against all losses, damages, actions or causes of action, suits, claims, demands, penalties and interest arising in connection with or out of any illegal use of the Licensed Software or the Hosted Site.

12. APPLICABLE LAW

11

12.1 The law of the State of Washington applies to this Agreement and the rights, duties, and obligations of the parties hereto. The state and or federal courts in King County, Washington, shall have exclusive jurisdiction of any action arising out of or relating to this Agreement and each of the parties further irrevocably agrees to waive any objection to the venue of any such suit or proceeding in King County, Washington, or to in personam jurisdiction, provided that service is effective.

12.2 The United Nations Convention on Contracts for the International Sale of Goods is excluded from application hereto.

13. PROPRIETARY RIGHTS INDEMNITY

13.1 Noble shall defend, indemnify and hold harmless Client with respect to any claim, demand, cause of action, or liability, including attorneys' fees, to the extent that such is based upon a claim that the Licensed Software, (including any deliverables pursuant to Work Orders) used by Client within the scope of the licenses granted hereunder, infringes any United States, UK, Hong Kong, France, Germany, Switzerland, or Japan patent, any United States copyright, or any trade secret or other intellectual property rights; provided that Noble is promptly notified in writing of such claim and provided further that Noble shall have the exclusive right to control such defense. The acceptance, by Noble, of tender of defense of any claim shall give Noble the right to select legal counsel and manage the defense, provided that Client shall be given regular notice and opportunity to participate in such litigation, at Client's expense. In no event shall Client settle any claim, lawsuit or proceeding without Noble's prior written approval. Client may, at its own expense, assist in such defense if it so chooses.

13.2 In the event of any such claim, litigation or threat thereof, Noble, at its sole option and expense, may procure for Client the right to continue to use the Licensed Software or, at its sole option and expense, may replace or modify the Licensed Software with functionally-compatible, non-infringing software. If such settlement or such modification is not reasonably practical in the sole opinion of Noble, after giving due consideration to all factors including financial expense, or if a temporary or final injunction or other judgment is obtained against Noble with respect to the Licensed Software or any part thereof, Noble may cancel this Agreement or the applicable Work Order and the licenses granted thereunder upon fifteen (15) days written notice to Client and shall refund to Client the unamortized portion of the amounts paid to Noble by Client for the development and/or acquisition thereof based upon five (5) year straight-line depreciation, such depreciation to commence on the date on which the Licensed Software was first accepted hereunder. Upon such repayment Noble shall be discharged of all further liability hereunder except for the obligations set forth in Section 13.1 hereof.

13.3 To the extent its agreement with a vendor of Third Party Materials permits, Noble will pass through to Client any proprietary rights indemnity relating to such Third Party Materials; provided, however, that Noble gives no additional or supplemental indemnity with respect thereto.

13.4 The foregoing states the entire liability of Noble and the exclusive remedies of Client with respect to the infringement of any proprietary rights by the Licensed Software or any parts thereof, and Client hereby expressly waives any other such liabilities.

14. GENERAL INDEMNITY

14.1 The parties acknowledge that it may be necessary for the employees of each to be present at the facilities of the other for extended periods of time. The parties agree upon reasonable notice to provide the employees of the other with all reasonable facilities and services to assure that their services may be properly performed.

14.2 Each party will instruct its employees to conform to the internal regulations and procedures of the other party while on such party's premises.

14.3 Additionally, each party agrees to indemnify, defend, and save harmless the other party, its officers, agents and employees from any and all claims and losses accruing or resulting to any person, firm, or corporation for personal injury or tangible property damage, but only to the extent of the negligence and/or willful misconduct of the indemnifying party.

15. INSURANCE

15.1 Noble certifies, and will provide evidence thereof at Client's request, that Noble maintains:

15.2 A standard policy covering the obligations of Noble for Worker's Compensation Insurance pursuant to the laws of California or such other jurisdiction as applicable.

15.3 Insurance covering bodily injury and property damages in the amount of not less than \$1,000,000 for each occurrence and \$3,000,000 aggregate. Such coverage may be achieved through a combination of commercial general liability and umbrella liability policies.

15.4 Automobile liability insurance covering all owned, non-owned, and hired vehicles with a combined single limit for bodily injury and property damage of not less than \$2,000,000 per accident.

16. LIMITATION OF LIABILITY

16.1 NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, EXEMPLARY, OR INCIDENTAL DAMAGES OF THE OTHER PARTY OR OF DIRECT DAMAGES GREATER THAN THE LIMITATIONS ESTABLISHED HEREIN EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

16.2 Noble shall not be liable to Client for cumulative direct damages greater than the lesser of (1) the total amount having then been paid by Client to Noble under this Agreement, or (2) if such damages arise in connection with the performance of any Work Order, the amount having then been paid by Client to Noble under such Work Order; provided, however, that the limitation of this sentence shall not apply to Noble's obligations set forth in Section 13

("Proprietary Rights Indemnity") or Section 14 ("General Indemnity") of this Agreement or for such liabilities covered by the insurance defined in Section 15 ("Insurance") in which case the limits of such coverage will govern.

16.3 Except where the limitation does not apply as described above, Client releases Noble from all obligations, liability, claims, or demands relating to the Licensed Software and Documentation and this Agreement in excess of the limitations provided for in this Section 16. The parties acknowledge that the limitation set forth in this Section is integral to the amount of fees levied in connection with the license of the Licensed Software and Documentation and the services rendered hereunder and that, were Noble to assume any further liability other than as set forth herein, such fees would of necessity be set substantially higher.

16.4 Client further agrees that it shall have no claim or cause of action against third party licensors to Noble of any Third Party Materials which are embedded in the Licensed Software, except to the extent such rights have been duly assigned to Client.

17. FORCE MAJEURE

17.1 Neither party shall be liable for default or delay caused by any occurrence beyond its reasonable control or beyond the reasonable control of any subcontractor, including but not limited to fires, strikes, accidents, acts of God and subcontractor defaults. In the event Noble should be delayed in the completion of any portion of the work by reason of any such occurrence, the time within which the portion of work is to be completed shall be extended by the period of such delay, but no such extension shall be made unless a notice thereof is presented by Noble to Client in writing within ten (10) working days after the occurrence of such delay and no payment shall be made by Client to Noble for any expenses incurred by Noble by reason of any such default or delay.

17.2 In addition to the foregoing, Noble shall not be liable for default or delay caused by Noble's efforts to comply with U.S. Government export control laws and regulations. In the event that U.S. Government export control laws or regulations change after the execution of this Agreement and such changes inhibit or prohibit Noble from performing under this Agreement, Noble shall not be liable for its non-performance.

18. CONFIDENTIALITY

18.1 Any information which a party considers to be confidential or proprietary shall, if tangible, be marked as such or, if communicated orally, designated at the time and promptly confirmed in writing as such. Information which is so marked or designated and confirmed, and the Licensed Software regardless of form or designation, shall be "Confidential Information" under this Agreement. Information received by Noble while on the premises of Client shall be deemed Confidential Information whether marked as such or not.

18.2 Confidential Information shall be held in trust and used only as necessary for the performance of this Agreement. Confidential Information shall be treated with the same degree of care to

avoid disclosure to third parties as is used with respect to the recipient party's own Confidential Information, but not less than a reasonable degree of care.

- 18.3 Confidential Information shall be disclosed only to those employees or agents of a party who have a need to know such information and are under a binding obligation of confidentiality with respect to any such information received. Confidential Information shall not be disclosed to any other third party without the prior written consent of the party disclosing the Confidential Information. The party receiving Confidential Information shall defend, indemnify and save the disclosing party harmless from and against any and all damages, including reasonable attorneys' fees, sustained as a result of the unauthorized use or disclosure of the disclosing party's Confidential Information.
- 18.4 Confidential Information shall not include information (a) at the time of its disclosure was known to the party to whom disclosed; (b) is already in the public domain or becomes generally known or published without breach of this Agreement; (c) is lawfully disclosed by a third party free to disclose such information; (d) is independently developed by the party to whom disclosed without reference to or use of the Confidential Information; or (d) is legally required to be disclosed provided that the party so compelled shall promptly notify the other party so as to permit such other party to appear and object to the disclosure and further provided that such disclosure shall not change or diminish the confidential and/or proprietary status of the Confidential Information.
- 18.5 Notwithstanding the restrictions of this Section 18, Noble or Client may announce the parties' relationship in a press release subject to the reasonable written approval of the other party.
19. DISPUTE RESOLUTION
- 19.1 Except as provided in Section 20 below and unless otherwise required in order to comply with deadlines under the law, neither party shall file an action or institute legal proceedings with respect to any dispute, controversy, or claim arising out of, relating to, or in connection with, this Agreement until: (a) the aggrieved party has given the other party written notice of its grievance setting forth the nature of the dispute, the amount involved, if any, and the remedy desired, and delivering same by certified mail; (b) the other party has failed to provide a prompt and effective remedy; (c) the aggrieved party has requested senior executives for both parties to meet and discuss the matter in order to consider informal and amicable means of resolution; and (d) either such meeting failed to occur within fifteen (15) days after such request or the meeting did not produce a mutually satisfactory resolution of the matter.
20. INJUNCTIVE RELIEF
- 20.1 Noble and Client hereby acknowledge and agree that damages at law and the dispute resolution provisions of Section 19 may be inadequate remedies for the breach of Sections 6 ("Title"), Section 7 ("License"), Section 10 ("Non-Solicitation of Employees") or Section 18 ("Confidentiality") hereof, and, accordingly, Noble and Client hereby agree that Noble and/or Client may be entitled to temporary and permanent injunctive or other equitable relief with

respect to any such breach without the necessity of proving actual damages or posting a bond or other security or resorting to the provisions of Section 19. The rights set forth in this Section 20 shall be in addition to any other rights which the parties may have at law or in equity.

- 20.2 Noble and Client agree that if any portion of this Relief provision is found to be over-reaching or unenforceable, that these provisions can, nonetheless, be applied to the extent found to be enforceable.

21. NOTICES

- 21.1 Unless stated otherwise, all notices, approvals, consents, requests, demands, or other communication to be given to either party shall be in writing by any means where receipt is acknowledged, including electronic transmission, except by facsimile transmission, and shall be effective on the date of receipt thereof. If undeliverable, or if receipt is not acknowledged by the receiving party, such communication shall be effective ten (10) days from the date mailed or sent.

- 21.2 Such communication shall be addressed to the parties, except Default Notices and Notices of Termination which shall be addressed to the parties and their legal counsel, at their respective addresses set forth below, or at any other address that each party shall provide to the other in writing:

22. ASSIGNMENT

- 22.1 This Agreement shall be binding upon and inure to the benefit of the parties' respective successors and permitted assigns. Neither party may assign this Agreement and/or any of its rights and/or obligations hereunder without the prior written consent of the other party and any such attempted assignment shall be void, except that either party may assign this Agreement and/or any of its rights and/or obligations hereunder, upon written notice to the other party to another entity in the event of that party's merger or consolidation with another entity, without the consent of the other party, provided that the assignee is capable of fulfilling and intends to fulfill the obligations of the assigning party under this Agreement. Each party may terminate this Agreement in case there is a change of control of the other

party, but shall not be entitled to any refund whatsoever and all amounts owing shall be immediately paid. The term, "Change of Control" shall be limited to an ownership change of more than Fifty Percent (50%) during any twelve-month period. In the case of a governmental agency as Client, the term, "change of control" shall be limited to a complete transfer of the responsibilities of such agency for which this Software has been licensed to another agency.

23. GENERAL

- 23.1 This Agreement constitutes the complete and exclusive statement of the agreement between the parties as relates to the subject matter and supersedes all proposals, oral or written, and all other representations, statements, negotiations and undertakings relating to the subject matter.
- 23.2 No change in, addition to, or waiver of any of the provisions of this Agreement shall be binding upon either party unless in writing signed by an authorized representative of such party. No waiver by either party of any breach by the other party of any of the provisions of this Agreement shall be construed as a waiver of that or any other provision on any other occasion.
- 23.3 In the event any one or more of the provisions of this Agreement shall be held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the remaining provisions of this Agreement shall remain in effect and the Agreement shall be read as though the offending provision had not been written or as the provision shall be determined by such court to be read.
- 23.4 Upon termination or other expiration of this Agreement, each party shall forthwith return to the other all papers, materials and other properties of the other held by it for purposes of execution of this Agreement.
- 23.5 The captions used in this Agreement are inserted for the convenient reference of the parties and in no way define, limit or describe the scope or intent of this Agreement or any part hereof.
- 23.6 Dates or times by which Noble is required to make performance under this license shall be postponed automatically for so long as Noble is prevented from meeting them by causes which are Client's responsibility.
- 23.7 The prevailing party in a controversy or claim shall have the right to collect its reasonable expenses incurred in enforcing this Agreement, including reasonable attorney's fees.
- 23.8 This Agreement may be executed in two original counterparts, which together shall constitute the same Agreement, but only one of which need be produced to evidence the Agreement.
- 23.9 The parties further agree that the rights and obligations set forth in Sections 3, 4, 6, 10, 11, 12, 13, 14, 16, 18, 19, 20, 21, and subsections 23.1, 23.2, 23.3, 23.4, and 23.7 shall survive the
