2. TOTAL FEES.

Total Monthly Service Fees of \$985.00 are due upon receipt of the monthly invoice.

Total One-Time Charges of \$1,000.00 are included in the first monthly invoice.

3. SERVICE PERIOD. The initial Service Period of this Service Order shall begin on the date installation is completed and shall continue for a period of 60 months. Upon expiration of the initial term, this Service Order shall automatically renew for successive one-month terms and Charter may then apply Charter's then-current Monthly Service Fees unless either party terminates this Service Order by giving thirty (30) days prior written notice to the other party before the expiration of the current term.

4. TROUBLE REPORTS SERVICE PERFORMANCE. Spectrum Business Network Operations Center: 888.603.3199. Charter operates and maintains the Spectrum Business Network Operations Center ("CB NOC"), which is staffed 24 hours a day, 7 days a serviceweek, 365 days a year. To report suspected problems with your fiber-based Service(s) call the CB NOC for support @ 888.603.3199. Charter shall provide a telephone response to such calls within one (1) hour, and, if necessary, initiate a physical response within four (4) hours of receiving Customer's call reporting the problem. Once the CB NOC representative has received the necessary information, a Customer Trouble Ticket will be assigned and investigation of Trouble Ticket will begin. After the status of the Trouble Ticket has been determined, the CB NOC will contact Customer's designated contact individual at the appropriate number to discuss the findings.

5. EPLAN SERVICES. Customer acknowledges that EPLAN Services consist of multiple end points connecting your designated locations to create a shared-data network. As new service locations are added to your EPLAN Services, the Network Miles will increase. The performance parameter metric Delay is impacted by the total Network Miles. Therefore, the applicable Delay metric is based upon the then-total Network Miles of the total of EPLAN Services provided by Charter to Customer. Customer acknowledges that the applicable Delay metric will be based upon the then-current total Network Miles.

* Your current Mileage Band is shown as Total EPLAN Network Miles in the above Monthly Service Fees table.

6. SERVICE CREDITS. Customer shall be entitled to one (1) hour of service credit per Site per affected fiber optic-based Service (i.e. circuit) for each hour of Service Interruption if the interruption: (a) exceeds four (4) consecutive hours, (b) is not caused by Customer, or its agents, employees, licensees, or contractors, or a Force Majeure Event, (c) is not caused by Customer-provided equipment or facilities beyond the demarcation point, (d) is not caused by scheduled maintenance, and (e) a Trouble Ticket has been opened within 24 hours of the commencement of the interruption. Service Credits shall not apply to any period of time for which Charter is not granted access, if necessary, to the applicable Customer Site. A "Service Interruption" is the continuous period of time during which a respective Service is not provided substantially as ordered to one or more Customer Sites. A Service Interruption commences when Charter becomes aware of such Service Interruption of a Service and ends when the Service is operational and the Trouble Ticket is closed.

A Service Credit is calculated as follows:

- * Service Credit = Per Hour Rate X (# of consecutive hours during Service Interruption)
- * Per Hour Rate = Per Day Rate/twenty-four (24)
- * Per Day Rate = Monthly Service Charge/thirty (30) days

(30 = average days in one (1) month)

Any Service interruption that exceeds a consecutive period of twelve (12) hours shall be considered an outage for one (1) day

Example:

If Customer is paying a \$10,000 Monthly Service Fee and a Service interruption of one (1) day (or 24 hours) occurs, the Service Credit shall be equal to \$333.33 and shall be applied on the billing cycle following the date Charter makes its credit determination:

Per Day Rate = \$10,000/30 days = \$333.33
Per Hour Rate = \$333.33/24 hours = \$13.89

Service Credit = 1 day X \$333.33 = \$333.33
OR
24 hours X \$13.89 = \$333.33

Service credits will be based on the Customer's Monthly Service Fee for those Sites and specific Services affected by the Service Interruption. Non-recurring, equipment and usage-based charges are excluded. The sum of all Service Credits shall not exceed the Customer's total Monthly Service Fees for the month in which the Service interruption occurred. The Customer must contact Spectrum Business at 866.603.3199 (or successor applicable toll-free number) to request a Service Credit for a specific Service Interruption. Spectrum Business will exercise commercially reasonable efforts to respond to such Service Credit requests within fifteen (15) business days of receipt thereof. The approved Service Credit will be applied on the billing cycle following the date Charter makes its credit determination. Service Credits shall be Customer's sole and exclusive remedy for Charter's failure to provide Services as ordered.

- 7. **NO UNTRUE STATEMENTS** Customer further represents and warrants to Charter that neither this Service Order, nor any other information, including without limitation, any schedules or drawings furnished to Charter contains any untrue or incorrect statement of material fact or omits or fails to state a material fact.
- 8. **CONFIDENTIALITY** Customer hereby agrees to keep confidential and not to disclose directly or indirectly to any third party, the terms of this Service Order or any other related Service Orders, except as may be required by law. If any unauthorized disclosure is made by Customer and/or its agent or representative, Charter shall be entitled to, among other damages arising from such unauthorized disclosure, injunctive relief and a penalty payment in the amount of the total One-Time Charges associated with this Service Order, and Charter shall have the option of terminating this Service Order, other related Service Orders and/or the Service Agreement.
- 9. **FACSIMILE** A copy sent via fax machine or scanned and e-mailed of a duly executed Agreement and Service Order signed by both authorized parties shall be considered evidence of a valid order, and Charter may rely on such copy of the Agreement and Service Order as if it were the original.

NOW THEREFORE, Charter and Customer agree to the terms and conditions included within this Service Agreement, including the Commercial Terms of Service which follow, and hereby execute this Service Agreement by their duly authorized representatives.

Charter Commercial Subscriber Privacy Policy TV Internet Phone

Charter Commercial Subscriber Privacy Policy:

Charter takes the protection of our subscribers' ("You," "Your" or "Customer(s)") privacy seriously. The following privacy policy ("Policy") applies to those Charter commercial Customers who subscribe to Charter's commercial video programming, high-speed internet and/or telephone service (individually and collectively the "Service") and describes the Customer information that Charter collects and retains, how Charter uses and protects it, the limited cases where Charter may disclose some or all of that information, and Your rights under the Cable Communications Policy Act of 1984 ("Cable Act"). Depending upon the Charter Service to which You subscribe, parts of this Policy may not be applicable to You. Charter values Your privacy and considers all personally identifiable information contained in our business records to be confidential. Please review this Policy and, if You are a Charter telephone service subscriber, the attached Customer Proprietary Network Information ("CPNI") Policy (the "CPNI Policy"), in conjunction with Your service agreement, terms of service and acceptable use policy ("Your Service Agreement"). Charter will provide You copies of this Policy annually and the CPNI Policy at least once every two years, whether or not we have revised the policies. We may modify this Policy at any time. The most current version of this Policy can be found on www.charter.com. If You find the changes unacceptable and if those changes materially and adversely impact Your use of the Service, you may have the right to cancel Your Service under Your Service Agreement if you continue to use the Service following the posting of a revised Policy, we will consider that to be your acceptance of and consent to the Policy as revised.

What type of information does Charter collect?

Charter collects both personally identifiable information and non-personal information about You when You subscribe to our Service. Charter uses its systems to collect personally identifiable information about You: (a) when it is necessary to provide our services to You; (b) to prevent unauthorized reception of our services; and (c) as otherwise provided in this Policy. Charter will not use the system to collect Your personally identifiable information for other purposes without Your prior written or electronic consent. Charter also collects personally identifiable and non-personal information about You when You voluntarily provide information to Charter, as may be required under applicable law, and from third parties, as described in this Policy. Personally identifiable information is any information that identifies or can potentially be used to identify, contact, or locate You. This includes information that is used in a way that is personally identifiable, including linking it with identifiable information from other sources, or from which other personally identifiable information can easily be derived, including, but not limited to, name, address, phone or fax number, email address, spouses or other relatives' names, drivers licenses or state identification number, financial profiles, tax identification number, bank account information, and credit card information. Personally identifiable information does not include information that is collected anonymously (i.e., without identification of the individual or business) or demographic information not connected to an identified individual or business.

Non-personal information, which may or may not be aggregated information about our Customers and may include information from third parties, does not identify individual Customers. Charter may combine third party data with our business records as necessary to better serve our Customers. Examples of non-personal information include IP addresses, MAC addresses or other equipment identifiers, among other data. Our systems may automatically collect certain non-personal information when You use an interactive or transactional service. This information is generally required to provide the service and is used to carry out requests a Customer makes through a remote control or set-top box.

We may also collect and maintain information about Your account, such as billing, payment and deposit history; maintenance and complaint information; correspondence with or from You, information about the service options that You have chosen; information on the equipment You have, including specific equipment identifiers; and information about Your use of our services, including the type, technical arrangement, quantity, destination and amount of use of certain of those services, and related billing for those services.

Charter also collects customer-provided customization settings and preferences. By using our service, You consent to our collection of this information and other information communicated to Charter such as correspondence, responses to surveys or emails, information provided in chat sessions with us, registration information, or participation in promotions or contests.

If You subscribe to our video service, then in certain of our systems, our set-top boxes automatically collect information that may be used to determine which programs are most popular, how many set-top boxes are tuned to watch a program to its conclusion and whether commercials are being watched, as well as other audience-measurement focused information. Our processes are designed to track

this information and audience statistics on an anonymous basis. Information such as channel tuning, the time the channel is changed, and when the set-top box is "on" or "off" is collected in a secure database in an anonymous format. Charter, or our contractors or agents, may from time to time share the anonymous information with our advertisers, content providers, or other third parties with whom we have a relationship. We will not provide our advertisers, content providers, or these other third parties with personally identifiable information about You unless we have received Your consent first, except as required by law. (See "Who sees the information collected by Charter?")

Why does Charter collect personally identifiable information?

Charter collects and uses personally identifiable information to:

- properly deliver our Services to You;
- provide You with accurate and high quality customer service;
- perform billing, invoicing and collections;
- provide updates, upgrades, repairs or replacements for any of our service-related devices or solutions used in providing or receiving services;
- protect the security of this system, prevent fraud, detect unauthorized reception, use, and abuse of Charter's Services or violations of our policies or terms of service;
- keep You informed of new or available products and services;
- better understand how the Service is being used and to improve the Service;
- manage and configure our device(s), system(s) and network(s);
- maintain our accounting, tax and other records; and
- comply with applicable federal and state laws and regulations, as well as for the general administration of our business.

If You use an interactive or transactional service, for example, responding to a survey or ordering a pay-per-view event, the system will collect certain additional personally identifiable information, such as account and billing information or Customer-provided locale and service preferences, to properly bill You for the services purchased and to provide You with a more personalized experience. In addition, certain information such as Your connections to our system is automatically collected to, for example, make it possible for Your digital boxes to receive and process the signals for the services You order.

Charter may also collect personally identifiable information from third parties to enhance our customer database for use in marketing and other activities. Charter also collects personally identifiable information from third parties to verify information You have provided us and obtain personally identifiable information from credit reporting agencies to, for example, determine Your creditworthiness, credit score, and credit usage. Charter also may maintain research records containing information obtained through voluntary subscriber interviews or surveys.

If You subscribe to our high-speed internet service, Charter transmits personally identifiable and non-personal identifiable information about You over the Service when You send and receive e-mail and internet messages, transfer and share files, make files accessible, visit websites, or otherwise use the Service and its features. Our transmission of this information is necessary to allow You to use the Service as You have chosen and to render the Service to You.

Who sees the information collected by Charter?

Charter will only disclose personally identifiable information to others if: (a) Customer provides written or electronic consent in advance, or (b) if it is permitted or required under federal or applicable state law. Specifically, federal law allows Charter to disclose personally identifiable information to third parties:

- when it is necessary to provide Charter's services or to carry out Charter's business activities;
- as required by law or legal process; or
- for mailing list or other purposes, subject to Your ability to limit this type of disclosure.

To provide services and carry out our business activities, certain authorized people have access to Your information, including our employees, entities affiliated through common ownership or control with Charter and third parties that provide and/or include: billing and collection services; installation, repair and customer service subcontractors or agents; program guide distributors; software vendors; program and other service suppliers for our purposes; marketers of Charter's products and services; third party auditors; our attorneys and accountants; and/or strategic partners offering or providing products or services jointly or on behalf of Charter. The frequency of disclosures varies according to business needs, and may involve access on a regular basis. Charter restricts third parties' use of Your information to the

purpose for which it is disclosed and prohibits third parties from further disclosure or use of Your personally identifiable information obtained from us, whether for that third party's own marketing purposes or otherwise.

Unless You object in advance, federal law also allows Charter to disclose through "mailing lists," personally identifiable information, such as Your name, address and the level of Your service subscription, to non-affiliated entities, including advertisers and marketing entities, for non-service related purposes, including product advertisement, direct marketing and research. Under no circumstances will Charter disclose to these advertising entities the extent of Your viewing habits or the transactions You make over the system. Charter, or our contractor or agents, may from time to time share non-personal and/or aggregate information such as the number of Service subscribers who match certain statistical profiles (for example, the number of subscribers in various parts of the country) with our advertisers, content providers, or other third parties with whom we have a relationship.

We may provide anonymous data to third parties who may combine it with other information to conduct more comprehensive audience analysis for us and for television advertisers. This data helps program networks and cable operators decide on which programs, channels, and advertising to carry. Charter may also use that information to distribute targeted advertising to You without having disclosed any of Your personally identifiable information to the advertisers. These advertisements may invite interactive or transactional follow-up from You. By using any of Charter's interactive services, You consent to our collection of this additional information. Unless You consent first or except as required by law, only anonymous information is disclosed to audience measurement services.

As part of its business activities, if Charter enters into a merger, acquisition, or sale of all or a portion of our assets, Charter may transfer Customers' personally identifiable and non-personal information as part of the transaction.

If You subscribe to our telephone service, Your name, address and/or telephone number may be transmitted via Caller ID, published and distributed in printed or unprinted telephone directories, and available through printed or unprinted directory assistance operators. We take reasonable precautions to ensure that non-published and non-listed numbers are not included in the telephone directories or directory assistance services, although we cannot guarantee that errors will never occur. Please note that Caller ID blocking may not prevent the display of Your name and/or telephone number when You dial certain business numbers, 911, 900 numbers or toll-free 800, 866, 877 or 888 numbers.

If allowed by and after complying with any federal law requirements, Charter may disclose personally identifiable information about Customer to representatives of government or to comply with valid legal process, except as provided below; disclosures shall not include records revealing Customer's selection of video programming. Disclosures to representatives of government may be made pursuant to an administrative subpoena, warrant, court order, or reasonable discretion in cases of emergency or serious physical injury, or other permitted means. In these situations, Charter may be required to disclose personally identifiable information about a Customer without Customer's consent and without notice to the Customer. Law enforcement agencies may, by federal or state court order, and without notice to You, obtain the right to install a device that monitors Your internet and e-mail use, including addresses of email sent and received and in some cases the content of those communications; and/or Your use of our telephone service, including listings of incoming and outgoing calls and in some cases the content of those calls. In some instances when there are valid legal requests for or orders for disclosure of Your information, we may notify You of the requests or orders and then it may be up to You to object or take specific action to prevent any disclosures pursuant to those requests or orders.

Where a governmental entity is seeking personally identifiable information of a Customer who subscribes to Charter's video services only or records revealing Customer's selection of video programming, the Cable Act requires a court order and that the video subscriber be afforded the opportunity to appear and contest in a court proceeding relevant to the court order any claims made in support of the court order. At such a proceeding, the Cable Act requires the governmental entity to offer clear and convincing evidence that the subject of the information is reasonably suspected of engaging in criminal activity and that the information sought would be material evidence in the prosecution of the case. Except in certain situations (such as with respect to those who own, or are owed, welfare or child support) state welfare agencies may obtain the names, addresses, and certain other Customer information as it appears in Charter's subscriber records under the authority of an administrative subpoena.

We may also use or disclose personally identifiable information about You without Your consent (a) to protect our Customers, employees, or property, (b) in emergency situations, (c) to enforce our rights in court or elsewhere, or directly with You, for violations of service terms, conditions or policies and/or (d) in order to comply with the Digital Millennium Copyright Act or as otherwise required by law, for example, as part of a regulatory proceeding.

Note to California Customers Regarding Your Privacy Rights:

California law requires Charter provide to certain Customers, upon request, certain information regarding the sharing of personally identifiable information to third parties for their direct marketing purposes. As mentioned above, Charter does not share personally identifiable information with unaffiliated third parties for their own direct marketing purposes. However, Charter may share personally identifiable information with some some-branded affiliates for those affiliates' direct marketing purposes (and, if a Charter telephone subscriber, then subject to the restrictions in the attached CPNI Policy). If You make a request by phone or on-line, Charter will provide You with the number of its some-branded affiliates in California and a list of personal information that it may have shared with some or all such affiliates.

Can I prohibit or limit Charter's use and disclosure of my personally identifiable information?

If You do not want Your name, address, level of service or other personally identifiable information disclosed to third parties in a "mailing list" as explained above, please register this preference at <http://www.charter.com> or by contacting us by telephone at 1-888-GET-CHARTER. Customers of our video service cannot opt-out of the collection of audience measurement data.

Also, if You do not want to receive marketing messages (e.g., phone calls, emails, and direct mail) from Charter, You may call 1-888-GET-CHARTER or visit www.charter.com and make a request to have your privacy preferences updated. Please note that such request will not eliminate all telephone calls, emails or direct mail sent to You from Charter as Charter may still continue to send non-marketing account-related messages to You.

How long does Charter maintain personally identifiable information?

Charter will maintain personally identifiable information about You as long as You are a subscriber to Charter's Service and as long as necessary for the purpose for which it was collected. If You are no longer a subscriber to any Charter Service and the information is no longer necessary for the purpose for which it was collected, Charter will only keep personally identifiable information as long as necessary to comply with laws governing our business. These laws include, but are not limited to, tax and accounting requirements that require record retention. Charter will also maintain personally identifiable information to satisfy pending requests for access by a subscriber to his/her information or pursuant to a court order. Charter will destroy Customers' personally identifiable information when the information is no longer necessary for the purpose for which it was collected, when there are no longer pending requests for such information, and when it is no longer necessary to retain the information under applicable laws.

How does Charter protect customer information?

Charter takes the security of our Customers' personally identifiable information seriously. Charter takes such actions as are reasonably necessary to prevent unauthorized access by entities other than Charter to personally identifiable information. Charter uses security and/or encryption technology to secure certain sensitive personally identifiable information when it collects such information over the system. Charter restricts access to its customer databases and secures the content by use of firewalls and other security methods. Charter limits access to databases containing Customers' personally identifiable information to those specifically authorized employees and agents of Charter and other parties identified in the "Who sees the information collected by Charter?" section above. However, we cannot guarantee that these practices will prevent every unauthorized attempt to access, use, or disclose personally identifiable information.

You need to help protect the privacy of Your own information. You and others who use Your equipment must not give identifying information to strangers or others whom You are not certain have a right or need to the information. You also must take precautions to protect the security of any personally identifiable information that You may transmit over any home networks, wireless routers, wireless fidelity (WiFi) networks or similar devices by using encryption and other techniques to prevent unauthorized persons from intercepting or receiving any of Your personally identifiable information. You are responsible for the security of Your information when using unencrypted, open access or otherwise unsecured networks in Your home. For more information on things you can do to help protect the privacy of Your own information, visit www.charter.com/security or www.OnGuardOnline.org.

Can I see the information that Charter collects about me?

You have a right under the Cable Act to see Your personally identifiable information that Charter collects and maintains. The information Charter has about its Customers is maintained at the local office where service is provided, in our systems, and at our corporate headquarters. If You would like to see Your information, please send a written request to Your local Charter office. To find the location of your local office please visit www.charter-business.com. Charter will be glad to make an appointment for You to come in to Your local office during regular business hours. If Your review

reveals an error in our records, Charter will correct it. You may also be able to access certain information about You or Your account by telephone or online at www.charter-business.com, depending upon the information You have provided.

Does Charter protect children's privacy?

Charter is concerned about children's privacy and does not knowingly collect personally identifiable information from anyone under the age of 13 over its Service unless otherwise expressly identified. At those specific parts of our Service, Charter will provide a special notice or other information describing the additional privacy protections that may apply. Charter urges children to always obtain a parent or legal guardian's permission before sending any information about themselves over the Internet and urges parents and legal guardians to be vigilant regarding children's Internet usage. Other services or web pages accessed through Charter's Service may have different policies on collection of information pertaining to children and You should consult their privacy policies and read their notices if You have any concerns about the collection or use of such information by those entities.

However, Charter may provide site usage information linked to your personally identifiable information to law enforcement or others in compliance with valid legal process or in other situations as stated in the "Who Sees the Information Collected by Charter?" paragraphs above.

Charter collects and uses non-personal information, such as information about Your visits to our websites and IP address, and personally identifiable information, such as information You provide Charter and from Your Charter account (see "What type of information does Charter Collect?"), to identify and present such tailored advertisements for Charter's goods and services. In addition, Charter may partner with a third-party advertising company who may utilize cookies, web beacons, or other technology to deliver or facilitate the delivery of targeted advertisements about Charter's goods and services on third-party websites. Charter will not provide this partner with access to Your name, address, e-mail address, telephone number or other personally identifiable information. When these targeted online advertisements are based on Your personally identifiable information and displayed on third-party websites, You may opt-out by going to http://www.charter.com and requesting to have Your privacy preferences updated. Charter Commercial Customer Proprietary Network Information (CPNI) Policy

The following CPNI Policy is in addition to requirements set forth in Charter's Commercial Subscriber Privacy Policy and is subject to some permitted uses and disclosures of your name, address, and/or telephone number outlined in the Privacy Policy. The information that we have (1) relating to the quantity, technical configuration, type, destination, location, and amount of Your use of telephone service, and / or (2) contained on Your telephone bill concerning the telephone services that You receive is subject to additional privacy protections. That information, when matched to Your name, address, and telephone number is known as "Customer Proprietary Network Information" or CPNI for short. Examples of CPNI include information typically available from details on a customer's monthly telephone bill -- the type of line, technical characteristics, class of service, covered telephone charges, long distance and local service billing records, directory assistance charges, usage data, and calling patterns. As a subscriber to our telephone services, You have the right, and Charter has a duty, under federal law to protect the confidentiality of CPNI. Charter offers many communications-related services, such as, for example, Charter Internet services. From time to time we would like to use the CPNI information we have on file to provide You with information about our communications-related products and services or special promotions. Our use of CPNI may also enhance our ability to offer products and services tailored to Your specific needs. We would like Your approval so that we, our agents, affiliates, joint venture partners, and independent contractors may use this CPNI to let You know about communications-related services other than those to which You currently subscribe that we believe may be of interest to You. You do have the right to restrict this use of CPNI.

IF WE DO NOT HEAR FROM YOU WITHIN 30 DAYS OF THIS NOTIFICATION, WE WILL ASSUME THAT YOU APPROVE OUR USE OF YOUR CPNI FOR THE PURPOSES OF PROVIDING YOU WITH INFORMATION ABOUT OTHER COMMUNICATIONS-RELATED SERVICES. YOU HAVE THE RIGHT TO DISAPPROVE OUR USE OF YOUR CPNI, AND MAY DENY OR WITHDRAW OUR RIGHT TO USE YOUR CPNI AT ANY TIME BY CALLING THE TELEPHONE NUMBER REFLECTED ON YOUR MONTHLY BILLING STATEMENT OR 1-888-GET-CHARTER. We will also honor any restrictions applied by state law, to the extent applicable. Charter also offers various other services that are not related to the communications services to which You subscribe. Under the CPNI rules, some of those services, such as Charter video services, are considered to be non-communications related services. Occasionally, You may be asked during a telephone call with one of our representatives for Your oral consent to Charter's use of Your CPNI for the purpose of providing You with an offer for products or services not related to the telephone services to which You subscribe. If You provide Your oral consent for Charter to do so, Charter may use Your CPNI for the duration of such telephone call in order to offer You additional services. Any action that You take to deny or restrict approval to use Your CPNI will not affect our provision to You, now or in the future, of any services to which You subscribe. You may disregard this notice if You previously contacted us in response to a CPNI Notification and denied use of Your CPNI for the purposes described above. Any denial of approval for use of Your CPNI outside of the service to which You already subscribe is valid until such time as Your telephone services are discontinued or You affirmatively revoke or limit such approval or denial. The CPNI Policy above may be required by law to apply to our Voice over Internet Protocol, or, IP voice services.

Effective: May 4, 2008

COMMERCIAL TERMS OF SERVICE

1. **AGREEMENT TERM.** This Agreement shall terminate upon the lawful termination of the final existing Service Order entered into under this Agreement.
2. **SERVICE.** Charter shall provide the Services during the Service Period to Customer at the site(s) identified in the Service Order(s). "Service Period" is the time period starting on the date the Services are functional in all material respects and available for use (the "Turn-up Date"), and continuing for the number of months specified in the Service Order(s).
3. **STANDARD PAYMENT TERMS.** Customer shall pay fees and charges for the Services in the amount specified on the Service Order in accordance with this Agreement. A one-time charge ("OTC") is a nonrecurring fee for construction, Service installation charge(s), repair, replacement, or any other nonrecurring costs or charges. "Equipment" means the components (e.g., any gateway or edge electronic device, node, router, switch, communications lines/cables, etc.) that make up the Network. "Network" means all of the physical elements necessary to provide the Services.
 - (a) **Charges.** Customer shall pay all associated charges associated with the Service(s), as set forth or referenced in the applicable Service Order(s) or invoiced by Charter. These charges may include, but are not limited to a monthly service fee ("MSF"), nonrecurring fees for construction, installation, repair, replacement or other one-time charges ("OTC"), usage charges such as, pay-per-view charges, and applicable federal, state, and local taxes, fees, surcharges and recoupments (however designated). MSFs shall be subject to increases attributable to programming, license, copyright, retransmission and/or other similar costs imposed upon Charter. Charter shall provide not less than thirty (30) days prior notice to Customer of any MSF change.
 - (b) **Taxes, Surcharges, and Fees.** Customer shall pay any sales, use, property, excise or other taxes, franchise fees, and governmental charges (excluding income taxes) arising under this Agreement, in addition to any surcharges that may be imposed as may be permitted under and consistent with applicable law. A copy of Customer's tax exemption document, if applicable, must be provided to Charter to certify tax-exempt status. Tax-exempt status shall not relieve Customer of its obligation to pay any applicable franchise fees. Charter reserves the right from time to time to change the surcharges for Services under this Agreement to reflect the charges or payment obligations imposed on Charter which Charter is permitted or required under applicable law to pass through to Customer (e.g., universal service fund ("USF") charges, franchise fees etc.).
 - (c) **Change Requests.** Any charges associated with Service and Equipment installations, changes, or additions requested by Customer subsequent to executing a Service Order for the applicable site are the sole financial responsibility of Customer. Charter shall notify Customer, in writing, of any additional OTCs and/or adjustments to MSFs associated with or applicable to such Customer change requests prior to making any such additions or modifications. Customer's failure to accept such additional charges within three days of receiving such notice shall be deemed a rejection by Customer, and Charter shall not be liable to perform any work giving rise to such charges. For accepted charges, Customer shall be assessed such additional OTCs and/or adjustments of the MSFs either (I) in advance of implementation of the change request or (II) beginning on Customer's next and/or subsequent invoice(s).
 - (d) **Site Visits and Repairs.** If Customer's misuse, abuse or modification of the Services, Equipment or Network results in a visit to the Customer site for inspection, correction or repair, Charter may charge Customer a site visit fee as well as charges for any resulting Equipment or Network repair or replacement, which may be necessary.
 - (e) **Invoicing Errors.** Customer must provide written notice to Charter of any invoice errors or disputed charges within 30 days of the invoice date on which the errors and/or disputed charges appear for Customer to receive any credit that may be due. Customer must have and present a reasonable basis for disputing any amount charged.
 - (f) **Late Fees.** Undisputed amounts not paid within 30 days of the invoice date shall be past due and subject to a late fee of not more than 1.5% per month or the maximum amount permitted by law.
 - (g) **Non-payment.** If Services are suspended due to late payment, Charter may require that Customer pay all past due charges, a reconnect fee, and one or more MSFs in advance before reconnecting Services.
 - (h) **Collection Fees.** Charter may charge a reasonable service fee for all returned checks and bank card, credit card or other charge card charge-backs. Customer shall be responsible for all expenses, including reasonable attorney fees and collection costs, incurred by Charter in collecting any unpaid amounts due under this Agreement.
 - (i) **Bundled Pricing.** If Customer has selected a Spectrum Business Bundle ("CBB") specifically, the following conditions shall apply:
 1. In consideration for Customer's purchase of all Services in the CBB and only with respect to that period of time during which Customer continues to purchase such CBB, Charter shall apply a discount to the Services ordered under the applicable Service Order(s). Such discount has been applied to the Services included in Charter's bundled pricing offer and is reflected in the MSF for such Services.

- ii. Upon discontinuation or termination by Customer of any component of a Service of the applicable CBB, the pricing for the remaining Services shall revert to Charter's a la carte pricing for such Services in effect at the time. Termination liability applicable to the Services under this Agreement shall otherwise remain unchanged.

4. SERVICE LOCATION ACCESS AND INSTALLATION.

- (a) Access. Charter will require reasonable access to each service location listed on a Service Order ("Service Location") as necessary for Charter to review, install, inspect, maintain or repair any Equipment or Materials necessary to provide the Services. If Customer owns or controls the Service Location(s), Customer grants Charter permission to enter the Service Location(s) for the exercise of such right. If a Service Location is not owned and/or controlled by Customer, Customer will obtain, with Charter's assistance, appropriate right of access. If such right of access for Charter is not obtained by either party, then Charter's obligations with respect to such Service Location shall be considered null and void.

- (b) Installation Review; Subsequent Interference. Charter may perform an installation review of each Service Location prior to installation of the Services. Upon request, Customer shall provide Charter with accurate site and/or physical network diagrams or maps of a Service Location, including electrical and other utility service maps, prior to the installation review. If Charter determines that safe installation and/or activation of one or more of the Services will have negative consequences to Charter's personnel or Network or cause technical difficulties to Charter or its customers, Charter may terminate the Service Order effective upon written notice to Customer or may require Customer to correct the situation before proceeding with installation or activation of the Services.

If during a Service Period, or any renewal thereof, (i) proper operation of Equipment or provision of a Service is no longer unhindered or possible as a result of interference or obstruction due to any cause other than Charter or (ii) such interference/obstruction or its cause may endanger, hinder, harm or injure Charter's personnel or Network and/or cause technical difficulties to Charter or its customers, Charter may terminate the affected Service Order(s) without liability upon written notice to Customer.

- (c) Site Preparation. Customer shall be responsible for necessary preparations at its location(s) for delivery and installation of Equipment and the installation and ongoing provision of Services, including the relocation of Customer's equipment, furniture and furnishings as necessary to access the Equipment or Services. Upon request, Customer shall provide any available electrical, utility service, and/or general physical network diagrams or maps prior to installation or maintenance work to be undertaken by Charter.
- (d) Installation. Charter will schedule one or more installation visits with Customer. Customer's authorized representative must be present during installation. If

during the course of installation Charter determines additional work is necessary to enable Charter to deliver the Services to the Service Location, Charter will notify Customer of any additional OTCs. If Customer does not agree to pay such OTCs by executing a revised Service Order within five business days of receiving the same, Customer and Charter shall each have the right to terminate the applicable Service Order. Customer shall connect Customer's computer or network to applicable Charter-provided Equipment to enable access to the Services. Charter shall be responsible for reasonable restoration efforts necessary to address any displacement resulting from excavation.

- (e) Ongoing Visits. Charter will need periodic access for inspection, operation and maintenance of the Network. Except in emergency situations, Charter will obtain approval from Customer (not to be unreasonably withheld or delayed) before entering Customer Premises. At Charter's request, Customer, or a representative designated by Customer, will accompany Charter's employees or agents into any unoccupied unit for any purpose relating to the Equipment.

5. EQUIPMENT AND MATERIALS.

- (a) Responsibilities and Safeguards. Except as otherwise provided in this Agreement or any Service Order(s), neither party shall be responsible for the maintenance or repair of cable, electronics, structures, Equipment or materials owned by the other party; provided, however, that subject to the indemnification limitations set forth in this Agreement, each party shall be responsible to the other for any physical damage or harm such party causes to the other party's personal or real property through the damage-causing party's negligence or willful misconduct. Customer shall:

- a) Safeguard Equipment against others;
- b) Not add other equipment nor move, modify, disturb, alter, remove, nor otherwise tamper with any portion of the Equipment;
- c) Not hire nor permit anyone other than personnel authorized by Charter acting in their official capacity to perform any work on Equipment; and
- d) Not move nor relocate Equipment to another location or use it at an address other than the Service location without the prior written consent of Charter.

Any unauthorized connection or other tampering with the Services or Equipment shall be cause for immediate suspension of Services, termination of this Agreement and/or legal action, and Charter shall be entitled to recover damages, including the value of any Services and/or Equipment obtained in violation of this Agreement in addition to reasonable collection costs including reasonable attorney fees. Should any antenna, or signal amplification system for use in connection with communication equipment hereafter be installed on the Premises which interferes with the Services, Charter shall not be obligated to distribute a signal to the Premises

better than the highest quality which can be furnished without additional cost to Charter as a result of such interference, until such time as the interference is eliminated.

- (b) Customer Security Responsibilities. Customer shall be responsible for the implementation of reasonable security measures and procedures with respect to use of and access to the Service and/or Equipment. Charter may suspend the Services upon learning of a breach of security and will attempt to contact Customer in advance, if practicable.
- (c) Ownership. Notwithstanding any other provision contained in this Agreement to the contrary, all Equipment and materials installed or provided by Charter are and shall always remain the property of Charter, shall not become a fixture to the Premises, and must be returned to Charter at any time Services are disconnected in the condition in which they were received subject to ordinary wear and tear. Customer will not sell, lease, assign nor encumber any Equipment. Customer shall not obtain or acquire title to, interest or right (including intellectual property rights) in the Service or Equipment other than to the limited extent of use rights expressly granted under this Agreement.
- (d) Equipment Return, Retrieval, Repair and Replacement. Immediately upon termination of this Agreement and/or Service Order(s) ("Termination"), at the discretion of Charter, Customer shall return, or allow Charter to retrieve, the Equipment supplied by Charter to Customer. Failure of Customer to return, or allow Charter to retrieve, Equipment within 10 days after Services are terminated will result in a charge to Customer's account equal to the retail cost of replacement of the unreturned Equipment. Customer shall pay for the repair or replacement of any damaged Equipment, except such repairs or replacements as may be necessary due to normal and ordinary wear and tear or material/workmanship defects, together with any costs incurred by Charter in obtaining or attempting to regain possession of such Equipment, including reasonable attorney fees.
8. ADMINISTRATIVE WEB SITE. Charter may, at its sole option, make one or more administrative web sites available to Customer in connection with Customer's use of the Services (each an "Administrative Web Site"). Charter may furnish Customer with one or more user identifications and/or passwords for use on the Administrative Web Site. Customer shall be responsible for the confidentiality and use of such user identifications and/or passwords and shall immediately notify Charter if there has been an unauthorized release, use or other compromise of any user identification or password. In addition, Customer agrees that its authorized users shall keep confidential and not distribute any information or other materials made available by the Administrative Web Site. Customer shall be solely responsible for all use of the Administrative Web Site, and Charter shall only be entitled to rely on all Customer uses of and submission to the Administrative Web Site as authorized by Customer.

Charter shall not be liable for any loss, cost, expense of other liability arising out of any Customer use of the Administrative Web Site, Charter may change or discontinue the Administrative Web Site, or Customer's right to use the Administrative Web Site, at any time. Additional terms and policies may apply to Customer's use of the Administrative Web Site. These terms and policies will be posted on the site.

7. VIDEO, MUSIC AND CONTENT SERVICE. This Video, Music and Content Service Section shall only apply if Video, Music and Content Services are included in a Service Order under this Agreement; however, continued use or reception of the Video Services is subject to the provisions of this Agreement.
- (a) Music Rights Fees. Customer is responsible for and must secure any music rights and/or pay applicable fees required by the American Society of Composers, Authors & Publishers (ASCAP), Broadcast Music, Inc. (BMI) and SESAC, Inc. (SESAC) or their respective successors, and any other entity, person or governmental authority from which a license is necessary or appropriate relating to Customer's transmission, retransmission, communication, distribution, performance or other use of the Services.
- (b) Premium and Pay-Per-View. Customer may not: (i) exhibit any premium Services such as HBO or Showtime in any public or common area; (ii) order or request Pay-Per-View (PPV) programming for receipt, exhibition or taping in a commercial establishment; or (iii) exhibit nor assist in the exhibition of PPV programming in a commercial establishment unless explicitly authorized to do so by agreement with an authorized program provider and subject to Charter's prior written consent.
- (c) HD Formatted Programming. If Customer has selected High Definition ("HD") formatted programming, Customer is responsible for provision, installation and maintenance of the receiving equipment and/or facilities necessary for its reception and display. Any failure of Customer to fulfill the foregoing obligation shall not relieve Customer of its obligation to pay the applicable MSFs or OTCs for the HD formatted programming.
- (d) Provision of Service. Without notice, Charter may preempt, rearrange, delete, add, discontinue, modify or otherwise change any or all of the advertised programming comprising, packaging of, line-up applicable to, and/or distribution of its Video Services.
- (e) Restrictions. Customer shall not and shall not authorize or permit any other person to (i) copy, record, dub, duplicate, alter, make or manufacture any recordings or other reproductions of the Services (or any part thereof); or (ii) transmit the Services by any television or radio broadcast or by any other means or use the Services outside the Service Location. Customer acknowledges that such duplication, reproduction or transmission may subject Customer to criminal penalties and/or civil liability and damages under applicable copyright and/or trademark laws. With respect to the music programming comprising a portion of the Services, Customer shall not, and shall not

authorize or permit any other person to, do any of the following unless Customer has obtained a then-current music license permitting such activity: (i) charge a cover charge or admission fee to any Service Location(s) at the time the Services are being performed or are to be performed; (ii) permit dancing, skating or other similar forms of entertainment or physical activity in conjunction with the performance of the Services; or (iii) insert any commercial announcements into the Services or interrupt any performance of the Services for the making of any commercial announcements.

- (a) Customer shall (i) maintain certain minimum equipment and software to receive the Service (see www.charter-business.com (or the applicable successor URL) for the current specifications); (ii) ensure that any person who has access to the Internet Services through Customer's computer(s), Service Location, facilities or account shall comply with the terms of this Agreement, (iii) be responsible for all charges incurred and all conduct, whether authorized or unauthorized, caused by use of Customer's computers, service locations, facilities or account using the Internet Services.
- (b) **Internet Service Speeds.** Charter shall use commercially reasonable efforts to achieve the Internet speed selected by Customer on the Service Order, however, actual Internet speeds may vary. Many factors affect speed including, without limitation, the number of workstations using a single connection.
- (c) **Electronic Addresses.** All e-mail addresses, e-mail account names, and IP addresses ("**Electronic Addresses**") provided by Charter are the property of Charter. [Customer may not alter, modify, sell, lease, assign, encumber or otherwise tamper with the Electronic Addresses]
- (d) **Changes of Address.** Charter may change addressing schemes, including e-mail and IP addresses.
- (e) **No Liability for Risks of Internet Use.** The Service, Charter's network and the Internet are not secure, and others may access or monitor traffic.
- (f) **No Liability for Purchases.** Customer shall be solely liable and responsible for all fees or charges for online services, products or information. Charter shall have no responsibility to resolve disputes with other vendors.
- (g) **Blocking and Filtering.** Customer assumes all responsibility for providing and configuring any "firewall" or security measures for use with the Service. Except to the extent set forth in the Supplemental Spectrum Business Security Service Section, Charter shall not be responsible in any manner for the effectiveness of these blocking and filtering technologies. Charter does not warrant that others

will be unable to gain access to Customer's computer(s) and/or data even if Customer utilizes blocking and filtering technologies, nor does Charter warrant that the data or files will be free from computer viruses or other harmful components. Charter has no responsibility and assumes no liability for such acts or occurrences.

- (h) **Acceptable Use Policy.** Customer shall comply with the terms of Charter's Acceptable Use Policy ("**AUP**") found at www.charter-business.com (or the applicable successor URL) and that policy is incorporated by reference into this Agreement. Customer represents and warrants that Customer has read the AUP and shall be bound by its terms as they may be amended, revised, replaced, supplemented or otherwise changed from time-to-time by Charter with or without notice to Customer. Charter may suspend Service immediately for any violation of the Charter AUP.
9. **SUPPLEMENTAL SERVICES.** The following Subsections shall only apply in the event the referenced supplemental service has been selected by and are being delivered to Customer. The supplemental services (also "**Services**") may be made up of software and hardware components. Charter shall ensure the supplemental services are operational and updated from time-to-time based on manufacturer-sent updates. Except to the limited extent described in the foregoing sentence, Charter makes no warranties of any kind (express or implied) regarding the supplemental services and hereby disclaims any and all warranties pertaining thereto (including implied warranties of title, noninfringement, merchantability, and fitness for a particular purpose). Charter does not have title to and is not the manufacturer of any software or hardware components of the supplemental services nor is Charter the supplier of any components of such software or hardware. Customer shall return or destroy all software components provided to Customer upon the termination of the applicable Service Order, and in the case of the destruction thereof, shall, upon request, provide Charter with certification that such components have been destroyed. **IN NO EVENT SHALL CHARTER BE LIABLE FOR ANY DAMAGES ARISING FROM THE PERFORMANCE OR NONPERFORMANCE OF ANY SUPPLEMENTAL SERVICES.**
- (a) **Hosting.** This Hosting Service subsection shall only apply if one of Charter's Hosting Services ("**Hosting**") is included as part of the Service in a Service Order under this Agreement. Charter will provide to Customer Hosting Service in accordance with the specifications associated with the plan Customer has selected on the Service Order.
- a) **Hosting Software.** The Hosting Service will permit access to a variety of resources available from selected third parties, including developer tools, communication forums and product information (collectively, "**Hosting Software**"). The Hosting Software, including any updates, enhancements, new features, and/or the addition of any new Web properties, may be subject to and Customer shall comply with applicable product use rights/end user

license agreements between such third parties and Customer. Without abrogating or limiting anything set forth in the Sections: Internet Access Service, this Section, No Third-Party Support, Customer Use or Performance, Charter (not the manufacturer) shall provide technical support for Hosting Service, but version changes of any such software compatibility and/or suitability with any other Customer provided software shall be Customer's responsibility. Customer hereby consents to the disclosure to the provider of Third Party Software, of Customer's name and any other necessary information for the limited purpose of licensing rights. Customer shall not use Hosting Service for or in connection with any high risk use or activity such as aircraft or other modes of human mass transportation, nuclear, or chemical facilities, or Class III medical devices under the Federal Food, Drug, and Cosmetic Act. **COPYING OR REPRODUCTION OF THE HOSTING SOFTWARE TO ANY OTHER SERVER OR LOCATION FOR FURTHER REPRODUCTION OR REDISTRIBUTION IS EXPRESSLY PROHIBITED, UNLESS APPROVED IN WRITING BY CHARTER.**

- b) **Domain Names.** Customer shall be solely responsible for registering for or renewing a desired domain name. Charter does not guarantee that Customer will be able to register or renew a desired domain name.
 - c) **Specification Limitations.** Individual websites may not at any time exceed the Hosting specifications identified on the applicable Service Order. If Customer's Hosting account exceeds the applicable specifications or is adversely impacting Charter's network or server(s), Charter may (i) contact Customer to resolve the issues; or (ii) if Customer has exceeded the then-applicable specifications in any given month, upgrade account on the next available billing cycle to the next service level tier or suspend or terminate the Hosting Service.
- Notwithstanding anything to the contrary, if Customer's use of the Hosting Service is causing an adverse impact on Charter's network or servers, Charter may suspend or terminate the Hosting Service without notice.
- d) **Limitation of Charter-provided Services.** Certain services are not provided by Charter as part of the Hosting Service (e.g., Charter does not provide nor offer webpage creation, development, design or content services).
 - e) **Hosting Fees.** The applicable Service Order sets forth the MSFs for the Hosting Service. Customer is responsible for payment whether or not the hosting platform is used and whether or not it functions properly, unless such failure is caused by Charter.
 - f) **Content Liability and Use Restrictions.** Charter exercises no control over the content of the information passing through Customer's site(s) and it is

Customer's sole responsibility to ensure that Customer and Customer's users use of the Hosting Service complies at all times with all applicable laws and regulations and the AUP. Charter shall have the right to disclose any and all available information collected from Customer to law enforcement authorities upon written request by such authorities. Information that may be disclosed includes IP addresses, account history, and files stored on servers used to provide the Hosting Service. If Customer engages in any of the following prohibited activities, Charter shall have the right to suspend or terminate the Hosting Services and/or this Agreement:

1. The hosting of unlicensed software.
 2. Use of software or files that contain computer viruses or files that may harm user's computers;
 3. Any attempt or actual unauthorized access by Customer or through Customer's equipment to any Charter website or the website of any Charter customer;
 4. The collection or any attempt to collect personally identifiable information of any person or entity without his, her or its express written consent. Customer shall maintain records of any such written consent throughout the term of this Agreement and for three years thereafter;
 5. Any action or inaction which is harmful or potentially harmful to the Charter server structure;
 6. Running a banner exchange, free adult thumbnail gallery post and/or free adult image galleries on your website;] or
 7. Inclusion of sites with material, links, or resources for hacking, phreaking, viruses, or any type of site that promotes or participates in willful harm to Internet sites, users or providers.
- g) **Impositions on Customer's End Users.** Customer is responsible for charging and collecting from its end users any and all applicable taxes. If Customer fails to impose and/or collect any tax from its end users then, as between Charter and Customer, Customer shall be liable for such uncollected tax and any interest and penalty assessed thereon with respect to the uncollected tax. Customer shall indemnify and hold the Charter Indemnified Parties (defined below) harmless for any costs incurred or taxes or fees paid due to actions taken by the applicable taxing authority to collect any such tax from Charter due to Customer's failure to comply with this Section.
 - (b) **CB Security Service – Desktop and Managed.** Charter's managed security service, CB Managed Security, and desktop security service, CB Desktop Security (collectively, "CB Security Service") are each made up of software and hardware components. Charter shall ensure that the selected CB Security Service(s) is/are operational and updated from time-to-time based on manufacturer-

sent updates. Charter is not the manufacturer of any software or hardware components of either Spectrum Business Security Service nor is Charter the supplier of any components of such software or hardware.

- (c) **CB Back-Up Service.** For Charter's data storage service (**CB Back-Up**), Customer shall be assessed applicable OTCs and MSFs which shall be based upon Customer's selection of version retention quantity and storage tier (e.g., five gigabits). The version retention quantity selected specifies the maximum number of separate versions of a document that will be retained (running in sequential order based on the last version created). For example, if Customer has selected "seven" as the version retention quantity, Customer will be able to access the last seven versions of a particular document. In addition to OTCs and MSFs, monthly storage average fees shall apply each month Customer exceeds the respective subscribed storage level. Additional OTCs and MSFs also apply to Customer-requested media and/or professional services.

Charter is not the manufacturer or supplier of any CB Back-Up software components. Customer shall be responsible for updating CB Back-Up from time-to-time based on updates provided by the software manufacturer, and any failure of Customer to perform such updates shall relieve Charter from any responsibility to ensure that CB Back-Up remains operational.

If the functionality of CB Back-Up cannot be maintained by Charter, Charter shall have the right to discontinue providing the Service immediately and Charter shall credit Customer's account for any pre-paid MSFs attributable to the Service, except where such lack of functionality is caused by Customer or any end user gaining access to the Service through Customer's facilities, equipment, or point of access. Customer shall not be relieved of its responsibility to continue to pay for CB Back-Up in the event CB Back-Up does not function properly as a result of Customer's failure to install and configure the software, activate the service or install manufacturer-provided updates. **CUSTOMER UNDERSTANDS AND ACKNOWLEDGES THAT (1) IT IS CUSTOMER'S SOLE RESPONSIBILITY TO CREATE AND RETAIN THE CB BACK-UP PASSWORD THAT IS NECESSARY FOR ACCESS TO ANY DATA STORED VIA THE CB BACK-UP SERVICE AND (2) CHARTER HAS NO ACCESS TO AND DOES NOT KNOW NOR KEEP ANY RECORD OF THE PASSWORD CREATED BY CUSTOMER. FAILURE BY CUSTOMER TO RETAIN CUSTOMER'S CB BACK-UP PASSWORD SHALL RESULT IN COMPLETE LOSS OF ACCESSABILITY TO DATA STORED VIA CB BACK-UP.**

10. **DATA NETWORKING** (aka "DATA TRANSPORT"). Charter will provide Data Networking Services for Customer locations connected over coaxial and/or fiber-optic cable. Connectivity is established between two or more customer end-points under a unique customer topology. Charter will install the coaxial or fiber-optic cable into each Customer site as listed in the Service Order(s). Charter will also supply an edge device at each site that

will be capable of receiving the Service as specified in the Service Order(s).

- a) Charter will terminate fiber-optic cable on a patch panel or provide a coaxial outlet at an agreed upon minimum point of penetration (MPOP) up to 50 feet within each facility (unless otherwise specified in the Service Order). If the hand-off point of the Data Networking Service at Customer's premise exceeds this distance, Customer may be responsible for any additional costs for internal wiring.

- b) Customer will make available to Charter a building ground connection at each location that meets current electrical codes for the placement of a fiber-optic patch panel and/or coaxial outlet. Unless otherwise specified in the applicable Service Order, it is recommended that Customer provide a separate 20 Amp 110V AC circuit for the edge electronics, which is powered by a UPS system. Customer-supplied routing will be necessary for communication between each Service Location.

- c) If Customer has selected "Monitoring" for a Service, Charter shall monitor the Services 24 hours a day, seven days a week. Customer shall contact the Spectrum Business Network Operations Center at 1-866-803-3199 or subsequent number to report Data Networking Service problems. Additional fees may apply for Monitoring over coaxial cable.

- d) In the event Customer is receiving Data Networking Services: Optical Ethernet EP-LAN or EVP-LAN, Charter recommends that the Customer place a router at each ingress/egress point (on Customer's side of the demarcation), which will reduce the number of customer media access control ("MAC") addresses which must be learned by Charter's network (aka "masking") in order to be conveyed. In the event Customer chooses not to place a router on its side of the demarcation, Charter will place limitations on the number of MAC addresses that will be learned by Charter's network and, in circumstances where the customer exceeds these limitations, some Customer network traffic will be denied from entering Charter's network. Additional monthly fees will be applied if the number of MAC addresses on a given EVC (Ethernet Virtual Connection) exceeds 500, and Charter will not allow more than 1000 MAC addresses onto the network.

11. **NO THIRD-PARTY HARDWARE OR SOFTWARE SUPPORT.** Customer is responsible for the installation, repair and use of Customer-supplied third-party hardware and/or software. For purposes of this Agreement the Hosting Software shall be considered third party software. Charter does not support third-party hardware or software supplied by Customer. Any questions concerning third-party hardware or software should be directed to the provider of that product. Charter assumes no liability or responsibility for the installation, maintenance, compatibility or performance of third party software, any Customer-supplied hardware or software with the Services. If such third-party equipment or software impairs the Services, Customer shall remain liable for payments

as agreed (if any) without recourse for credit or prorated refund for the period of impairment. Charter has no responsibility to resolve the difficulties caused by such third-party equipment or software. If, at Customer's request, Charter should attempt to resolve difficulties caused by such third-party equipment or software, such efforts shall be performed at Charter's discretion and at then-current commercial rates and terms.

12. **CUSTOMER USE.** Customer shall not re-sell or re-distribute access to the Service(s) or system capacity, or any part thereof, in any manner without the express prior written consent of Charter. However, for purposes of clarification and only with respect to Access EPL or Access EVPL Services, Customer may use such Service (e.g. Ethernet, point to point, WAN) to append its network as a means of providing its own non-broadband services to its end customers. In any case, Customer shall not offer to any third party any Service delivered under this Agreement as a standalone Service. Customer shall not use or permit third parties to use the Service(s), including the Equipment and software provided by Charter, for any illegal purpose, or to achieve unauthorized access to any computer systems, software, data, or other copyright or patent protected material. Customer shall not interfere with other customers' use of the Equipment or Services or disrupt the Charter Network, backbone, nodes or other Services. Violation of any part of this Section is grounds for immediate Termination of this Agreement and/or all Service Orders in addition to any other rights or remedies Charter may have.

13. **PERFORMANCE.** Charter will use commercially reasonable efforts in keeping with normal industry standards to ensure that the Service is available to Customer 24 hours per day, seven days per week. It is possible, however, that there will be interruptions of Service. The Service may be unavailable from time-to-time either for scheduled or unscheduled maintenance, technical difficulties, or for other reasons beyond Charter's reasonable control. Temporary service interruptions/outages for such reasons, as well as service interruptions/outages caused by Customer, its agents and employees, or by a Force Majeure Event, shall not constitute a failure by Charter to perform its obligations under this Agreement, and Customer will not hold Charter at fault for loss of Customer revenue or lost employee productivity due to Service outages.

14. **DEFAULT; SUSPENSION OF SERVICE; TERMINATION.** No express or implied waiver by Charter of any event of default shall in any way be a waiver of any further subsequent event of default. Nothing herein, including Termination, shall relieve Customer of its obligation to pay Charter all amounts due.

(a) **Default by Customer.** Customer shall be in default under this Agreement if Customer does one or more of the following things (each individually to be considered a separate event of default) and Customer fails to correct each such noncompliance within 30 days of receipt of written notice:

- a) Customer is more than 30 days past due with respect to any payment required hereunder;
- b) Customer otherwise has failed to comply with the terms of this Agreement or any other Service Order(s) incorporated herein.

(b) **Termination for Convenience.** Notwithstanding any other term or provision in this Agreement, Customer shall have the right to terminate a Service Order, or this Agreement in whole or part, at any time during the Service Period upon thirty (30) days prior written notice to Charter, and subject to payment of all outstanding amounts due, any applicable Termination Charges, and the return of any Charter Equipment.

(c) **Charter's Right to Terminate and Termination Charge.** If Customer is in default, Charter shall have the right, at its option, without prior notice, and in addition to any other rights of Charter expressly set forth in this Agreement and any other remedies it may have under applicable law to:

a) Immediately suspend Services to Customer until such time as the underlying noncompliance has been corrected without affecting Customer's on-going obligation to pay Charter any amounts due under this Agreement (e.g., the MSFs) as if such suspension of Services had not taken place;

b) Terminate the Services, this Agreement or the applicable Service Order(s).

If Termination is due to noncompliance by Customer or is elected/done by Customer for convenience, Customer must pay Charter a Termination charge (a "Termination Charge"), which the parties recognize as liquidated damages. This Termination Charge shall be equal to 50% of the unpaid balance of the MSFs that would have been due throughout the remainder of the applicable Service Period plus 100% of (1) the outstanding balance of any and all OTCs plus (2) any and all previously waived OTCs.

(d) **Default by Charter.** Charter shall be in default under this Agreement if Charter fails to comply with the terms of this Agreement and/or any or all of the applicable Service Order(s), and Charter fails to remedy each such noncompliance or occurrence within 30 days of receipt of written notice from Customer describing in reasonable detail the nature, scope and extent of the default or noncompliance.

(e) **Customer's Right to Terminate and Termination Charge.**

a) In the event Customer wishes to terminate a Service without cause, Customer shall be liable for the same Termination Charges as described above.

In addition, if Termination is due to noncompliance by Charter within one year of the applicable Turn-Up Date, Charter shall pay a Termination Charge, which the parties recognize as liquidated damages, equal to a portion of any OTC that has already been paid by Customer to Charter relative to Service at the sites covered by the terminated Service Order. This Termination Charge shall be equal to the product of a) the number of months (including partial months) remaining in the initial 12 months of the Initial Service Period at the time of Termination and b) a ratio in which the numerator is the total of OTCs paid to date and the denominator is 12.
