WHEREAS, the City of Cleburne, Texas (the "City") adopted Ordinance No. OR07-2016-34, designating Tax Reinvestment Zone No. 2016-1 , City of Cleburne (referred to herein as the "Zone") under the provisions Title 3, Subtitle B, of Chapter 312 of V.T.C.A., Tax Code; and

WHEREAS, the City has entered into an agreement ("Agreement") with PAREX USA, INC. (referred to hereinafter as "PAREX USA", as lessee of the taxable real property and owner of the machinery and processing equipment to be installed on said real property for the abatement of ad valorem taxes pursuant to Section 312.204 of V.T.C.A., Tax Code; and

WHEREAS, Johnson County, hereinafter referred to as the County, has determined that the proposed improvements, as described in this Agreement in Exhibit A (incorporated herein by reference) , are to be constructed by PAREX USA, meet the requirements for eligibility for tax abatement under V.T.C.A. Tax Code and the "Ordinance"; and

WHEREAS, it is reasonably likely that this Agreement will contribute to the retention, expansion and creation of primary employment and will attract major investment in the Zone that would be a benefit to property within the Zone and that would contribute to the economic development of the County; and

WHEREAS, the County has determined that the Improvements are practical and are of benefit to the area within the Zone and to the County; and

WHEREAS, Commissioners Court of Johnson County, Texas (the "Commissioners Court") finds that the terms of this Agreement meet the applicable requirements of the Guidelines and Criteria for the Johnson County Tax Abatement Policy Statement, adopted by the Commissioners Court; and

WHEREAS, this Agreement shall become effective upon the approval by Johnson County and the execution of said agreement by both the County and PAREX USA;

NOW, THEREFORE, the parties hereto, for and in consideration of the premises and mutual promises stated herein, agree as follows:

Section 1. The improvements covered under this agreement shall be those placed by PAREX USA into a pre-existing 105,000 square foot building located in the Zone as described by the following legal description; That tract or parcel of land located at 2036 East Henderson, St. Cleburne, Texas, and more particularly described on Exhibit "A" that is attached hereto and incorporated by reference herein for all purposes.

Section 2. PAREX USA desires to expand into a pre-existing building to install equipment to manufacture a building material product. The cost of the proposed improvements is \$4,800,000 and the improvements covered by this agreement are also listed on the attached Exhibit "A". The facility construction will create approximately 25 new jobs. PAREX USA anticipates that the improvements will be completed by January 1, 2017.

Section 3. For purposes of this Agreement:

- (a) the "Abated Property" means the Improvements and the related items of tangible personal property described in Sections 1 and Section 2 hereof,
- (b) the "Effective Date of Abatement" means January 1, 2017; and
- (c) the "Abatement Period" means that period commencing in tax year 2017 and ending in tax year 2019.

Section 4. Subject to the terms and conditions of this Agreement, and subject to the rights of holders of any outstanding bonds of the County, forty percent (40%) of the appraised value for property tax purposes of the Abated Property (to the extent the appraised value of the Abated Property for each year exceeds its value as of January 1, 2016) shall be abated and exempted from taxation for a period of three (3) years beginning with the first day of the Effective Date of Abatement. As a result, said abatement shall result in a reduction by forty percent (40%) of the taxes that would otherwise be assessed upon that portion of the appraised value of the Abated Property that for each year of abatement exceeds its value as of January 1, 2016. It is the intent of the parties that the abatement granted hereby shall extend for a period of three (3) years beginning with the first day of the Effective Date of Abatement, and shall apply only to all Improvements and items of tangible personal property constructed or placed on the Premises that resulted from this expansion. To the extent necessary, it is the intent of the parties that this Agreement shall not be amended to include any additional improvements and items of tangible personal property. A separate tax abatement agreement shall be entered into with respect to any additional property. It is also agreed that if the appraised value of the improvements should fall below \$2,500,001.00 the percent abated will be reduced per the table in the Guidelines and Criteria For Johnson County Tax Abatement Policy.

Section 5.
