

# NOTICE OF 2017 TAX YEAR PROPOSED PROPERTY TAX RATE FOR JOHNSON COUNTY

A tax rate of \$0.472000 per \$100 valuation has been proposed for adoption by the governing body of Johnson County. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of Johnson County proposes to use revenue attributable to the tax rate increase for the purpose of maintaining the services related to growth of the county as presented in the proposed 2017-2018 County Budget.

PROPOSED TAX RATE	\$0.472000 per \$100
PRECEDING YEAR'S TAX RATE	\$0.459738 per \$100
EFFECTIVE TAX RATE	\$0.460564 per \$100
ROLLBACK TAX RATE	\$0.501159 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for Johnson County from the same properties in both the 2016 tax year and the 2017 tax year.

The rollback tax rate is the highest tax rate that Johnson County may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

**YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS  
FOLLOWS:**

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$
