INTRODUCTION

The Department of Public Safety stocks certain forms, manuals, gunshot residue kits, and supplies for the Intoxilyzer Breath Testing Program and the Laboratory Alcohol and Drug Testing Program for all Texas cities and counties. DPS performs this service to facilitate the use of uniform and consistent procedures, paperwork, printed materials, and supplies.

DPS requires certain minimum quantities and packaging in order to be as efficient as possible. The prices will differ between DPS and non-DPS users. The non-DPS users will be charged a slightly higher price to cover administrative and handling expenses and will be required by law to have an Interlocal Cooperation Contract on file with DPS General Services for any printed materials or supply items, such as mouthpieces, alcohol blood test kits, gunshot residue kits, and urine specimen kits.

DPS strongly urges entities to discuss and coordinate all purchases with its local Breath Test Program Technical Supervisor or DPS Headquarters Laboratory Alcohol and Drug Testing Program personnel. These individuals are familiar with the ordering procedure and should be aware of any price changes. Your local Breath Test Program Technical Supervisor or our DPS Laboratory Alcohol and Drug Testing personnel should also be able to advise the purchaser of the quantities of supplies that may be needed.
