Received...Thank you!

You are officially on the books for Module II October 7<sup>th</sup> – 25<sup>th</sup>, 2024. You will receive a confirmation email about 60 days prior.

In the meantime, work on your LWP edits so we can get you final approved and scheduled for a Module III.

If I can help in any way, please reach out.

*Shanna*

Chief Blankenship, I have tentatively scheduled you for LCC Module II from October 28 – November 15, 2024. I have attached the Physical form and a Health Release form. Please get those forms signed and submitted back to me at least 30 days before the Module II start date.

If I can be of any further help, please reach out.

Stay safe,

*Good morning. While reviewing my files I found that I have not received a response to the following email from you. Having the requested information prior to your arrival allows for a smooth start of the program and greatly assists in the planning.*

Dear Module II Class 130,

Texas Woman's University and the staff of the Bill Blackwood Law Enforcement Management Institute of Texas are excited to welcome you to Module II. Our focus in Module II will be on personal wellness and the social, legal, and political environment in which 21<sup>st</sup> Century law enforcement executives must work.

Included in this letter is important information you will need for this module. **Please read the entire email and complete the steps mentioned at the end.** More specific details regarding module scheduling and activities will be made available at a later date.

You will be arriving at the Spring Hill Suites Denton (1434 Centre Place Dr. Denton, TX 76205) on Sunday, October 6<sup>th</sup>. We are asking all participants to arrive on Sunday in preparation of our Monday morning start. Your hotel reservations will be made in advance for you, allowing you a quick and easy check in process once you arrive in Denton.

I would like to take this opportunity to give you some insight into what Module II entails:

- You will be responsible for your own transportation to and from campus/dinners each day. You will be provided with a parking pass to use while parking on the TWU campus.
- Normal class schedule will be Monday – Thursday starting at 8am and ending by 5:30pm. Friday starts at 8am and is released at 12pm. Please be aware there will be some assignments that will require you to work on your own in the evenings.
- While at Module II you will be introduced to a variety of topics designed to stimulate your thinking. Some of the courses you will experience include: The Future of Texas Law Enforcement, American Constitutionalism, Budgeting, Police Culture and Change, as well as several courses that focus on fitness and nutrition.
- There will be many opportunities to participate in fitness classes during our regular scheduled hours and these are required. You will also have access to the TWU fitness center anytime we are not in regular scheduled classes.
- If you have had blood work done recently, we ask that you bring a copy of those results to reference during the health and wellness related courses that will be taught. This is not required but we have found that it can be helpful.

- The dress code for all of the Leadership Command College Modules is "business casual" with jeans being acceptable only on Fridays. LEMIT defines "business casual" as slacks and polo shirts - no sweatshirts, hats, etc.
- You will need to bring your own laptop. The hotel and university offer free Wi-Fi that you will have access to during your stay. Remember to bring your LWP research materials with you to the module if you are not already Final Approved.
- All rooms are private and have mini-fridge, coffee maker, desk, free Wi-Fi internet (code provided), and cable television. The room is yours for the time you are at Module II. You will be responsible for any additional charges to your personal room.
- Texas Woman's University is a tobacco free campus and as guests on the campus you will be asked to respect this policy and forgo the use of all tobacco products during classes and breaks.
- We have contingency plans in place should there be any illness while at Module II that would involve participants using their personal laptops/tablets to connect to Zoom from their hotel room. **If you are bringing a department issued laptop, please communicate with your department to make sure that there will not be an issue connecting to Wi-Fi or Zoom meetings.**

**I would like to ask that you provide some information prior to your arrival at Module II. Please email the following items to me as soon as possible:**

1. **Confirmation of acknowledgement and understanding of email contents.**
2. **Polo shirt size**
3. **Cell phone number**
4. **Any known food allergies or special dietary needs to assist the catering department in planning meals.**
5. **Has there been any significant change in your health since the physical that you submitted?**

**My email is [cfulton@twu.edu](mailto:cfulton@twu.edu).**

**If you should need to reschedule your Module II attendance date please contact Shanna Staley at SHSU at [sls200@SHSU.EDU](mailto:sls200@SHSU.EDU).**

Sincerely,

Cassie Fulton-Withrow
