**BANK DEPOSITORY AGREEMENT**

This Bank Depository Agreement (this "Agreement") is made and entered into effective June 1, 2025 (the "Effective Date"), by and between Johnson County, Texas, ("Depositor") and First Financial Bank, a Texas state banking association ("Bank").

NOW, THEREFORE, for a valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed as follows:

**1. Appointment of Depository and Term.**

Depositor designates Bank as a depository for the period beginning June 1, 2025 and continuing until this Agreement has been canceled in accordance with the provisions hereof, for certain accounts established by Depositor with Bank. The term of this Agreement (the "Term") shall be Four (4) years with 1 possible extension for two (2) years as defined in Depositor's Request for Proposal dated March 18, 2025 (the "RFP") unless the parties mutually agree to an extension of the Term of this Agreement if such extension is allowed by applicable law. If the parties agree to such an extension of the Term, then the parties shall either execute an addendum to this Agreement or other written evidence stating that the parties have agreed to an extension, the statutory or other legal authority for such extension and the date upon which such extension of the Term expires.

During the Term of this Agreement, Depositor will, through appropriate action of its governing body, designate the officer or officers who, individually or jointly, will be authorized to represent and act on behalf of Depositor in any and all matters of every kind arising under this Agreement.

**2. Establishment of Accounts.**

Depositor shall deposit such of its funds as it may choose with Bank, and Bank shall receive such deposits as interest or non-interest bearing demand deposit accounts, limited transaction accounts, and/or time deposit accounts, as designated by Depositor. Each account type is subject to payment in accordance with Bank's terms and conditions for such account type unless varied by an agreement with Depositor.

**3. Depository Services; Depositor Records; Fees.**

Subject to the particular terms and conditions of the account type chosen, Bank shall pay to the order of Depositor upon proper presentation of checks, drafts or vouchers lawfully drawn, all or any portion of the available funds of Depositor on deposit with Bank.

Bank statements, check images, deposit slips, debit and credit notices, notices of interest earned, and any other related documentation, or images thereof, shall be retained by Bank for a period of 7 years after the date of receipt of the items. To the extent permitted by law, Bank shall make all records, books, and supporting documents, or images thereof, pertaining to services applicable to Depositor accounts and transactions pursuant to this Agreement available upon reasonable notice at any reasonable time during

the term of this Agreement, to Depositor and its designated representatives. To the extent permitted by law, Depositor shall have the right to receive copies of any of such documents.

To determine charges for services rendered, Bank may utilize an earnings credit rate on Bank's account analysis system, determined and calculated in a manner specified in Bank's proposal/offer. The Bank's account analysis system is used to calculate and account for all Bank-performed deposit and treasury management service charges. Bank will calculate Depositor's combined average daily collected balances less combined average daily Federal Reserve requirements, and using the earnings credit rate, number of days in the year, and number of days in the month calculate the earnings credit of Bank and use those earnings credit to offset the charges to Depositor of combined services rendered by Bank. In the event there is a charge for services, and the amount of charge for services is not offset by Depositor's earnings credit as described above, Bank will auto-debit Depositor's accounts on a monthly basis. Any interest paid on an account in account analysis that is also receiving earnings credit is considered an expense on the account analysis statement.

Notwithstanding the above paragraph, Bank shall waive all gross or net Account Analysis Fees with the exception of services such as Merchant Services, Lockbox, RemitPlus Express, and Smart Safes, which are billed separately. The County shall also earn interest on all deposited funds at a rate equal to 85% of the average 91 Day T-Bill rate during the prior month with a cap of 3.50%. The interest is accrued daily and paid monthly.

Bank agrees to cover the cost of Remote Deposit Capture check scanners up to \$10,000.00 and will provide checks and deposit slips free of charge provided the order is placed through the Bank's provider.

**4. Security of Funds; Acceptable Security; Appointment of Custodian; Increases in Collateral Amounts.**

All uninsured funds on deposit with Bank to the credit of Depositor shall be secured pursuant to either or both of (i) an Irrevocable Standby Letter of Credit issued by the Federal Home Loan Bank of Dallas for the benefit of Depositor (a "FHLB Letter of Credit") in the form attached hereto as Exhibit A or/and (ii) Bank's Collateral Security Agreement or similar agreement (the "Security Agreement") and any agreement required by Custodian (defined below). In the event of any conflicts between the Security Agreement and this Agreement regarding provisions and topics addressed in both agreements, the provisions of the Security Agreement shall control.

In the event a Security Agreement is used, Depositor and Bank, by execution of this Agreement, designate the custodial bank identified to Depositor by Bank (the "Custodial Bank") as "Custodian," to hold collateral in an account maintained by Custodian in the name of Bank and subject to the terms and conditions of this Agreement, the Security Agreement, and any agreement required by Custodian to document such relationship.

Depositor recognizes that the Federal Deposit Insurance Corporation (or its successor) (the "FDIC") provides insurance for Depositor's funds deposited at any one financial institution, including accrued interest on such funds, only up to maximum regulatory limits as set by the FDIC. All uninsured funds on deposit with Bank to the credit of Depositor shall be secured by collateral as provided for in the Texas Public Funds Collateral Act and in other applicable law. In the event a Security Agreement is

used, Depositor agrees and certifies that the securities listed in Exhibit B to the Security Agreement shall be eligible to be used as collateral to secure Depositor's funds on deposit with Bank consistent with Depositor's collateral policy as such policy has been varied by Depositor's approval and execution of this Agreement. The market value of the collateral securing Depositor's uninsured funds must at all times equal or exceed 103% of the daily ledger balance (amount of funds plus the amount of any accrued interest on the funds) of all Depositor's accounts, less the Credit Amount reflected in a FHLB Letter of Credit, if any, and further, less the total available FDIC standard maximum deposit insurance amount applicable in the aggregate to all funds of Depositor on deposit with or under Bank and credited to Depositor (the "Collateral Requirement"). The market value with respect to any collateral as of any date and priced on such date will be obtained by Bank from a generally recognized pricing source.

When Depositor anticipates the need for collateral with Bank will increase on any given day or over a series of days, Depositor agrees to notify Bank of such anticipated increase at least 1 business day prior to the date the additional deposits are expected to be received.

**5. Delivery of Collateral to Custodian.**

In the event a Security Agreement is used, Bank already has delivered, or will immediately after the Effective Date, identify or deliver to Custodian collateral of the kind and character above mentioned of sufficient market value to provide adequate collateral for the uninsured funds of Depositor deposited with Bank.

**6. Custodian Safekeeping Account.**

In the event a Security Agreement is used, Bank shall cause Custodian to accept said collateral and hold the same in trust for the purposes stated in this Agreement, in a safekeeping account with Custodian to be managed pursuant to the Security Agreement, and the operating agreements, guidelines, and procedures as stated in this Agreement and pursuant to the terms of any separate agreement with Custodian.

**7. Duties and Liabilities of Custodian.**

In the event a Security Agreement is used, it is distinctly understood by all the parties that Custodian shall not be required to ascertain the amount of funds on deposit by Depositor with Bank, nor the validity, authenticity, genuineness, or negotiability of the securities deposited with Custodian by Bank pursuant to this Agreement, and Custodian is not liable to anyone for performing in accordance with this Agreement, except for the safekeeping of securities delivered to Custodian, and for any gross negligence or willful misconduct of Custodian's own officers, agents, and employees.

**8. Right of Depositor Upon Bank's Breach of Duties Under Agreement or Bank's Insolvency.**

To the extent of the available funds of Depositor on deposit with Bank, should Bank fail at any time to pay immediately and satisfy upon proper presentation any check, draft or voucher lawfully drawn upon any demand deposit account, or fail at any time upon proper presentation or authorization to timely pay and satisfy, when due, any check, draft or voucher lawfully drawn against any other account type, or in case Bank becomes insolvent or in any other manner breaches its contract with Depositor, Depositor shall give written notice of such failure, insolvency or breach to Bank, and Bank shall have

10 business days to cure such failure, insolvency or breach. In the event Bank shall fail to cure such failure, insolvency or breach within 10 business days, and in the further event a Security Agreement is used, Bank authorizes Depositor (supported by proper evidence of any of the above listed circumstances) to enforce its security interest and lien in the collateral securing Depositor's funds and to make demand on Custodian to surrender control of such collateral to Depositor. In such event, Depositor may sell, or direct Custodian to sell all or any part of such collateral, and out of the proceeds thereof pay Depositor all losses sustained by it, together with its reasonable expenses incurred as a direct result of such failure, insolvency or breach, accounting to Bank for the remainder, if any, of such proceeds or of the collateral remaining unsold.

**9. Collateral Substitutions by Bank.**

In the event a Security Agreement is used, if Bank shall desire to sell or otherwise dispose of any of such collateral held by Custodian for the benefit of Depositor, it may, with or without prior approval of Depositor, substitute for any of such collateral other collateral of the same market value and of the character authorized in this Agreement, and such right of substitution shall remain in full force and be exercised by Bank as often as it may desire to sell or otherwise dispose of any such collateral; provided, however, that at all times, the aggregate amount of such collateral or substituted collateral held by Custodian for the benefit of Depositor shall always be such that it meets the Collateral Requirement. If at any time the aggregate amount of such collateral held by Custodian for the benefit of Depositor is less than the Collateral Requirement, then in that event, Bank shall immediately identify to or deposit with Custodian additional collateral as may be necessary to meet the Collateral Requirement.

Bank shall be entitled to income on collateral held by Custodian, and Custodian may dispose of such income as directed by Bank without approval of Depositor, to the extent such income is not needed to secure Depositor's deposits, and provided that retention of such income does not otherwise violate this Agreement.

**10. Trust Receipts For Collateral; Depositor's Right To Itemized List of Collateral.**

In the event a Security Agreement is used, Bank shall promptly forward to Depositor trust receipts via regular mail, or other agreed upon electronic means, covering all such collateral held by Custodian for the benefit of Depositor, including collateral substituted in accordance with this Agreement. Bank shall also maintain records relating to all such collateral held for the benefit of Depositor. Upon written request of Depositor, Bank will produce an itemized list of collateral held as security for Depositor.

**11. Collateral Value In Excess of Collateral Requirement.**

In the event a Security Agreement is used, if at any time the collateral held by Custodian for the benefit of Depositor has a market value in excess of the Collateral Requirement, then upon the written authorization of an authorized representative of Bank, confirmed by an authorized representative of Depositor, Bank may request withdrawal of such excess amount of collateral. Custodian shall deliver this amount of collateral (and no more) to Bank, and Custodian shall have no further liability for the collateral so redelivered to Bank.

All substitutions, releases, and additional pledges of collateral pursuant to the terms hereof and of the Security Agreement shall be completed at the earliest time as is commercially reasonable.

**12. Termination; Amendment of Agreement.**

Either Depositor or Bank shall have the right to terminate this Agreement prior to the expiration date by providing the other party with 90 days prior written notice of its election to terminate. This Agreement shall terminate 90 days after delivery of such written notice, provided that all provisions of this Agreement have been fulfilled.

In addition to any other remedy that Depositor may have at law or in equity, if Bank breaches this Agreement in any manner or defaults on its obligations hereunder and does not cure such breach or default within 30 days of Bank receiving notice of such breach or default from Depositor, then after expiration of such 30 day cure period, Depositor may terminate this Agreement and withdraw its funds by giving Bank written notice of termination and withdrawal.

In the event that Depositor fails to comply with any of its promises in this Agreement, or if any of its representations are untrue or any of its warranties is breached, and Depositor does not cure such breach or default within 30 calendar days of Depositor receiving notice of such breach or default from Bank, then after expiration of such 30 calendar day cure period, Bank may terminate this Agreement by sending written notice to Depositor of Bank's decision to terminate. Upon receipt of such notice, Depositor shall make provisions for the immediate withdrawal of Depositor's funds from Bank.

This Agreement may be amended in a writing executed by both Depositor and Bank.

**13. Post-Termination/Expiration Obligations.**

In the event a Security Agreement is used, when the relationship of Depositor and Bank shall have ceased to exist, and when Bank shall have properly paid out all deposits of Depositor, it shall be the duty of Depositor to give Bank an authorization to release the collateral, the form of which shall be reasonably acceptable to Bank and Custodian. Upon Bank's delivery of such authorization to Custodian, Custodian shall release to Bank all collateral then in its possession belonging to Bank to the extent held for the benefit of Depositor. Upon release of such collateral to Bank, as to such collateral, Custodian shall not have any further liability to Depositor or Bank, except for liability as set forth in Section 7 above, where such liability arose while the collateral was in Custodian's control.

**14. Representations and Warranties of the Parties.**

Bank represents and warrants that:

- (a) Bank is the sole legal and actual owner of any securities or of a beneficial interest in any securities utilized to collateralize deposits;
- (b) other than any security interest granted to Depositor herein, no other security interest has been, nor will be, granted in the securities utilized to collateralize deposits;

(c) Depositor will comply with the terms of the Security Agreement, if any, and any other agreements it may have with Bank in connection with this Agreement.

**15. Incorporation of Request For Proposal and Response; Conflicting Provisions.**

The RFP and Bank's response to the RFP (the "Response"), are incorporated into this Agreement by reference. In the event of any conflicts between the RFP and the Response, the provisions of the Response control. In the event of any conflicts between the Response and this Agreement regarding provisions and topics addressed in both documents, the provisions of this Agreement control. In the event of any provisions and topics addressed in the Response and not addressed in this Agreement, the Response controls.

**16. Liability of the Parties.**

Bank's and Depositor's duties and responsibilities to each other are limited as set forth in this Agreement, except with respect to any provisions of the law which cannot be varied or waived by agreement. **TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, NEITHER BANK NOR DEPOSITOR WILL BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES (INCLUDING WITHOUT LIMITATION, LOSS OF REVENUE OR ANTICIPATED PROFITS), OR FOR ANY INDIRECT LOSS THAT THE OTHER PARTY MAY INCUR OR SUFFER IN CONNECTION WITH THE SERVICES PROVIDED HEREUNDER (EVEN IF THE SUCH PARTY HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES), INCLUDING WITHOUT LIMITATION, ATTORNEYS' FEES.**

**17. Invalidity; Severability.**

If any clause or provision of this Agreement is for any reason held to be invalid, illegal, or unenforceable, such holding shall not affect the validity, legality, or enforceability of the remaining clauses or provisions of this Agreement.

**18. Governing Law; Venue.**

Bank and Depositor consent to the jurisdiction of a state district court in Johnson County, Texas or federal district court in Dallas County, Texas in connection with any dispute arising from or relating to this Agreement. **BANK AND DEPOSITOR EACH IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.**

## **SAFEKEEPING AGREEMENT**

THIS SAFEKEEPING AGREEMENT (this "**Agreement**") is entered into to be effective on June 1, 2025 by and between FIRST FINANCIAL BANK, a Texas banking association (the "**Bank**") and JOHNSON COUNTY, TEXAS (the "**Depositor**"). The Bank and Depositor agree that all securities and/or other property deposited with and accepted by Bank (the "Security" or "Securities") shall be governed by the terms and conditions set forth herein, and agree to the following:

### **WITNESSETH:**

The Bank shall establish and maintain a custody account (the "**Account**") for and in the name of the Depositor and hold therein all Securities deposited with or collected by the Bank in its capacity as custodian for the Account. The terms "**Security**" or "**Securities**" shall mean any negotiable or non-negotiable investment instrument(s) commonly known as a security or securities in banking custom or practice, and so long as held by the Bank, all income therefrom and all cash deposited by, or for the account of, the Depositor. The Bank agrees to open the Account and hold all Securities and other property, from time to time, deposited with or collected by the Bank for the Account, subject to the terms and conditions of this Agreement, as the same may be amended from time to time.

### **SECTION 1 ACCEPTANCE OF SECURITIES**

(a) The Bank shall accept delivery from and on behalf of the Depositor such Securities as shall, from time to time, be acceptable to it and shall hold such Securities pursuant to the terms of this Agreement. Any Securities now held by the Bank for the Depositor under a prior safekeeping or custody agreement shall be deemed to have been deposited hereunder. The Bank shall have no responsibility to (i) determine the validity, genuineness or alteration of the Securities or related instruments delivered pursuant to the terms hereof; (ii) review the Securities; or (iii) advise the Depositor of the purchase, retention, sale, exchange, disposition, call for redemption of the Securities or related instruments.

(b) The Bank shall supply to the Depositor from time to time as mutually agreed by the Bank and the Depositor a written statement with respect to all of the Securities held in the Account. In the event that the Depositor does not inform the Bank in writing of any exceptions or objections to such statement within thirty (30) days after receipt of such statement, the Depositor shall be deemed to have approved such statement.

(c) The Bank shall segregate and identify on its books and records as belonging to the Depositor all Securities delivered by or for the account of the Depositor which are held by the Bank in the Account.

(d) The Depositor authorizes the Bank, for any Securities held hereunder, to use the services of any United States central securities depository it deems appropriate where it may hold any of its own securities, including, but not limited to, the Depository Trust Company and the Federal Reserve Book Entry System. The term "*central securities depository*" shall also include any depository service which acts as a custodian of securities in connection with a Safekeeping Agreement

system for the central handling of securities whereby all securities of a particular class or series of any issuer deposited within the system are treated as fungible and may be transferred by bookkeeping entry without physical delivery of security certificates. Placement by the Bank of Securities into a central securities depository or safekeeping facility neither augments nor diminishes the Bank's duties or obligations under any other paragraph of this Agreement, provided that the Bank shall have no liability for the acts or failure to act of any such central securities depository.

(e) The Bank is authorized (in its discretion) to acquire, place, hold, register and re-register the Securities in the name of the Depositor, the Bank or the Bank's nominee unless alternative and acceptable registration instructions are promptly furnished by the Depositor.

## SECTION 2 COLLECTION OF INCOME

The Bank agrees to collect and receive the dividends, interest and other income from the Securities, as directed by the Depositor, and will credit the Depositor's designated deposit account or submit payment directly to Depositor for such items. Charges, if any, will be charged to the Depositor's designated deposit account or, in Bank's sole discretion, billed to Depositor. The Depositor expressly agrees that the Bank will not be liable for failure to perform this service, as it is intended merely as an aid to the Depositor and does not relieve the Depositor of its own duty to keep itself informed of information affecting its own portfolio. The Bank is hereby authorized to sign, on the Depositor's behalf, any declarations, affidavits, certificates of ownership, or other documents which are now or may hereafter be required with respect to coupons, registered interest, dividends or other income on the Securities. **TO THE EXTENT ALLOWED BY TEXAS LAW, THE DEPOSITOR HEREBY AGREES TO REIMBURSE, INDEMNIFY, AND HOLD HARMLESS, THE BANK, ITS OFFICERS, DIRECTORS AND EMPLOYEES FROM ANY LIABILITY, CLAIM, LOSS, DAMAGE OR EXPENSE (INCLUDING ATTORNEYS' FEES AND COURT COSTS) THAT MAY ARISE BY REASON OF THE EXECUTION OF ANY SUCH DOCUMENTS BY THE BANK.**

## SECTION 3 COLLECTION OF PRINCIPAL

The Bank is authorized to collect, receive and receipt for the principal of all Securities when and as the same may mature, be redeemed, or be sold upon the order of the Depositor. The proceeds of such collections, as well as any other principal payments received for any Securities, will be credited to the Depositor's designated deposit account. The Bank will use commercially reasonable efforts to collect the Securities and other property at maturity and at dates of call for payment, but assumes no responsibility for its failure to do so and shall not be obligated to institute or participate in any legal proceedings relative thereto. The Depositor expressly agrees the Bank will not be liable for the insolvency, or default in the payment of principal or interest or in the performance, of the issuer of any Securities.

## **SECTION 4 WITHDRAWAL OF SECURITIES**

In the event the Depositor is an individual, the Securities will be released upon the Bank's receipt of written instructions from the Depositor. In the event the Depositor is an entity, the Securities will be released upon the instructions of an Authorized Representative (as hereafter defined) of Depositor. The Depositor expressly agrees that the Bank shall not be liable for any loss, damage, or liability resulting from the Bank's actions taken in accordance with instructions given to the Bank by the Depositor or Required Number of Authorized Representatives (as hereafter defined). If the Depositor has delivered to the Bank Securities subject to a pledge, such Securities will be released only upon the receipt of (i) a written notice from the Depositor or an Authorized Representative, if requested by Bank, (ii) a written release of the pledgee, and (iii) a certificate of the Depositor certifying that the signature of the pledgee is authorized and authentic.

## **SECTION 5 STANDARD OF CARE**

The Bank shall exercise commercially reasonable care in receiving, holding and handling the Securities. The Bank will exercise commercially reasonable care expected of a professional custodian for hire with respect to the Securities in its possession or control.

## **SECTION 6 DEPOSITOR DUTIES**

(a) In the event the Depositor is an entity, Depositor shall provide the Bank with a written certificate in a form substantially similar to the document attached hereto as Exhibit A containing the name and specimen signatures of each person who is authorized to act and give direction on behalf of the Depositor with respect to the Account (the "**Authorized Representative**") and the number of Authorized Representatives that are required in order to provide written authorization on behalf of the Depositor and/or to amend Exhibit A (each such number specified on Exhibit A is referred to below as the "**Required Number of Authorized Representatives**"). The Bank is authorized to act upon instructions received from the Required Number of Authorized Representatives. The Bank shall be entitled to rely upon such certificate until otherwise notified in writing by Depositor or the Required Number of Authorized Representatives. In addition, the Depositor agrees to hold the Bank harmless and without liability for any claims or losses in connection with any instructions received from the Required Number of Authorized Representatives. Exhibit A may be amended from time to time in whole or in part in accordance with instructions from the Required Number of Authorized Representatives.

(b) The Bank is further authorized to rely upon any written instructions or instructions received by any other means and identified as having been given or authorized by the Authorized Representative(s), provided that the Bank and the Depositor shall have agreed in writing upon the means of transmission and the method of identification for such instructions. Instructions received by any other means shall include verbal instructions, provided that any verbal instruction shall be promptly confirmed in writing. In the event verbal instructions are not subsequently confirmed in

writing, as provided above, the Depositor agrees to hold the Bank harmless and without liability for any claims or losses in connection with such verbal instructions. Notwithstanding the above, instructions for the withdrawal of securities *'free of payment'* shall be given only in writing, and manually signed by any such authorized persons.

(c) In the event that the Bank shall receive conflicting instructions from the Depositor regarding any particular transaction, the Bank shall have no duty to attempt to resolve such conflict; provided, however, the Bank may rely upon the instruction first received by the Bank and the Bank is hereby held harmless from all consequences of such reliance.

## **SECTION 7 BANK DUTIES**

(a) The Bank shall receive or deliver, or shall instruct any other entity authorized to hold Securities hereunder to receive or deliver, Securities and credit or debit the Account, in accordance with written instructions from the Depositor. The Bank or such entity shall also receive in custody all stock dividends, rights and similar securities issued in connection with the Securities held hereunder, shall surrender for payment, in a timely manner, all items maturing or called for redemption and shall take such other action as the Depositor may direct in properly authorized and timely written instructions to the Bank.

(b) All cash received or held by the Bank as custodian or by any entity authorized to hold the Securities hereunder as interest, dividends, proceeds from transfer, and other payments for or with respect to the Securities shall be (i) held in an account, or (ii) in accordance with written instructions received by the Bank, remitted to the Depositor.

(c) During the Bank's regular banking hours and upon receipt of reasonable notice from the Depositor, any officer or employee of the Depositor, any independent accountant(s) selected by the Depositor and any person designated by any regulatory authority having jurisdiction over the Depositor shall be entitled to examine on the Bank's premises, the Securities held by the Bank on its premises, but only upon the Depositor's furnishing the Bank with properly authorized instructions to that effect, provided, such examination shall be consistent with the Bank's obligations of confidentiality to other parties. The Bank's costs and expenses in facilitating such examinations, including but not limited to the cost to the Bank of providing personnel in connection with examinations shall be borne by the Depositor. The Bank shall also, subject to restrictions under applicable law, seek to obtain from any entity with which the Bank maintains the physical possession of any of the Securities in the Account such records of such entity relating to the Account as may be required by the Depositor or its agents in connection with an internal examination by the Depositor of its own affairs. Upon a reasonable request from the Depositor, the Bank shall use its reasonable efforts to furnish to the Depositor such reports (or portions thereof) of the external auditors of each such entity as related directly to such entity's system of internal accounting controls applicable to its duties under its agreement with the Bank.

(d) The Bank will transmit to the Depositor upon receipt, all financial reports, stockholder communications, notices, proxies and proxy soliciting materials received from issuers of the Securities and all information relating to exchange or tender offers received from offerors with respect to the Securities. Proxies will be executed by the registered holder if the registered holder is other than the Depositor, but the manner in which the Securities are to be voted will not be indicated. Specific

instructions regarding proxies will be provided when necessary. The Bank shall not vote any of the Securities or authorize the voting of any Securities or give any consent or take any other action with respect hereto, except as provided herein. The Bank is authorized to accept and open in the Depositor's behalf all mail or communications received by it or directed to its care.

(e) In the event of tender offers, the Depositor shall mail, email or fax instructions to the Bank as to the action to be taken with respect thereto or telephone such instructions to Depositor's account administrator at the Bank, designating such instruction as being related to a tender offer. The Depositor shall deliver to the Bank, by 4:00 p.m., Abilene, Texas time on the following calendar day, written confirmation of such oral instruction. The Depositor shall hold the Bank harmless from any adverse consequences of the Depositor's use of any other method of transmitting instructions relating to a tender offer. The Depositor agrees that if it gives an instruction for the performance of an act on the past permissible date of a period established by the tender offer or for the performance of such act or that it fails to provide next day written confirmation of an oral instruction, the Depositor shall hold the Bank harmless from any adverse consequences of failing to follow said instructions.

(f) The Bank is authorized to accept and open in the Depositor's behalf all mail or communications received by it or directed to its care and upon receipt will transmit such to the Depositor.

(g) The Bank shall promptly notify the Depositor of any calls for redemption, mergers, tenders, consolidations, reorganizations, recapitalizations, or similar proceedings affecting the Securities (other than those Securities registered in the Depositor's name) held in the Account, provided notice of such proceedings appears in standard New York financial publications or a service to which the Bank subscribes. The Bank shall not be liable for late presentation of such items when the Depositor has failed to timely instruct the Bank in writing. Should any Security held in a central securities depository be called for a partial redemption by the issuer of such Security, the Bank is authorized, in its sole discretion, to allot the called portion to the respective holders in any manner it deems fair and equitable.

(h) The Bank shall present all maturing bonds and coupons for collection and is authorized to receive payment of income and principal on other items in accordance with their terms. All funds so collected shall be credited to the Account or remitted in accordance with the instructions of the Depositor.

(i) The Depositor acknowledges and agrees that the Bank shall not be liable for any loss or damage arising out of a cause beyond the Bank's control.

## **SECTION 8 FOREIGN SECURITIES**

The Bank shall not hold Securities which are issued by foreign governments or foreign companies or for which the principal trading market is located outside the United States hereunder. Should the Bank elect to hold such securities, such activities shall be governed by a separate agreement between the Bank and the Depositor.

**SECTION 9  
FEES AND EXPENSES**

(a) The Depositor agrees to promptly pay upon receipt of an invoice from the Bank the fees and expenses set forth therein. The fees and expenses for the services to be rendered under this Agreement have been provided to the Depositor and are incorporated herein for all purposes, and as such may be amended from time to time, effective upon 30 days' prior written notice by the Bank to the Depositor. In addition, if the Bank advances securities to the Depositor for any purpose or in the event that the Bank or its nominee shall incur or be assessed any taxes, charges, expenses, assessments, claims or liabilities in connection with the performance of its duties hereunder, except such as may arise from or be caused by the Bank's or its nominee's gross negligence or willful misconduct, Depositor shall immediately reimburse the Bank, or its nominee, for such advances, taxes, charges, expenses, assessments, claims or liabilities, or replace such Securities.

(b) The Bank may, in its sole discretion, advance funds on behalf of the Depositor which results in an overdraft if the monies held in the Account are insufficient to pay the total amount payable upon purchase of Securities as instructed. Any such overdrafts shall be deemed to be a loan made by the Bank to the Depositor payable promptly upon demand and bearing interest at the Bank's prime rate plus two percent per annum from the date incurred. Notwithstanding anything contained in this Agreement to the contrary, the Bank shall have no obligation to advance funds on behalf of the Depositor.

(c) The Bank shall have a lien on the Securities in the Account to secure payment of such fees and expenses, taxes, advances and other charges incurred under this Section 9. The Depositor agrees that the Bank's lien shall be a continuing lien and security interest in and on any Securities at any time held by or through it in accordance with this Agreement, for the benefit of the Depositor or in which the Depositor may have an interest which is then in the Bank's possession or control or in possession or control of any third party acting on the Bank's behalf. Upon failure by the Depositor to cure any overdraft amounts, or to reimburse the Bank promptly after the request for payment, the Bank may immediately and without further notice dispose of Securities to the extent necessary to obtain reimbursement. The Bank shall have all of the rights and remedies of a secured creditor under the Uniform Commercial Code as in effect in State of Texas from time to time with respect to the Securities.

(d) The Bank is hereby authorized to charge the Depositor's designated deposit account for all fees and charges incurred or assessed hereunder.

**SECTION 10  
INVESTMENT RESPONSIBILITY**

Unless otherwise agreed in writing by the Depositor and the Bank, the Bank is under no duty to (i) advise the Depositor relative to the investment, purchase, retention, sale, or other disposition of any Securities held hereunder; (ii) supervise the Depositor's investments, purchases or sales; (iii) invest, or see to the investment of, any cash proceeds or other cash deposited hereunder and held by the Bank; or (iv) determine whether any investment or sale made for the Account by Depositor is made in conformity with Depositor's requirements or understandings. The Bank's duties hereunder are strictly ministerial in nature and are limited to those duties expressly

set forth in this Agreement. Nothing in this Agreement shall be construed to impose fiduciary responsibilities on the Bank.

## SECTION 11 LIMITATION OF LIABILITY & INDEMNIFICATION

The Bank undertakes to perform such duties and only such duties as are specifically set forth in this Agreement, it being expressly understood that there are no implied duties hereunder. In addition to other provisions of this Agreement, the Depositor agrees that the Bank (a) will be responsible only for the exercise of reasonable commercial standards of the banking business; (b) will not be liable for any loss or damage to the Securities when such loss or damage is due to any cause other than failure to exercise reasonable commercial standards, and in any event will not be liable for any decline in the market value of the Securities; (c) will not be considered an insurer against risk of loss, damage, destruction or decline in market value of the Securities; and (d) will not have liability to the Depositor with respect to the services rendered by the Bank pursuant to this Agreement until such time as the Securities are actually delivered to the Bank, it being understood and agreed that the Depositor bears the risk of loss with respect to shipment and delivery of the Securities to the Bank. **IN NO EVENT SHALL THE BANK BE LIABLE, DIRECTLY OR INDIRECTLY, FOR ANY (I) DAMAGES OR EXPENSES ARISING OUT OF THE SERVICES PROVIDED HEREUNDER OTHER THAN DAMAGES WHICH RESULT FROM THE BANK'S FAILURE TO ACT IN GOOD FAITH OR IN ACCORDANCE WITH THE REASONABLE COMMERCIAL STANDARDS OF THE BANKING BUSINESS OR (H) SPECIAL OR CONSEQUENTIAL DAMAGES, EVEN IF THE BANK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**

In addition to any and all rights of reimbursement, indemnification, subrogation, or any other rights pursuant hereto or under law or equity, the Depositor hereby agrees, to the extent permitted by Texas law, to indemnify and hold harmless the Bank and its officers, directors, employees, agents, affiliates, subsidiaries, and parent companies (the "**indemnified parties**") from and against any and all claims, damages, losses, liabilities, costs, or expenses whatsoever (including attorneys' fees and court costs) which they may incur (or which may be claimed against them by any person or entity whatsoever) by reason of or in connection with (a) any untrue statement or alleged untrue statement of any material fact contained or incorporated by reference in the information supplied by the Depositor to the Bank or its nominee in connection with the performance of their duties under this Agreement or the related documents, or the omission or alleged omission to state in such information a material fact necessary to make such statements, in the light of circumstance under which they are or were made, not misleading; (b) any instruction given by the Depositor to the Bank under this Agreement; or (c) the execution and delivery of this Agreement.

If any proceeding shall be brought or threatened against any indemnified party by reason of or in connection with the events described in clauses (a) through (c) above, such indemnified party shall promptly notify the Depositor in writing and the Depositor shall assume the defense thereof, including the employment of counsel satisfactory to such indemnified party and the payment of all costs of litigation. Notwithstanding the preceding sentence, such indemnified party shall have the right to employ its own counsel and to determine its own defense of such action in any such case, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the employment of such counsel shall have been authorized in writing

by the Depositor or (ii) the Depositor, after due notice of the action, shall not have employed counsel to have charge of such defense, in either of which events the reasonable fees and expenses of counsel for such indemnified party shall be borne by the Depositor. The Depositor shall not be liable for any settlement of any such action effected without its consent. Nothing under this section is intended to limit the Depositor's payment obligations contained elsewhere in this Agreement. This section shall survive the termination of this Agreement.

## **SECTION 12 BANK POWER OF ATTORNEY**

In addition to other rights granted to the Bank pursuant to the terms of this Agreement, the Bank is authorized and empowered in the name of and on behalf of the Depositor to execute any certificates of ownership or other instruments which are or may hereafter be required by any regulations of the United States or any state or political subdivision thereof, so that the Bank may fulfill its obligations hereunder as required in connection with any Securities.

## **SECTION 13 AMENDMENTS**

Except as otherwise provided hereby, the parties may make amendments to this Agreement from time to time, provided that any such amendment shall be reduced to writing and signed by both parties.

## **SECTION 14 SUCCESSORS & ASSIGNS**

This Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the respective parties hereto.

## **SECTION 15 COMPLETENESS OF AGREEMENT**

This Agreement, along with a copy of the fee schedule, as may be amended from time to time in writing by Bank and Depositor, and together with the Bank Depository Agreement and the Collateral Security Agreement constitute the full and complete agreement between the Bank and the Depositor, and no other understandings or agreement, whether written or oral shall bind either of the parties hereto. The headings of Sections of this Agreement are for the convenience only and have no effect on a party's responsibilities or liabilities.

## **SECTION 16 GOVERNING LAW**

This Agreement shall be governed by the applicable laws of the State of Texas.

## **SECTION 17 TERMINATION**

This Agreement may be terminated by either Depositor or the Bank upon at least ninety (90) days prior written notice to the other. The Depositor shall have a period of ninety (90) days from the date of the last and final accounting provided by the Bank to make any objection or claim, and failure to do so within the ninety (90) day period shall be deemed by the parties hereto to constitute accord and satisfaction. As soon as practicable following the termination of this Agreement, the Bank shall deliver all Securities to the Depositor in accordance with the Depositor's written instructions.

## **SECTION 18 NOTICES**

Other than communications between Depositor and Bank that are specifically provided for herein, any notice to be given or to be served upon any party hereto in connection with this Agreement must be in writing, and shall be given by certified or registered mail, facsimile transmission ("fax") or express courier and shall be deemed to have been given and received twenty-four (24) hours after a postage prepaid, is deposited in the United States mail. Pursuant to the terms and provisions of this Agreement, Bank hereby grants a security interest in and a pledge of Eligible Collateral to secure the timely payment of the Uninsured Deposits pursuant to the Depository Agreement.

NOW, THEREFORE, in consideration of the forgoing, and other valuable considerations, the receipt and sufficiency of which are hereby acknowledged, it is agreed as follows:

1. **Definitions.** Except as otherwise expressly defined in this Agreement, all terms used herein which are defined in the Uniform Commercial Code as in effect from time to time in Texas (the "Code") have the same meaning as in the Code. All other terms capitalized but not defined herein or in the Code have the meanings assigned to them in the Depository Agreement.

"Eligible Collateral" shall mean any Securities of the types enumerated in the Schedule of Eligible Collateral (which types are in compliance with Depositor's collateral policy as verified by Depositor's approval and execution of this Agreement) attached hereto as Exhibit A, as such exhibit may be amended from time to time pursuant to a written amendment signed by each of the parties to this Agreement, and any Proceeds of such Securities.

"Market Value" shall mean: (i) with respect to any Security held in the Account, the market value of such Security as made available to Bank or Custodian by a generally recognized source selected by Bank or Custodian, plus, if not reflected in the market value, any accrued interest on such Security, or, if such source does not make available a market value, the market value shall be as determined by Custodian or Bank in its sole discretion based on information furnished to Custodian or Bank by one or more brokers or dealers; and (ii) with respect to any cash held in the Account, the face amount of such cash.

"Written Instructions" shall mean written communications actually received by Bank or Custodian from an Authorized Person or from a person reasonably believed by Bank or Custodian to be an Authorized Person.

## **2. Security Requirement.**

- (a) To secure the timely payment of Uninsured Deposits made by Depositor, Bank has identified to or deposited with Custodian certain Securities as more fully described in the initial confirmation or Trust Receipt delivered by Custodian to Bank and Depositor, and if delivered only to Bank, delivered by Bank to Depositor. Pursuant to the Code, Custodian shall act as a bailee or agent of Depositor and, to the extent not inconsistent with such duties, shall hold Securities as a securities intermediary (as such term is defined in Chapter 8 of the Code) in accordance with the provisions of this Agreement, the Depository Agreement, and of any agreement entered into with Custodian further governing the provision of security by Bank for Uninsured Deposits.
- (b)
  - (i) To secure the timely payment of Uninsured Deposits made by Depositor with Bank, Bank agrees to identify to Custodian, or to deliver or cause to be delivered to Custodian for transfer to the Account, Eligible Collateral having a Market Value equal or greater than the Collateral Requirement.
  - (ii) If the Market Value of such Eligible Collateral on any Business Day is less than the Collateral Requirement for such day, Bank shall be required to identify or deliver to Custodian additional Eligible Collateral having a Market Value equal to or greater than such deficiency as soon as possible, but no later than the close of business of Custodian on the Business Day on which Bank determined such deficiency. If on any Business Day, the aggregate Market Value of the Eligible Collateral provided pursuant to this Agreement exceeds the Collateral Requirement for such day, Custodian shall, at the direction of Bank and with the approval of the Authorized Person acting on behalf of Depositor, transfer from the Account to or for the benefit of Bank, Eligible Collateral having a Market Value no greater than such excess amount.
  - (iii) When additional Eligible Collateral is required to cover incremental Deposits, Bank must receive the request for collateral one (1) Business Day prior to the Business Day the incremental Deposits are received, and Bank shall be required to identify or deliver to Custodian additional Eligible Collateral having a Market Value equal to or greater than the deficiency on the Business Day the incremental Deposits are received.
- (c) For any changes made to the Eligible Collateral held in the Account due to releases, substitutions or additions of Eligible Collateral, Custodian shall update its records of the Account accordingly and promptly issue a Trust Receipt to Bank and Depositor, and if delivered only to Bank, said Trust Receipt shall be delivered by Bank to Depositor.
- (d) Bank shall be entitled to income on Securities held by Custodian in the Account, and Custodian may dispose of such income as directed by Bank without approval of Depositor, to the extent such income is not needed to meet the Collateral Requirement.

**3. Custody of Securities.** The parties agree that all Securities held in the Account shall be treated as financial assets. For purposes of the Code, the security interest granted by Bank in the Eligible Collateral for the benefit of Depositor is created, attaches, and is perfected for all purposes under Texas law from the time Custodian identifies the pledge of Eligible Collateral to Depositor and issues a Trust Receipt for such Eligible Collateral. The security interest of Depositor in the Collateral shall terminate upon the transfer of such Collateral from the Account.

**4. Delivery of Securities.** Bank and Depositor agree that the Collateral identified or delivered to Custodian to be held in the Account may be in the form of credits to the accounts of Custodian in the Book Entry System.

Bank acknowledges that to the extent permitted by law, the records of Bank and/or Custodian with respect to the pledge of Eligible Collateral as described in this Agreement: (a) may be inspected by Depositor or by the Texas Comptroller of Public Accounts (the "Comptroller"), at any time during regular business hours of Bank or Custodian; (b) such records may be subject to audit or inspection at any time pursuant to Sections 2257.025 and 2257.061 of the Texas Government Code, as amended; and (c) reports must be filed by Custodian with the Comptroller when requested by Comptroller.

**5. Collection of Securities.** If Depositor certifies in writing to Custodian that (a) Bank is in default under this Agreement or the Depository Agreement, and (b) Depositor has satisfied any notice or other requirement to which Depositor is subject pursuant to the Depository Agreement, then Depositor may, subject to the provisions of Sections 8 and 9, give Custodian and any appointed receiver Written Instructions to transfer the value of the Collateral (up to the amount that Depositor has in its depository account(s) with Bank as of the date of such default) to an account or accounts controlled by Depositor, and to cease releasing to an account of Bank any Proceeds reflecting the income on Securities in the Account as provided in Section 2(d).

**6. Representation and Warranties.**

- (a) **Representations of Bank.** Bank represents and warrants, which representations and warranties shall be deemed to be continuing, that:
- (i) this Agreement has been authorized by Bank's Board of Directors, and such authorization is evidenced by a resolution of Bank's Board of Directors adopted at a duly called meeting;
  - (ii) this Agreement has been legally and validly entered into and is enforceable against Bank in accordance with its terms;
  - (iii) this Agreement and the pledge of Eligible Collateral under this Agreement do not violate or contravene the terms of Bank's charter documents, by-laws, or any agreement or instrument binding on Bank or its property, or any statute or regulation applicable to Bank;

  - (vii) this Agreement was executed by an officer of Bank who was authorized by Bank's Board of Directors to do so;
  - (viii) Bank is a bank duly authorized to do business in the State of Texas; and
  - (ix) all acts, conditions, and things required to exist, happen or to be performed on its part precedent to and in the execution and delivery of this Agreement by it exist or have happened or have been performed.
- (b) Representations of Depositor. Depositor represents and warrants, which representations and warranties shall be deemed to be continuing, that:
- (i) this Agreement has been legally and validly entered into, has been approved by Depositor's governing body, and does not and will not violate any statute or regulation applicable to it and is enforceable against Depositor in accordance with its terms;
  - (ii) the appointment of Custodian has been duly authorized by Depositor and this Agreement was executed by an officer of Depositor duly authorized to do so;
  - (iii) (A) all Securities identified on the Schedule of Eligible Collateral, attached hereto as Exhibit A may be used to secure the timely payment of Depositor's Uninsured Deposits under applicable statutes and regulations, (B) the Collateral Requirement meets the requirements of such applicable statutes and regulations, (C) the governing board of Depositor has approved a collateral policy which as verified by Depositor's approval and execution of this Agreement authorizes all such Securities to be used as Eligible Collateral, and (D) such collateral policy complies with all applicable statutes and regulations;
  - (iv) it will not sell, transfer, assign, convey, pledge, or otherwise dispose in whole or in part its interests in or the rights with respect to the Collateral, except as permitted under the provisions of this Agreement;

(v) all approvals, acts, conditions, and things required to exist, happen, or to be performed on its part precedent to and in the execution and delivery of this Agreement exist or have happened or have been performed; and

(vi) Depositor will comply with the terms of any other agreements it may have with Bank in connection with this Agreement.

**7. Continuing Agreement.** This Agreement shall continue and remain in full force and effect and shall be binding upon Bank and its successors and assigns until such time as (a) all Deposits have been paid in full to Depositor or otherwise paid as instructed by Depositor, and (b) the Depository Agreement is no longer in effect.

**8. Rights and Remedies of Depositor.** Depositor's rights and remedies with respect to the Collateral shall be those of a secured party under the Code and under any other applicable law, as the same may from time to time be in effect, in addition to those rights granted in this Agreement, in the Depository Agreement, and in any other agreement in effect between Bank and Depositor. Depositor agrees to provide Bank and Custodian with reasonable notice of the sale, disposition, or other intended action subject to the provisions of this Agreement in connection with the Collateral, whether required by the Code or otherwise.

**9. Application of Proceeds by Depositor.** In the event Depositor, or Custodian on Depositor's behalf, sells or otherwise disposes of the Collateral in the course of exercising the remedies provided for in this Agreement, any amounts held, realized or received by or on behalf of Depositor pursuant to the provisions of this Agreement, including the proceeds of the sale, in whole or in part, of any of the Collateral, shall be applied first toward the payment of any costs and expenses incurred by or on behalf of Depositor (a) in enforcing this Agreement, (b) in realizing on selling, disposing or protecting any Collateral and (c) in enforcing or collecting any Deposits, including attorneys' fees, and then toward payment of the Deposits in such order or manner as Depositor may elect. **Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9).

**Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

*If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.*

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

**Note:** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

## What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

**Note: ITIN applicant:** Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

### Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

### Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

## Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

## Line 6

Enter your city, state, and ZIP code.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note:** See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at [www.SSA.gov](http://www.SSA.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/Businesses](http://www.irs.gov/Businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. Go to [www.irs.gov/Forms](http://www.irs.gov/Forms) to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to [www.irs.gov/OrderForms](http://www.irs.gov/OrderForms) to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note:** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.**

You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.**

You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

**Secure Your Tax Records From Identity Theft**

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.**

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at [spam@uce.gov](mailto:spam@uce.gov) or report them at [www.ftc.gov/complaint](http://www.ftc.gov/complaint). You can contact the FTC at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see [www.IdentityTheft.gov](http://www.IdentityTheft.gov) and Pub. 5027.

### **Scope of Work**

**SCOPE OF WORK**

First Financial Bank has a long history of serving businesses and public entities in the State of Texas. We currently serve Johnson County and its staff with depository services and it is our desire to continue serving the County without interruption.

First Financial is proud of our history and proven record of service to customers and to the communities in which we operate. For the past 9 years, First Financial has conducted an annual *Day of Service*. Last year on October 7, 2024 over 1,300 employees state wide provided assistance and performed services in 30 locations across First Financial’s footprint. Projects included meal preparation and delivery, landscaping and painting, visiting homebound individuals and continued education through the Bank’s Elder Financial Exploitation Prevention Program. This event has become a tradition and one of the highlights of the year.

First Financial and its employees are committed to investing in their communities by living and working in an area they love and by filling positions on boards of directors of various non-profit organizations.

The following topics provide the specifications and are in direct response to the topics in the County’s RFP:

**GOOD FAITH GUARANTEE: Depository Bid Only** – Bank must submit with the Bid Worksheet a certified cashier’s check for **\$650,000** (one-half of the one percent of the County’s audited revenue for 2023; LGC 116.023, and one –half of one per cent of the average daily balances of the County and District Clerks’ Trust Accounts; LGC 117.021) payable to Johnson County as a guarantee of good faith. The check will be held by the County until the Depository Bank is selected and the securities have been pledged.

**AMOUNT TO BE PLEDGED:** The initial amount of securities to be pledged against Johnson County funds shall be adequate to fully collateralize the funds of Johnson County according to the laws of the State of Texas and shall continuously remain as such. At the time of execution of the depository contract, this amount is expected to be between **\$25,000,000.00 and \$30,000,000.00**. These securities are to cover funds belonging to the County, funds deposited by the Tax Assessor-collector, Johnson County Community Supervision and Trust Funds controlled by the County Clerk and the District Clerk. The amount is subject to change as deposits fluctuate, peaking during tax season, November throughout the end of February. Changes in the amount of securities pledged require the approval of the Johnson County Treasurer and/or County Auditor. Securities pledged must be held at a Third Party bank approved by the Commissioner’s Court or at the Federal Reserve Bank, Dallas, Texas in Johnson County’s Public Funds Collateral Account.

If selected as Depository, vendor shall agree to provide, within fifteen (15) days: Pledged securities in the amount provided by law under Texas LGC, Sec. 116.054, but limited to United States Government Bonds, Notes and Bills; United States Agencies; Federal Housing Administration Bonds; Federal National Mortgage Association Bonds; and Municipal Securities bearing Moody’s “AA” or better rating. The pledged securities apply not only to County operating Funds, but also to any trust funds in which the County Clerk and/or District Clerk of Johnson County have duties.

The bank must be the true and legal owner of all securities to be pledged to the County. The securities must be free and clear of all liens, claims or pledges for any other purpose. The County will not accept any security acquired by the bank under a repurchase agreement.

As stated in Code Section 116.023, “**if a bank is selected as a depository and does not provide the required bond, the County shall retain the amount of the check as liquidated damages.**”

**COLLATERAL:** Within fifteen (15) days after the selection of the Depository Bank(s), the bank(s) so selected shall qualify thereof as provided by law. The Johnson County Commissioners Court has selected the Irrevocable Standby Letter of Credit and/or the securities pledge contract provided for under Texas Local Government Code Ann. Chapter 116, as the method of securing the funds of the County. The County believes that the most effective form of collateral will likely be a combination of the Irrevocable Standby Letter of Credit from the Federal Home Loan Bank and Securities. Each applicant should include a description of the collateral it would propose. The bank(s) selected as Depository Bank will execute within the time prescribed by law (1) a securities pledge contract accompanied by securities as hereinafter specified, or (2) an Irrevocable Standby Letter of Credit issued by a Federal Home Loan Bank as allowed under The Public Funds Investment Act, Section 2256.009, or (3) both such securities pledge contract and Irrevocable Standby Letter of Credit. If both such securities pledge contract and Irrevocable Standby Letter of Credit are executed, the applicant will maintain, at all times during the term of the depository contract, the value of the pledged securities plus the amount of the Irrevocable Standby Letter in an aggregate equal to, or in excess of the amount of deposits. Whenever there shall accrue to the County funds in the County Depository in excess of the amount of securities and/or Irrevocable Standby Letter so pledged, the Depository Bank(s) shall immediately pledge additional securities and/or Irrevocable Standby Letter in an amount sufficient to secure the increased deposits. When the County funds in a depository shall be reduced below the amount of the Irrevocable Standby Letter and/or securities pledged, the Depository Bank(s) may withdraw such excess.

Pledged securities shall be in the amount and of the kind prescribed by law under Texas Local Government Code Ann. Chapter 116, and must be acceptable to Johnson County. Collateral shall consist of United States Treasury Bills, Notes or Bonds, any United States Agency security and/or Federal Home Loan Bank Irrevocable Standby Letter.

In compliance with Government Code, Section 2257.104 and to compensate for increases or decreases in County deposits and fluctuation of market value of pledged collateral, the minimum market values of collateral shall be 103% of County deposits.

Adjustable Rate Mortgage (ARMs) and Collateralized Mortgage Obligations (CMOs) are not acceptable.

The depository pledge contract shall be on a form prescribed by the Commissioners Court and shall contain conditions as provided under Texas Local Government Code Ann. Chapter 116. The securities so pledged shall be deposited in the Federal Reserve Bank without expense to the County under an appropriate contract to be drawn conformable to the provisions of Texas Local Government Code Ann. Chapter 116 and amendments thereto, and in accordance with the application, if approved. If an Irrevocable Standby Letter is used it will be issued by the Federal Home Loan Bank.

Pursuant to Texas Local Government Code Ann. §116.060 to the extent that deposits of County Funds are insured under the provision of 12 U.S.C.A. Section 1811-1832, no Irrevocable Standby Letter of Credit or security for such deposits shall be required.

**First Financial Bank will meet the requirements to collateralize funds in excess of the FDIC insurance limit with high quality Bank-owned investment securities that are in compliance with the Texas Public Funds Collateral Act, Chapter 2257. First Financial Bank will monitor balances daily and add securities as needed to collateralize funds at 103% of County funds held on deposit. First Financial Bank will deliver a detailed monthly report itemizing the securities held on behalf of Johnson County. As new securities are added a Pledge Notice will be delivered.**

**First Financial Bank currently has Federal Home Loan Bank Leers of Credit to meet the collateral requirements and will continue to do so during the next contract term. Federal Home Loan Bank LOC allows the bank to collateralize with a line of credit backed by the Federal Home Loan Bank**

**Public Fund Entity Benefits:**

- 1 **Payment on presentment without court action.**
- 1 **Fixed and defined values**
- 1 **High credit quality (AAA / AA+)**

**However, if the Bank needs to pledge securities on behalf of Johnson County, the investment securities pledged as collateral will be securities issued and guaranteed by Government-Sponsored Agencies; such as Federal National Mortgage Association (“FNMA”) and the Federal Home Loan Mortgage Corporation (“FHLMC”).**

**Frost Bank of San Antonio serves as the Bank’s third party custodian of all bank owned securities. Frost will provide Pledge Notices for each security pledged on behalf of Johnson County.**

**We encourage the County to maintain an open line of communication enabling the Bank to adjust pledged securities when large deposits are expected.**

**Behind Tab 6, we have included samples of the Pledge Notice and the Authorization to Release Pledged Securities.**

**INVESTMENTS MADE OUTSIDE DEPOSITORY:** Johnson County reserves the right to make external investments according to the Laws of the State of Texas and the Investment Policy of Johnson County.

In compliance with Govt. Code 2256.005 of the Public Funds Investment Act, all offers will be required to comply with Johnson County Investment Policy and execute an “Agreement in Principal” (AIP) with the County. In addition to addressing the requirements of this notice to offertory, vendors are certainly encouraged to propose alternative approaches that may further enhance operational or financial success.

**First Financial Bank understands the County may exercise the option to purchase investments outside of the depository contract. First Financial Bank offers Safekeeping Services for our public entities that require custodial services.**

First Financial Bank will provide delivery instructions to the County to provide to brokers. When the County purchases of a new security through its broker, First Financial Bank will settle the transaction. A Safekeeping receipt will be delivered to the County.

A sample Safekeeping Agreement is provided behind Tab 6 along with a sample Safekeeping Report and Receipt.

**INTEREST AND INTEREST RATE:** Variable interest rate bids and fixed interest rate bids on accounts and certificates of deposit shall be quoted by the Bank. Johnson County reserves the right to select the rate most favorable to the County any time during the term of the contract, subject to banking laws.

First Financial Bank offers a full range of investment options from Interest Bearing Checking Accounts and Savings Accounts to Certificates of Deposit with varying maturity dates.

First Financial Bank is proposing interest bearing checking accounts to Johnson County earning interest at a rate equal to **85% of the 4 week average 91 Day T-Bill rate during the prior month with a cap of 3.50%.**

**INTEREST BEARING ACCOUNTS:** Johnson County will have accounts established under these specifications for disbursing checks. Wire transfers, ACH transfers, internal bank transfers, deposits and/or remote deposits will also be made from these accounts. These accounts may vary during the duration of the contract, and accounts may be added, changed, and/or closed as the need arises with notice to the bank.

First Financial Bank will work with the County to open and close accounts as needed. First Financial Bank will also structure the accounts following the County's direction.

First Financial Bank is proposing an interest rate equal to **85% of the average 91 Day T-Bill rate during the prior month with a cap of 3.50%** for all interest-bearing checking accounts.

**MERCHANT SERVICES:** The Depository Bank will process taxpayer credit or debit card payment transactions upon request of the County. The Depository Bank must offer a merchant service program that will automatically handle the convenience fee whereas the County is not assessed any monthly interchange fees associated with processing of credit and debit card transactions.

**PAYMENT OF SERVICES:** Bank will specify fees required for services. Banking services not detailed on the Bid Worksheet will be provided at no cost to the County.

Upon award and at the start of the new contract period, , First Financial Bank will **WAIVE Account Analysis Fees** with the exception of services such as Merchant Services, Lockbox, RemitPlus Express, and Smart Safes, which are billed separately. This eliminates the flat monthly fee of \$500 under the previous contract. Johnson County will **earn interest on all deposited funds at a rate equal to 85% of the average 91 Day T-Bill rate during the prior month with a cap of 3.50%**. - d. earnings allowance
- e. daily average float
- f. reserve requirements
- g. monthly volumes by type

**A sample account analysis format must be provided as part of the bid.**

First Financial Bank will prepare and account analysis statement for all transactional accounts not earning interest. The County will receive individual account statements as well as a consolidated statement to combine balances enabling the County to benefit from compensating balances to offset bank service charges on all accounts. The County can maintain balances sufficient to compensate the bank for all or a portion of the bank service charges. The County can set a peg balance in the non-interest bearing transactional account to maintain compensating balances at a specific amount. Automatic transfers will move balances above the peg balance to an interest-bearing account.

**We will work with the County to structure the accounts to provide the County maximum benefit by reducing fees and maximum earnings on excess balances.**

**Account Analysis statements are published around the 15<sup>th</sup> of each month. A sample Account Analysis statement is provided behind Tab 5.**

**STATEMENTS:** Monthly account statements will be provided with all corresponding checks, debit and credit memos, and/or optical images of the front and back of checks, debit and credit memos, deposited items, etc. The statement shall, at a minimum, include the number of checks, deposits and deposit items posted, daily ledger balances, average daily ledger balance for the month, average daily collected balance for the month and other items on which charges are based. Such statements shall be provided within five (5) working days after calendar month-end.

**Monthly statements detailing all debit and credit transactions are prepared for all accounts, and will be available in Online Banking on the morning following the statement drop, which is the last business day of the month. Statements will reflect activity by the calendar month. Statements are mailed the day they drop. eStatements are also available within online banking and can be downloadable in PDF format and are available to the County within three (3) days after the statement drops.**

**First Financial Bank offers the ability to download up to 7 years of statement images as well as the front and back images of all paid items using our eStatement ISO file. eStatement ISO is a feature within our Business Online Banking service. Two authorized users can be set up to access eStatement ISO. Users can select one statement date or a range of dates. The file can be stored on the user's local PC or saved to a network location available to the user. The monthly fee for eStatement ISO is \$15.00 per month or included in the selected Treasury Package. \*\***

**DAYLIGHT OVERDRAFT PROVISIONS:** The RFP should include any Bank policy regarding daylight overdraft charges and/or handling fees.

**First Financial Bank does not assess an overdraft fee when a balance falls into a negative position during the business day. By 3:00PM on each business day, First Financial Bank will provide the County with the inclearing items that will post with night processing. By monitoring account balances the County can review items and transfer funds by 11:00PM to fund an account that is underfunded at the end of the day.**

**CASH OVERDRAFTS:** For the purposes of determining cash overdrafts, the daily cash balance in all County accounts will be added together and if a negative balance occurs, the County's account is considered to be over-drafted. An applicable insufficient funds fee may then be charged in the analysis.

**First Financial Bank will contact the County in the event an account is overdrawn. The County will have the opportunity to transfer funds from another account or make a deposit. At the present time, overdrafts are assessed by account. In the event an account is insufficient, the overdraft fee will be charged through the analysis system.**

**STOP PAYMENTS:** The Bank shall offer Stop Payment services through online access for the County Treasurer and/or their assignee and the Tax Assessor-Collector and/or their assignee for Tax Assessor-Collector accounts. The Bank shall be required to process stop payments on verbal instructions from

the County Treasurer and/or their assignee and the Tax Assessor- Collector and/or their assignee for Tax Assessor-Collector accounts with follow-up written confirmation.

**Those authorized by the County can initiate Stop Payment orders using Online Banking. The system will accommodate two layers of approval if the County requires dual control. Stop Payments placed online are immediately active and do not require written follow up.**

**The County can also provide Stop Payment instructions verbally. The Stop Payment order will be applied immediately; however, verbal Stop Payment order require written follow up within 14 days of the verbal order.**

**STALE DATED CHECKS:** The Bank will agree not to honor stale dated checks on Johnson County accounts that are not endorsed by the County, as acceptable, after the County has delivered to the Bank an approved canceled list from the records of Commissioners' Court.

**First Financial Bank's Positive Pay system can screen checks for stale dates. The success is dependent up the County providing a list of issued checks or entering checks manually into the Positive Pay system. When a check is presented for payment that is beyond 180 days or the number of days the County specifies for stale dated checks, the check will be flagged as an Exception with the reason of Stale Date. An email alert is sent to those designated by the County whenever there are Exceptions. There emails are sent 2 times in the morning (the second email is sent for exceptions not yet worked) at 8:00 AM and at 12:00 PM. Authorized users will connect to the Positive Pay system, review the Exception and make a Pay or Return decision.**

**The County can determine the number of days a check will be honored. Our Positive Pay system interacts with our teller system. If a check is presented at the teller line and it cannot be validated in the Positive Pay system, the teller will not pay the item and is instructed to refer the payee to the County.**

**PAYROLL DIRECT DEPOSIT:** Bank must provide the capability for the County to utilize "Direct Deposit" payroll processing, allowing employees to select the bank of their choice, and the option to pay utilizing a Payroll Card, if the County were to mandate all County employees to use Direct Deposit Pay.

**First Financial Bank offers ACH Origination services for Direct Deposit payroll. Employees can bank anywhere in the United States and receive their payroll funds timely, securely, and reliably. Since the County banks with First Financial, there is no interruption, setting changes or changes to make for payroll to arrive in employees' accounts.**

**The County's payroll system creates an electronic file of ACH entries which is easily uploaded. We require a NACHA formatted file to arrive no later than 5:00PM just one business day before the effective date, which is payday. The effective date must be a banking day. Our system also supports the ability to create ACH entries manually.**

**If the County elects to require Direct Deposit for all employees, First Financial Bank offers a Payroll Card.**

#### **PAYROLL CARDS**

**First Financial Bank offers Payroll Cards branded by MasterCard. Payroll Cards are issued to employees that cannot qualify for a traditional checking account or do not want an account. The**

**Payroll Card becomes the employees “checkless checking” account and the continued use of the card is NOT dependent upon employment by the County. A Payroll Card cardholder can receive Direct Deposit from other employers, and Direct Deposits, such as income tax refunds. Payroll Cards become an excellent employee benefit as they provide secure and timely delivery of payroll funds as well as extended purchasing power for cardholders. Payroll Cards are an excellent solution to achieve 100% participation in Direct Deposit payroll reducing the exposure of the County’s bank account number. ACH TRANSACTION:** Bank must provide for acceptance of Automated Clearing House (ACH) credits and debits. Bank is required to provide detailed information of any and all ACH transactions.

**First Financial Bank will accept ACH credits and debits on behalf of the County and apply the payments to the appropriate County accounts on the effective date specified with the entry. We will also provide payment detail, called Electronic Data Interchange or EDI, that travels with the ACH entry provided the originator. We will deliver the detail on the same day the payment arrives.**

**If the County desires to stop certain payments, such as ACH WEB entries initiated online, our Positive Pay system can filter ACH entries based on the County’s direction and apply only those allowed. If a new ACH payment is presented an Exception is created for the County to consider for a Pay/Return decision and to add the new entry as an approved transaction.**

**Whenever an originator includes payment detail with an ACH entry, such as invoice detail, it is called Electronic Data Interchange or EDI. We deliver EDI information as a text document or electronically based on the County’s preference. It is delivered on the same day the electronic payment arrives.**

**A completed EDI request form lets us know to whom we should deliver the EDI data and the accounts to monitor for EDI. A sample EDI Request Form is provided behind Tab 8.**

**WIRE TRANSFERS:** Bank must provide the ability to send wire transfers on an automated and/or manual basis; and also provide the ability to receive wire transfers. Bank must provide the ability to restrict outgoing wire transfers (debits) to only those authorized.

**First Financial Bank offers Wire Transfer services for those authorized by the County. Dual control is highly recommended. One person will draft the transaction while a second user logs in and approves the transfer. Approvers are required to enter a bank provided token to authenticate the payment.**

**Wire Transfers can be initiated through Online Banking, or in person by those with proper authority. The Online Banking system enables users to save Wire Transfer templates for recurring wire transfers. The deadline for sending a wire through Online Banking is 4:30 PM. A wire initiated at any First Financial Bank location must be completed by 3:30 PM.**

**Incoming Wire Transfers are posted upon arrival. First Financial Bank can also deliver email notifications to designated County staff for both incoming and outgoing Wire Transfers.**

**STANDARD DISBURSEMENT SERVICES:** Standard disbursing services for all accounts are required to include the payment of all County checks upon presentation.

**As a full service bank, First Financial Bank provides all standard disbursement services. Authorized County users can view front and back images of all paid items through Online Banking. First Financial Bank will pay items drawn on the Bank upon presentment provided proper identification is presented.**

**Employees presenting payroll checks for cashing will not be charged provided the County is participating in Positive Pay.**

**POSITIVE PAY:** Bank will provide a means for the County to upload disbursed check information that will be compared to checks that are presented to the Bank for clearing. Any discrepancies shall be cleared by an authorized County employee before checks are paid by the Bank. Any applicable costs shall be quoted.

**Positive Pay is a partnership with the County to help control and detect check fraud. First Financial Bank encourages all businesses to subscribe to Positive Pay. The effectiveness of Positive Pay is dependent upon the County providing information about all issued checks. At a minimum, we need to know the check number and dollar amount of each issued check. By adding Payee Name match, the County can detect whenever a payee name has been altered. Our Positive Pay system is easy to use and does not require a special format. We can accept an Excel file, a Comma Separated Value (CSV) file, or fixed width file with the check number, amount, and ideally the payee name. When checks are presented for payment whether through our inclearing files or through the teller line, we will match the check data against the County's list of issued items. If a check doesn't match the County's check data, it will be considered an exception.**

**Email notifications are sent to those designated by the County whenever there are Exceptions. The first notification is sent by 8:00AM and a reminder email is sent at Noon if Exceptions have not been cleared. All Exceptions must be cleared by 2:00PM otherwise the Bank will return the Exception Item.**

**ACH Block and ACH Filter services are also managed through the Positive Pay system. The County can choose to block all ACH activity by Standard Entry Class Code (SEC), such as internet initiated payments under the WEB SEC code, or allow specific ACH entries by adding Company IDs (required with all ACH entries) to a white list. As with check Exceptions, blocked ACH entries or entries other than those in the white list will be exceptions and presented for a pay or return decision.**

**We highly encourage the use of Positive Pay as it adds a layer of security for County's funds by monitoring check and ACH activity. A Positive Pay User Guide, including screen shots, is provided behind Tab 7. Our Positive Pay service is included in our Treasury Management Services Master Agreement behind Tab 8.**

**Positive Pay is included in the cost of our Treasury Management platform and run through Account Analysis, which will be waived for Johnson County. If the Bank needs to return an Exception Item after the 2:00PM deadline, there is a \$2.00 per item cost which is also run through Account Analysis.**

**REMOTE CHECK SCANNERS: Bank will need to provide a remote check scanner to each department that accepts and deposits checks. At this time, it is estimated to need about 15 scanners.**

**First Financial Bank will provide scanners and cover the cost of those scanners up to \$10,000, which should either cover or come close to covering all 15 scanners.**

**Our remote deposit system is called SmartPay Manager and is comprised of various products: Remote Deposit Complete (RDC), Mobile Remote Deposit Complete (mRDC), and Remote Deposit Now (RDN).**

**Remote Deposit Complete (RDC)** removes the need for companies and public entities to balance their batches, input misread check amounts, or fix MICR line misreads. The County would be able to simply scan checks and provide a control total. On the back end, any items that are unable to be read by the system will be keyed and balanced against the control total. **Mobile Remote Deposit Complete (mRDC)** is a companion tool to RDC and will allow the County to make deposits via their mobile device. Items will still be balanced on the back end even when away from the remote deposit scanner and PC.

**Remote Deposit Now (RDN)** is an option for companies and public entities who need strict control over their items, have rigorous accounting requirements, or just prefer to balance their own items. The County may prefer this product to maintain control totals of County deposits. With RDN the County must be able to do their own balancing, MICR line adjustments, and item amount adjustments.

Deposits are delivered electronically eliminating the need to come to the Bank to make check deposits. Once the checks arrive at the Bank, they are processed and clear the same way checks are delivered to a teller window at the branch.

**STANDARD DEPOSIT SERVICES:** The Bank will guarantee immediate credit on all wire transfers, ACH transactions and Government checks upon receipt and all other checks based on the Bank's availability schedule. All deposits received before the Bank's established deadline will be credited daily.

**First Financial Bank provides same day credit, next day availability. In some unusual cases, we may delay the ability to withdraw funds beyond the next business day. Then, the funds will be available according to the guidelines of Federal Regulation CC. Incoming funds from Wire Transfers, ACH, U.S. Treasury checks and cash are immediately available.**

**First Financial Bank accepts deposits at any branch or motorbank location during hours of operation as same day credit. Deposits made at an ATM by 8:00 PM on any banking day will be considered that day's deposit. Check deposits delivered electronically through Remote Deposit by 7:00 PM on any banking day for same day credit.**

**Fund transfers made in Online Banking until 11:59PM on any banking day will be considered that day's business.**

**ACCOUNT RECONCILIATION:** The County requires a monthly bank account reconciliation plan for all accounts (See Appendix I). If available or on request, the Bank will provide a magnetic tape or CD-Disc of all checks that have cleared all County accounts. This tape or CD shall be in a format that is compatible with the County's reconciliation program.

**First Financial Bank's robust online banking system provides those authorized 24-hour access to at least 60 days of transaction history and at least 18 months of statements. Fund transfers are completed in a few clicks, including wire transfers. Our mobile banking solution provides convenient and immediate access to balance information as well as funds transfers including the ability to approve wires. An automated voice response system provides information by phone. An Online Banking Guide and Wire Transfer Guide is provided behind Tab 7. An Online Banking Authorization Form, used to add new users or modify existing users, is provided with the Service Agreements behind Tab 8.**

Reconciliation may be simplified with the ability to import transaction history in a variety of formats. Transaction history can be filtered and downloaded in formats compatible with Excel and QuickBooks using our Online Banking System. Our Positive Pay system offers paid item, issued item, and outstanding item reports that are easily downloaded into Excel. The system is also capable of exporting in BAI2 format, a common format accepted by many accounting systems for reconciliation.

In addition to immediate access to account activity, First Financial Bank can provide images of statements, paid items, and deposits on a CD for archival and easy retrieval. It's an excellent research tool and resource for auditors. A request form is provided behind Tab 8.

**AUTOMATIC OVERNIGHT INVESTMENT FACILITY:** It is requested that funds in all accounts be pooled and automatically invested on an overnight or weekend basis. The Bank will allocate the pro-rated share of total interest to each account based on each account's balance.

First Financial Bank is proposing interest bearing checking accounts as an investment option for the County. The benefit is the funds remain liquid and can be moved manually or as a prearranged automated sweep. We are proposing an interest rate equal to **85% of the 4 week average 91 Day T-Bill rate during the prior month with a cap of 3.50%**. Interest is accrued daily and paid monthly.

**CASH MANAGEMENT:** The County will require cash management advice on updated and recent developments in cash management procedures and products as they become available.

First Financial Bank is privileged to have Andrea Smiddy-Schlagel, our Executive Vice President of Treasury Management and LOB Manager, and Meg Romano, our Senior Vice President a Sales Manager, on staff. Andrea is a Certified Financial Professional and manages a Team of quality Treasury Management professionals. First Financial Bank welcomes the opportunity to meet with the County to discuss options to help deliver efficiencies to the County, maximize earnings and reduce expenses. First Financial Bank continually works with its providers to update systems and stay abreast of new developments that benefit our customers.

Vendors are invited to propose additional cash management services that are not specified herein.

**EXPENSE ALLOWANCE:** State the dollar amount, if any, the Bank will be willing to provide for expenses incurred due to changing depository banks. (For example: checks, deposit slips, endorsement stamps)

First Financial Bank is currently serving the County with Depository services, therefore, daily operations would continue in the new contract without interruption and without expenses as well as training on systems when moving to a new financial institution. One expense allowance has been outlined in this proposal however. First Financial Bank is offering a credit of up to \$10,000 to cover or help cover the cost of up to 15 new RDC Scanners.

**OTHER SERVICES:** As described on the Bid Worksheet, the Bank will acknowledge services provided and attendant fees for such.

**RemitPlus Express and RemitCentral**

Recently, we introduced RemitPlus Express, which is a web-hosted solution to scan both checks and payment coupons in a single pass. Check deposits are delivered to the bank electronically and the payment information, such as account number and payment amount, is extracted in a separate file. The payment file is customized to import into the County's accounting system to post the payments.

RemitCentral compliments RemitPlus Express. RemitCentral gathers payment information from bill payment service providers for Johnson County receivables. The funds are delivered electronically and the payment detail is delivered through RemitCentral reducing the number of paper checks. After paper checks are scanned in RemitPlus Express, a menu option is selected to import the electronic payment detail from RemitCentral into a single accounts receivable file in order to apply all payment credits electronically.

This process expedites the payment posting and bank deposit process. RemitPlus Express is very cost effective solution. The cost is \$200 per month for one workstation with additional workstations added at \$50 each. The per item cost is \$0.10 which is applied to every item scanned in RemitExpress Plus and imported through RemitCentral. In addition to the application and per item cost, the scanner is sold separately. RemitCentral is billed separately and not included in the flat monthly fee option.

## **BANK DEPOSITORY AGREEMENT**

This Bank Depository Agreement (this “Agreement”), is made and entered into effective June 1, 2025 (the “Effective Date”), by and between Johnson County (“Depositor”) and First Financial Bank, a Texas state banking association (“Bank”).

NOW, THEREFORE, for a valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed as follows:

### **1. Appointment of Depository and Term.**

Depositor designates Bank as a depository for the period beginning June 1, 2025 and continuing until this Agreement has been canceled in accordance with the provisions hereof, for certain accounts established by Depositor with Bank. The term of this Agreement (the “Term”) shall be Four (4) years with 1 possible extension for two (2) years as defined in Depositor’s Request for Proposal dated March 18, 2025 (the “RFP”), unless the parties mutually agree to an extension of the Term of this Agreement, if such extension is allowed by applicable law. If the parties agree to such an extension of the Term, then the parties shall either execute an addendum to this Agreement or other written evidence stating that the parties have agreed to an extension, the statutory or other legal authority for such extension and the date upon which such extension of the Term expires.

During the Term of this Agreement, Depositor will, through appropriate action of its governing body, designate the officer or officers who, individually or jointly, will be authorized to represent and act on behalf of Depositor in any and all matters of every kind arising under this Agreement.

### **2. Establishment of Accounts.**

Depositor shall deposit such of its funds as it may choose with Bank, and Bank shall receive such deposits as interest or non-interest bearing demand deposit accounts, limited transaction accounts, and/or time deposit accounts, as designated by Depositor. Each account type is subject to payment in accordance with Bank’s terms and conditions for such account type unless varied by an agreement with Depositor.

### **3. Depository Services; Depositor Records; Fees.**

Subject to the particular terms and conditions of the account type chosen, Bank shall pay to the order of Depositor upon proper presentation of checks, drafts or vouchers lawfully drawn, all or any portion of the available funds of Depositor on deposit with Bank.

Bank statements, check images, deposit slips, debit and credit notices, notices of interest earned, and any other related documentation, or images thereof, shall be retained by Bank for a period of 7 years after the date of receipt of the items. To the extent permitted by law, Bank shall make all records, books, and supporting documents, or images thereof, pertaining to services applicable to Depositor accounts and transactions pursuant to this

Agreement available upon reasonable notice at any reasonable time during the term of this Agreement, to Depositor and its designated representatives. To the extent permitted by law, Depositor shall have the right to receive copies of any of such documents.

To determine charges for services rendered, Bank may utilize an earnings credit rate on Bank's account analysis system, determined and calculated in a manner specified in Bank's proposal/offer. The Bank's account analysis system is used to calculate and account for all Bank-performed deposit and treasury management service charges. Bank will calculate Depositor's combined average daily collected balances less combined average daily Federal Reserve requirements, and using the earnings credit rate, number of days in the year, and number of days in the month calculate the earnings credit of Bank and use those earnings credit to offset the charges to Depositor of combined services rendered by Bank. In the event there is a charge for services, and the amount of charge for services is not offset by Depositor's earnings credit as described above, Bank will auto-debit Depositor's accounts on a monthly basis. Any interest paid on an account in account analysis that is also receiving earnings credit is considered an expense on the account analysis statement.

**4. Security of Funds; Acceptable Security; Appointment of Custodian; Increases in Collateral Amounts.**

All uninsured funds on deposit with Bank to the credit of Depositor shall be secured pursuant to either or both of (i) an Irrevocable Standby Letter of Credit issued by the Federal Home Loan Bank of Dallas for the benefit of Depositor (a "FHLB Letter of Credit") in the form attached hereto as Exhibit A, or/and (ii) Bank's Collateral Security Agreement or similar agreement (the "Security Agreement") and any agreement required by Custodian (defined below). In the event of any conflicts between the Security Agreement and this Agreement regarding provisions and topics addressed in both agreements, the provisions of the Security Agreement shall control.

In the event a Security Agreement is used, Depositor and Bank, by execution of this Agreement, designate the custodial bank identified to Depositor by Bank (the "Custodial Bank") as "Custodian," to hold collateral in an account maintained by Custodian in the name of Bank and subject to the terms and conditions of this Agreement, the Security Agreement, and any agreement required by Custodian to document such relationship.

Depositor recognizes that the Federal Deposit Insurance Corporation (or its successor) (the "FDIC") provides insurance for Depositor's funds deposited at any one financial institution, including accrued interest on such funds, only up to maximum regulatory limits as set by the FDIC. All uninsured funds on deposit with Bank to the credit of Depositor shall be secured by collateral as provided for in the Texas Public Funds Collateral Act and in other applicable law. In the event a Security Agreement is used, Depositor agrees and certifies that the securities listed in Exhibit B to the Security Agreement shall be eligible to be used as collateral to secure Depositor's funds on deposit with Bank consistent with Depositor's collateral policy as such policy has been varied by

Depositor's approval and execution of this Agreement. The market value of the collateral securing Depositor's uninsured funds must at all times equal or exceed 103% of the daily ledger balance (amount of funds plus the amount of any accrued interest on the funds) of all Depositor's accounts, less the Credit Amount reflected in a FHLB Letter of Credit, if any, and further, less the total available FDIC standard maximum deposit insurance amount applicable in the aggregate to all funds of Depositor on deposit with or under Bank and credited to Depositor (the "Collateral Requirement"). The market value with respect to any collateral as of any date and priced on such date will be obtained by Bank from a generally recognized pricing source.

When Depositor anticipates the need for collateral with Bank will increase on any given day or over a series of days, Depositor agrees to notify Bank of such anticipated increase at least 1 business day prior to the date the additional deposits are expected to be received.

**5. Delivery of Collateral to Custodian.**

In the event a Security Agreement is used, Bank already has delivered, or will immediately after the Effective Date, identify or deliver to Custodian collateral of the kind and character above mentioned of sufficient market value to provide adequate collateral for the uninsured funds of Depositor deposited with Bank.

**6. Custodian Safekeeping Account.**

In the event a Security Agreement is used, Bank shall cause Custodian to accept said collateral and hold the same in trust for the purposes stated in this Agreement, in a safekeeping account with Custodian to be managed pursuant to the Security Agreement, and the operating agreements, guidelines, and procedures as stated in this Agreement and pursuant to the terms of any separate agreement with Custodian.

**7. Duties and Liabilities of Custodian.**

In the event a Security Agreement is used, it is distinctly understood by all the parties that Custodian shall not be required to ascertain the amount of funds on deposit by Depositor with Bank, nor the validity, authenticity, genuineness, or negotiability of the securities deposited with Custodian by Bank pursuant to this Agreement, and Custodian is not liable to anyone for performing in accordance with this Agreement, except for the safekeeping of securities delivered to Custodian, and for any gross negligence or willful misconduct of Custodian's own officers, agents, and employees.

**8. Right of Depositor Upon Bank's Breach of Duties Under Agreement or Bank's Insolvency.**

To the extent of the available funds of Depositor on deposit with Bank, should Bank fail at any time to pay immediately and satisfy upon proper presentation any check, draft or voucher lawfully drawn upon any demand deposit account, or fail at any time upon proper presentation or authorization to timely pay and satisfy, when due, any check, draft

or voucher lawfully drawn against any other account type, or in case Bank becomes insolvent or in any other manner breaches its contract with Depositor, Depositor shall give written notice of such failure, insolvency or breach to Bank, and Bank shall have 10 business days to cure such failure, insolvency or breach. In the event Bank shall fail to cure such failure, insolvency or breach within 10 business days, and in the further event a Security Agreement is used, Bank authorizes Depositor (supported by proper evidence of any of the above listed circumstances) to enforce its security interest and lien in the collateral securing Depositor's funds and to make demand on Custodian to surrender control of such collateral to Depositor. In such event, Depositor may sell, or direct Custodian to sell all or any part of such collateral, and out of the proceeds thereof pay Depositor all losses sustained by it, together with its reasonable expenses incurred as a direct result of such failure, insolvency or breach, accounting to Bank for the remainder, if any, of such proceeds or of the collateral remaining unsold.

**9. Collateral Substitutions by Bank.**

In the event a Security Agreement is used, if Bank shall desire to sell or otherwise dispose of any of such collateral held by Custodian for the benefit of Depositor, it may, with or without prior approval of Depositor, substitute for any of such collateral other collateral of the same market value and of the character authorized in this Agreement, and such right of substitution shall remain in full force and be exercised by Bank as often as it may desire to sell or otherwise dispose of any such collateral; provided, however, that at all times, the aggregate amount of such collateral or substituted collateral held by Custodian for the benefit of Depositor shall always be such that it meets the Collateral Requirement. If at any time the aggregate amount of such collateral held by Custodian for the benefit of Depositor is less than the Collateral Requirement, then in that event, Bank shall immediately identify to or deposit with Custodian additional collateral as may be necessary to meet the Collateral Requirement.

Bank shall be entitled to income on collateral held by Custodian, and Custodian may dispose of such income as directed by Bank without approval of Depositor, to the extent such income is not needed to secure Depositor's deposits, and provided that retention of such income does not otherwise violate this Agreement.

**10. Trust Receipts For Collateral; Depositor's Right To Itemized List of Collateral.**

In the event a Security Agreement is used, Bank shall promptly forward to Depositor trust receipts via regular mail, or other agreed upon electronic means, covering all such collateral held by Custodian for the benefit of Depositor, including collateral substituted in accordance with this Agreement. Bank shall also maintain records relating to all such collateral held for the benefit of Depositor. Upon written request of Depositor, Bank will produce an itemized list of collateral held as security for Depositor.

**11. Collateral Value In Excess of Collateral Requirement.**

In the event a Security Agreement is used, if at any time the collateral held by Custodian for the benefit of Depositor has a market value in excess of the Collateral Requirement, then upon the written authorization of an authorized representative of Bank, confirmed by an authorized representative of Depositor, Bank may request withdrawal of such excess amount of collateral, Custodian shall deliver this amount of collateral (and no more) to Bank, and Custodian shall have no further liability for the collateral so redelivered to Bank.

All substitutions, releases, and additional pledges of collateral pursuant to the terms hereof and of the Security Agreement shall be completed at the earliest time as is commercially reasonable.

**12. Termination; Amendment of Agreement.**

Either Depositor or Bank shall have the right to terminate this Agreement prior to the expiration date by providing the other party with 90 days prior written notice of its election to terminate. This Agreement shall terminate 90 days after delivery of such written notice, provided that all provisions of this Agreement have been fulfilled.

In addition to any other remedy that Depositor may have at law or in equity, if Bank breaches this Agreement in any manner or defaults on its obligations hereunder and does not cure such breach or default within 30 days of Bank receiving notice of such breach or default from Depositor, then after expiration of such 30 day cure period, Depositor may terminate this Agreement and withdraw its funds by giving Bank written notice of termination and withdrawal.

In the event that Depositor fails to comply with any of its promises in this Agreement, or if any of its representations are untrue or any of its warranties is breached, and Depositor does not cure such breach or default within 30 calendar days of Depositor receiving notice of such breach or default from Bank, then after expiration of such 30 calendar day cure period, Bank may terminate this Agreement by sending written notice to Depositor of Bank's decision to terminate. Upon receipt of such notice, Depositor shall make provisions for the immediate withdrawal of Depositor's funds from Bank.

This Agreement may be amended in a writing executed by both Depositor and Bank.

**13. Post-Termination/Expiration Obligations.**

In the event a Security Agreement is used, when the relationship of Depositor and Bank shall have ceased to exist, and when Bank shall have properly paid out all deposits of Depositor, it shall be the duty of Depositor to give Bank an authorization to release the collateral, the form of which shall be reasonably acceptable to Bank and Custodian. Upon Bank's delivery of such authorization to Custodian, Custodian shall release to Bank all

collateral then in its possession belonging to Bank to the extent held for the benefit of Depositor. Upon release of such collateral to Bank, as to such collateral, Custodian shall not have any further liability to Depositor or Bank, except for liability as set forth in Section 7 above, where such liability arose while the collateral was in Custodian's control.

**14. Representations and Warranties of the Parties.**

Bank represents and warrants that:

- (a) Bank is the sole legal and actual owner of any securities or of a beneficial interest in any securities utilized to collateralize deposits;
- (b) other than any security interest granted to Depositor herein, no other security interest has been, nor will be, granted in the securities utilized to collateralize deposits;

- (b) all acts, conditions, and things required to exist, happen, or to be performed on Depositor's part precedent to and in the execution and delivery of this Agreement exist or have happened or have been performed; and
- (c) Depositor will comply with the terms of the Security Agreement, if any, and any other agreements it may have with Bank in connection with this Agreement.

**15. Incorporation of Request For Proposal and Response; Conflicting Provisions.**

The RFP and Bank's response to the RFP (the "Response"), are incorporated into this Agreement by reference. In the event of any conflicts between the RFP and the Response, the provisions of the Response control. In the event of any conflicts between the Response and this Agreement regarding provisions and topics addressed in both documents, the provisions of this Agreement control. **17. Invalidity; Severability.**

If any clause or provision of this Agreement is for any reason held to be invalid, illegal, or unenforceable, such holding shall not affect the validity, legality, or enforceability of the remaining clauses or provisions of this Agreement.

Bank and Depositor consent to the non-exclusive jurisdiction of a state or federal court situated in Taylor County, Texas, in connection with any dispute arising from or relating to this Agreement. Bank and Depositor irrevocably waive, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of venue of any such proceeding brought in such a court and any claim that such proceeding brought in such a court has been brought in an inconvenient forum. **BANK AND DEPOSITOR EACH IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.**

Pursuant to the Code, Custodian shall act as a bailee or agent of Depositor and, to the extent not inconsistent with such duties, shall hold Securities as a securities intermediary (as such term is defined in Chapter 8 of the Code) in accordance with the provisions of this Agreement, the Depository Agreement, and of any agreement entered into with Custodian further governing the provision of security by Bank for Uninsured Deposits.

(ii) If the Market Value of such Eligible Collateral on any Business Day is less than the Collateral Requirement for such day, Bank shall be required to identify or deliver to Custodian additional Eligible Collateral having a Market Value equal to or greater than such deficiency as soon as possible, but no later than the close of business of Custodian on the Business Day on which Bank determined such deficiency. For purposes of the Code, the security interest granted by Bank in the Eligible Collateral for the benefit of Depositor is created, attaches, and is perfected for all purposes under Texas law from the time Custodian identifies the pledge of Eligible Collateral to Depositor and issues a Trust Receipt for such Eligible Collateral. The security interest of Depositor in the Collateral shall terminate upon the transfer of such Collateral from the Account.

4. **Delivery of Securities.** Bank and Depositor agree that the Collateral identified or delivered to Custodian to be held in the Account may be in the form of credits to the accounts of Custodian in the Book Entry System.

5. **Collection of Securities.** If Depositor certifies in writing to Custodian that (a) Bank is in default under this Agreement or the Depository Agreement, and (b) Depositor has satisfied any notice or other requirement to which Depositor is subject pursuant to the Depository Agreement, then Depositor may, subject to the provisions of Sections 8 and 9, give Custodian and any appointed receiver Written Instructions to transfer the value of the Collateral (up to the amount that Depositor has in its depository account(s) with Bank as of the date of such default) to an account or accounts controlled by Depositor, and to cease releasing to an account of Bank any Proceeds reflecting the income on Securities in the Account as provided in Section 2(d).

6. **Representation and Warranties.**

- (a) **Representations of Bank.** Bank represents and warrants, which representations and warranties shall be deemed to be continuing, that:

  - (vii) this Agreement was executed by an officer of Bank who was authorized by Bank's Board of Directors to do so;
  - (viii) Bank is a bank duly authorized to do business in the State of Texas; and
  - (ix) all acts, conditions, and things required to exist, happen or to be performed on its part precedent to and in the execution and delivery of this Agreement by it exist or have happened or have been performed.
- (b) Representations of Depositor. Depositor represents and warrants, which representations and warranties shall be deemed to be continuing, that:
- (i) this Agreement has been legally and validly entered into, has been approved by Depositor's governing body, and does not and will not violate any statute or regulation applicable to it and is enforceable against Depositor in accordance with its terms;

(ii) the appointment of Custodian has been duly authorized by Depositor and this Agreement was executed by an officer of Depositor duly authorized to do so;

(vi) Depositor will comply with the terms of any other agreements it may have with Bank in connection with this Agreement.

7. **Continuing Agreement.** This Agreement shall continue and remain in full force and effect and shall be binding upon Bank and its successors and assigns until such time as (a) all Deposits have been paid in full to Depositor or otherwise paid as instructed by Depositor, and (b) the Depository Agreement is no longer in effect.

8. **Rights and Remedies of Depositor.** Depositor's rights and remedies with respect to the Collateral shall be those of a secured party under the Code and under any other applicable law, as the same may from time to time be in effect, in addition to those rights granted in this Agreement, in the Depository Agreement, and in any other agreement in effect between Bank and Depositor. - (a) Updating Certificate of Authorized Persons. Depositor agrees to furnish to Bank a new and updated "Certificate of Authorized Persons" substantially in the form of Exhibit B, attached hereto, or in similar form as Bank may require, within a reasonable amount of time after there are additions or deletions to list of Authorized Persons authorized to act on behalf of Depositor.
- (b) Invalidity; Severability. If any clause or provision of this Agreement is for any reason held to be invalid, illegal or unenforceable, such holding shall not affect the validity, legality or enforceability of the remaining clauses or provisions of this Agreement.
- (c) Amendment. This Agreement may not be amended or modified in any manner except by written agreement executed by all of the parties.
- (d) Assignment and Binding Effect. Depositor may not assign all or any part of its rights or obligations under the Agreement without Bank's prior express written consent, which may be withheld in Bank's sole discretion. Bank may assign or delegate all or any part of its rights or obligations under the Agreement, including, without limitation, the performance of the services described herein. The Agreement will be binding on and inure to the benefit of the successors and permitted assigns of either party.

- (e) Governing Law; Venue. This Agreement shall be construed in accordance with the substantive laws of the State of Texas, without regard to conflicts of law principles thereof. Bank and Depositor hereby consent to the non-exclusive jurisdiction of a state or federal court situated in Taylor County, Texas, in connection with any dispute arising hereunder. Bank and Depositor hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of venue of any such proceeding brought in such a court and any claim that such proceeding brought in such a court has been brought in an inconvenient forum. **BANK AND DEPOSITOR EACH HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.**
- (f) Liability of the Parties. Bank's and Depositor's duties and responsibilities to each other are limited as set forth in this Agreement, except with respect to any provisions of the law which cannot be varied or waived by agreement. **TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, NEITHER BANK NOR DEPOSITOR WILL BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES (INCLUDING WITHOUT LIMITATION, LOSS OF REVENUE OR ANTICIPATED PROFITS) OR FOR ANY INDIRECT LOSS THAT THE OTHER PARTY MAY INCUR OR SUFFER IN CONNECTION WITH THE SERVICES PROVIDED HEREUNDER (EVEN IF SUCH PARTY HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES), INCLUDING WITHOUT LIMITATION, ATTORNEYS' FEES.**
- (g) Except in cases of Custodian's gross negligence or willful misconduct, and excluding the enforcement of Depositor's rights and remedies as a secured party with respect to the Collateral, Bank hereby agrees to indemnify Custodian and hold it harmless from any and all claims, liabilities, losses, actions, suits or proceedings at law or in equity (collectively, "Claims"), or any other expenses, fees or charges of any character or nature which Custodian may incur or with which it may be threatened by reason of Custodian's actions under this Agreement, including but not limited to, any Claims caused or alleged to be caused by the sole or concurrent negligence of Custodian, its employees or agents; and, in connection therewith, to indemnify Custodian against any and all expenses, including without limitation, reasonable attorneys' fees and expenses incurred by Custodian. To the extent covered by such indemnity, **Custodian** may itself defend any suit brought against it and shall be equally entitled to receive reimbursement from **Bank** for its reasonable attorneys' fees, expenses, and all reasonable fees and

costs incident to any appeals which may result. Exclusive of the enforcement against Custodian of Depositor’s rights and remedies as a secured party with respect to the Collateral, Bank and Depositor agree that Custodian shall have no liability to either of them for any loss or damage that either or both may claim to have suffered or incurred, either directly or indirectly, by reason of this Agreement or any transaction or service contemplated by this Agreement, regardless of whether such loss or damage is caused or alleged to be caused by the sole or concurrent negligence of Custodian, its employees or agents, unless occasioned solely by the gross negligence or willful misconduct of Custodian. In no event shall Custodian be liable for losses or delays resulting from computer malfunction, interruption of communication facilities, labor difficulties or other causes beyond Custodian’s reasonable control or for indirect, special or consequential damages.

(h) This Agreement shall terminate and be of no force and effect upon receipt by Custodian of written notice from Depositor that Depositor no longer claims an interest in the Collateral. This Agreement may be terminated by Custodian with or without cause, upon its delivery of thirty (30) calendar days prior written notice thereof to Bank and Depositor, and upon the expiration of such thirty (30) day period, all of Custodian’s obligations hereunder shall cease. Upon the effective date of such termination, Custodian, will simultaneously transmit to Bank all of the Collateral. ## SAFEKEEPING AGREEMENT

THIS SAFEKEEPING AGREEMENT (this “**Agreement**”) is entered into as of the \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, by and between FIRST FINANCIAL BANK, N.A., a national banking organization (the “**Bank**”) and \_\_\_\_\_ (the “**Depositor**”). The Bank and Depositor agree that all securities and/or other property deposited with and accepted by Bank (the “**Security**” or “**Securities**”) shall be governed by the terms and conditions set forth herein, and agree to the following:

### WITNESSETH:

The Bank shall establish and maintain a custody account (the “**Account**”) for and in the name of the Depositor and hold therein all Securities deposited with or collected by the Bank in its capacity as custodian for the Account. The terms “**Security**” or “**Securities**” shall mean any negotiable or non-negotiable investment instrument(s) commonly known as a security or securities in banking custom or practice, and so long as held by the Bank, all income therefrom and all cash deposited by, or for the account of, the Depositor. The Bank agrees to open the Account and hold all Securities and other property, from time to time, deposited with or collected by the Bank for the Account, subject to the terms and conditions of this Agreement, as the same may be amended from time to time.

### SECTION 1 ACCEPTANCE OF SECURITIES

(a) The Bank shall accept delivery from and on behalf of the Depositor such Securities as shall, from time to time, be acceptable to it and shall hold such Securities pursuant to the terms of this Agreement. Any Securities now held by the Bank for the Depositor under a prior safekeeping or custody agreement shall be deemed to have been deposited hereunder. The Bank shall have no responsibility to (i) determine the validity, genuineness or alteration of the Securities or related instruments delivered pursuant to the terms hereof; (ii) review the Securities; or (iii) advise the Depositor of the purchase, retention, sale, exchange, disposition, call for redemption of the Securities or related instruments.

(b) The Bank shall supply to the Depositor from time to time as mutually agreed by the Bank and the Depositor a written statement with respect to all of the Securities held in the Account. In the event that the Depositor does not inform the Bank in writing of any exceptions or objections to such statement within thirty (30) days after receipt of such statement, the Depositor shall be deemed to have approved such statement.

(c) The Bank shall segregate and identify on its books and records as belonging to the Depositor all Securities delivered by or for the account of the Depositor which are held by the Bank in the Account.

(d) The Depositor authorizes the Bank, for any Securities held hereunder, to use the services of any United States central securities depository it deems appropriate where it may hold

any of its own securities, including, but not limited to, the Depository Trust Company and the Federal Reserve Book Entry System. The term “*central securities depository*” shall also include any depository service which acts as a custodian of securities in connection with a system for the central handling of securities whereby all securities of a particular class or series of any issuer deposited within the system are treated as fungible and may be transferred by bookkeeping entry without physical delivery of security certificates. Placement by the Bank of Securities into a central securities depository or safekeeping facility neither augments nor diminishes the Bank’s duties or obligations under any other paragraph of this Agreement, provided that the Bank shall have no liability for the acts or failure to act of any such central securities depository.

(e) The Bank is authorized (in its discretion) to acquire, place, hold, register and re-register the Securities in the name of the Depositor, the Bank or the Bank’s nominee unless alternative and acceptable registration instructions are promptly furnished by the Depositor.

## **SECTION 2 COLLECTION OF INCOME**

The Bank agrees to collect and receive the dividends, interest and other income from the Securities, as directed by the Depositor, and will credit the Depositor’s designated deposit account or submit payment directly to Depositor for such items. Charges, if any, will be charged to the Depositor’s designated deposit account or, in Bank’s sole discretion, billed to Depositor. The Depositor expressly agrees that the Bank will not be liable for failure to perform this service, as it is intended merely as an aid to the Depositor and does not relieve the Depositor of its own duty to keep itself informed of information affecting its own portfolio. The Bank is hereby authorized to sign, on the Depositor’s behalf, any declarations, affidavits, certificates of ownership, or other documents which are now or may hereafter be required with respect to coupons, registered interest, dividends or other income on the Securities. **THE DEPOSITOR HEREBY AGREES TO REIMBURSE, INDEMNIFY, AND HOLD HARMLESS, THE BANK, ITS OFFICERS, DIRECTORS AND EMPLOYEES FROM ANY LIABILITY, CLAIM, LOSS, DAMAGE OR EXPENSE (INCLUDING ATTORNEYS’ FEES AND COURT COSTS) THAT MAY ARISE BY REASON OF THE EXECUTION OF ANY SUCH DOCUMENTS BY THE BANK.**

## **SECTION 3 COLLECTION OF PRINCIPAL**

The Bank is authorized to collect, receive and receipt for the principal of all Securities when and as the same may mature, be redeemed, or be sold upon the order of the Depositor. The proceeds of such collections, as well as any other principal payments received for any Securities, will be credited to the Depositor’s designated deposit account. The Bank will use commercially reasonable efforts to collect the Securities and other property at maturity and at dates of call for payment, but assumes no responsibility for its failure to do so and shall not be obligated to institute or participate in any legal proceedings relative thereto. The Depositor expressly agrees the Bank will not be liable for the insolvency, or default in the payment of principal or interest or in the performance, of the issuer of any Securities.

## SECTION 4 WITHDRAWAL OF SECURITIES

In the event the Depositor is an individual, the Securities will be released upon the Bank's receipt of written instructions from the Depositor. In the event the Depositor is an entity, the Securities will be released upon the instructions of an Authorized Representative (as hereafter defined) of Depositor. The Depositor expressly agrees that the Bank shall not be liable for any loss, damage, or liability resulting from the Bank's actions taken in accordance with instructions given to the Bank by the Depositor or Required Number of Authorized Representatives (as hereafter defined). If the Depositor has delivered to the Bank Securities subject to a pledge, such Securities will be released only upon the receipt of (i) a written notice from the Depositor or an Authorized Representative, if requested by Bank, (ii) a written release of the pledgee, and (iii) a certificate of the Depositor certifying that the signature of the pledgee is authorized and authentic.

## SECTION 5 STANDARD OF CARE

The Bank shall exercise commercially reasonable care in receiving, holding and handling the Securities. The Bank will exercise commercially reasonable care expected of a professional custodian for hire with respect to the Securities in its possession or control.

## SECTION 6 DEPOSITOR DUTIES

(a) In the event the Depositor is an entity, Depositor shall provide the Bank with a written certificate in a form substantially similar to the document attached hereto as Exhibit A containing the name and specimen signatures of each person who is authorized to act and give direction on behalf of the Depositor with respect to the Account (the "**Authorized Representative**") and the number of Authorized Representatives that are required in order to provide written authorization on behalf of the Depositor and/or to amend Exhibit A (each such number specified on Exhibit A is referred to below as the "**Required Number of Authorized Representatives**"). The Bank is authorized to act upon instructions received from the Required Number of Authorized Representatives. The Bank shall be entitled to rely upon such certificate until otherwise notified in writing by Depositor or the Required Number of Authorized Representatives. In addition, the Depositor agrees to hold the Bank harmless and without liability for any claims or losses in connection with any instructions received from the Required Number of Authorized Representatives. Exhibit A may be amended from time to time in whole or in part in accordance with instructions from the Required Number of Authorized Representatives.

(b) The Bank is further authorized to rely upon any written instructions or instructions received by any other means and identified as having been given or authorized by the Authorized Representative(s), provided that the Bank and the Depositor shall have agreed in writing upon the means of transmission and the method of identification for such instructions. Instructions received by any other means shall include verbal instructions, provided that any verbal instruction shall be promptly confirmed in writing. In the event verbal instructions are not subsequently confirmed in

writing, as provided above, the Depositor agrees to hold the Bank harmless and without liability for any claims or losses in connection with such verbal instructions. Notwithstanding the above, instructions for the withdrawal of securities “*free of payment*” shall be given only in writing, and manually signed by any such authorized persons.

(c) In the event that the Bank shall receive conflicting instructions from the Depositor regarding any particular transaction, the Bank shall have no duty to attempt to resolve such conflict; provided, however, the Bank may rely upon the instruction first received by the Bank and the Bank is hereby held harmless from all consequences of such reliance.

## **SECTION 7 BANK DUTIES**

(a) The Bank shall receive or deliver, or shall instruct any other entity authorized to hold Securities hereunder to receive or deliver, Securities and credit or debit the Account, in accordance with written instructions from the Depositor. The Bank or such entity shall also receive in custody all stock dividends, rights and similar securities issued in connection with the Securities held hereunder, shall surrender for payment, in a timely manner, all items maturing or called for redemption and shall take such other action as the Depositor may direct in properly authorized and timely written instructions to the Bank.

(b) All cash received or held by the Bank as custodian or by any entity authorized to hold the Securities hereunder as interest, dividends, proceeds from transfer, and other payments for or with respect to the Securities shall be (i) held in an account, or (ii) in accordance with written instructions received by the Bank, remitted to the Depositor.

(c) During the Bank’s regular banking hours and upon receipt of reasonable notice from the Depositor, any officer or employee of the Depositor, any independent accountant(s) selected by the Depositor and any person designated by any regulatory authority having jurisdiction over the Depositor shall be entitled to examine on the Bank’s premises, the Securities held by the Bank on its premises, but only upon the Depositor’s furnishing the Bank with properly authorized instructions to that effect, provided, such examination shall be consistent with the Bank’s obligations of confidentiality to other parties. The Bank’s costs and expenses in facilitating such examinations, including but not limited to the cost to the Bank of providing personnel in connection with examinations shall be borne by the Depositor. The Bank shall also, subject to restrictions under applicable law, seek to obtain from any entity with which the Bank maintains the physical possession of any of the Securities in the Account such records of such entity relating to the Account as may be required by the Depositor or its agents in connection with an internal examination by the Depositor of its own affairs. Upon a reasonable request from the Depositor, the Bank shall use its reasonable efforts to furnish to the Depositor such reports (or portions thereof) of the external auditors of each such entity as related directly to such entity’s system of internal accounting controls applicable to its duties under its agreement with the Bank.

(d) The Bank will transmit to the Depositor upon receipt, all financial reports, stockholder communications, notices, proxies and proxy soliciting materials received from issuers

of the Securities and all information relating to exchange or tender offers received from offerors with respect to the Securities. Proxies will be executed by the registered holder if the registered holder is other than the Depositor, but the manner in which the Securities are to be voted will not be indicated. Specific instructions regarding proxies will be provided when necessary. The Bank shall not vote any of the Securities or authorize the voting of any Securities or give any consent or take any other action with respect hereto, except as provided herein. The Bank is authorized to accept and open in the Depositor's behalf all mail or communications received by it or directed to its care.

(e) In the event of tender offers, the Depositor shall mail, email or fax instructions to the Bank as to the action to be taken with respect thereto or telephone such instructions to Depositor's account administrator at the Bank, designating such instruction as being related to a tender offer. The Depositor shall deliver to the Bank, by 4:00 p.m., Abilene, Texas time on the following calendar day, written confirmation of such oral instruction. The Depositor shall hold the Bank harmless from any adverse consequences of the Depositor's use of any other method of transmitting instructions relating to a tender offer. The Depositor agrees that if it gives an instruction for the performance of an act on the past permissible date of a period established by the tender offer or for the performance of such act or that it fails to provide next day written confirmation of an oral instruction, the Depositor shall hold the Bank harmless from any adverse consequences of failing to follow said instructions.

(f) The Bank is authorized to accept and open in the Depositor's behalf all mail or communications received by it or directed to its care and upon receipt will transmit such to the Depositor.

(g) The Bank shall promptly notify the Depositor of any calls for redemption, mergers, tenders, consolidations, reorganizations, recapitalizations, or similar proceedings affecting the Securities (other than those Securities registered in the Depositor's name) held in the Account, provided notice of such proceedings appears in standard New York financial publications or a service to which the Bank subscribes. The Bank shall not be liable for late presentation of such items when the Depositor has failed to timely instruct the Bank in writing. Should any Security held in a central securities depository be called for a partial redemption by the issuer of such Security, the Bank is authorized, in its sole discretion, to allot the called portion to the respective holders in any manner it deems fair and equitable.

(h) The Bank shall present all maturing bonds and coupons for collection and is authorized to receive payment of income and principal on other items in accordance with their terms. All funds so collected shall be credited to the Account or remitted in accordance with the instructions of the Depositor.

(i) The Depositor acknowledges and agrees that the Bank shall not be liable for any loss or damage arising out of a cause beyond the Bank's control.

## **SECTION 8 FOREIGN SECURITIES**

The Bank shall not hold Securities which are issued by foreign governments or foreign companies or for which the principal trading market is located outside the United States hereunder. Should the Bank elect to hold such securities, such activities shall be governed by a separate agreement between the Bank and the Depositor.

## **SECTION 9 FEES AND EXPENSES**

(a) The Depositor agrees to promptly pay upon receipt of an invoice from the Bank the fees and expenses set forth therein. The fees and expenses for the services to be rendered under this Agreement have been provided to the Depositor and are incorporated herein for all purposes, and as such may be amended from time to time, effective upon 30 days' prior written notice by the Bank to the Depositor. In addition, if the Bank advances securities to the Depositor for any purpose or in the event that the Bank or its nominee shall incur or be assessed any taxes, charges, expenses, assessments, claims or liabilities in connection with the performance of its duties hereunder, except such as may arise from or be caused by the Bank's or its nominee's gross negligence or willful misconduct, Depositor shall immediately reimburse the Bank, or its nominee, for such advances, taxes, charges, expenses, assessments, claims or liabilities, or replace such Securities.

(b) The Bank may, in its sole discretion, advance funds on behalf of the Depositor which results in an overdraft if the monies held in the Account are insufficient to pay the total amount payable upon purchase of Securities as instructed. Any such overdrafts shall be deemed to be a loan made by the Bank to the Depositor payable promptly upon demand and bearing interest at the Bank's prime rate plus two percent per annum from the date incurred. Notwithstanding anything contained in this Agreement to the contrary, the Bank shall have no obligation to advance funds on behalf of the Depositor.

(c) The Bank shall have a lien on the Securities in the Account to secure payment of such fees and expenses, taxes, advances and other charges incurred under this Section 9. The Depositor agrees that the Bank's lien shall be a continuing lien and security interest in and on any Securities at any time held by or through it in accordance with this Agreement, for the benefit of the Depositor or in which the Depositor may have an interest which is then in the Bank's possession or control or in possession or control of any third party acting on the Bank's behalf. Upon failure by the Depositor to cure any overdraft amounts, or to reimburse the Bank promptly after the request for payment, the Bank may immediately and without further notice dispose of Securities to the extent necessary to obtain reimbursement. The Bank shall have all of the rights and remedies of a secured creditor under the Uniform Commercial Code as in effect in State of Texas from time to time with respect to the Securities.

(d) The Bank is hereby authorized to charge the Depositor's designated deposit account for all fees and charges incurred or assessed hereunder.

## **SECTION 10**

## INVESTMENT RESPONSIBILITY

Unless otherwise agreed in writing by the Depositor and the Bank, the Bank is under no duty to (i) advise the Depositor relative to the investment, purchase, retention, sale, or other disposition of any Securities held hereunder; (ii) supervise the Depositor's investments, purchases or sales; (iii) invest, or see to the investment of, any cash proceeds or other cash deposited hereunder and held by the Bank; or (iv) determine whether any investment or sale made for the Account by Depositor is made in conformity with Depositor's requirements or understandings. The Bank's duties hereunder are strictly ministerial in nature and are limited to those duties expressly set forth in this Agreement. Nothing in this Agreement shall be construed to impose fiduciary responsibilities on the Bank.

### SECTION 11 LIMITATION OF LIABILITY & INDEMNIFICATION

The Bank undertakes to perform such duties and only such duties as are specifically set forth in this Agreement, it being expressly understood that there are no implied duties hereunder. In addition to other provisions of this Agreement, the Depositor agrees that the Bank (a) will be responsible only for the exercise of reasonable commercial standards of the banking business; (b) will not be liable for any loss or damage to the Securities when such loss or damage is due to any cause other than failure to exercise reasonable commercial standards, and in any event will not be liable for any decline in the market value of the Securities; (c) will not be considered an insurer against risk of loss, damage, destruction or decline in market value of the Securities; and (d) will not have liability to the Depositor with respect to the services rendered by the Bank pursuant to this Agreement until such time as the Securities are actually delivered to the Bank, it being understood and agreed that the Depositor bears the risk of loss with respect to shipment and delivery of the Securities to the Bank. **IN NO EVENT SHALL THE BANK BE LIABLE, DIRECTLY OR INDIRECTLY, FOR ANY (I) DAMAGES OR EXPENSES ARISING OUT OF THE SERVICES PROVIDED HEREUNDER OTHER THAN DAMAGES WHICH RESULT FROM THE BANK'S FAILURE TO ACT IN GOOD FAITH OR IN ACCORDANCE WITH THE REASONABLE COMMERCIAL STANDARDS OF THE BANKING BUSINESS OR (II) SPECIAL OR CONSEQUENTIAL DAMAGES, EVEN IF THE BANK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**

In addition to any and all rights of reimbursement, indemnification, subrogation, or any other rights pursuant hereto or under law or equity, the Depositor hereby agrees, to the extent permitted by Texas law, to indemnify and hold harmless the Bank and its officers, directors, employees, agents, affiliates, subsidiaries, and parent companies (the "**indemnified parties**") from and against any and all claims, damages, losses, liabilities, costs, or expenses whatsoever (including attorneys' fees and court costs) which they may incur (or which may be claimed against them by any person or entity whatsoever) by reason of or in connection with (a) any untrue statement or alleged untrue statement of any material fact contained or incorporated by reference in the information supplied by the Depositor to the Bank or its nominee in connection with the performance of their duties under this Agreement or the related documents, or the omission or alleged omission to state in such information a material fact necessary to make such statements, in the light of circumstance under which they are or were made, not misleading; (b) any instruction

given by the Depositor to the Bank under this Agreement; or (c) the execution and delivery of this Agreement.

If any proceeding shall be brought or threatened against any indemnified party by reason of or in connection with the events described in clauses (a) through (c) above, such indemnified party shall promptly notify the Depositor in writing and the Depositor shall assume the defense thereof, including the employment of counsel satisfactory to such indemnified party and the payment of all costs of litigation. Notwithstanding the preceding sentence, such indemnified party shall have the right to employ its own counsel and to determine its own defense of such action in any such case, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the employment of such counsel shall have been authorized in writing by the Depositor or (ii) the Depositor, after due notice of the action, shall not have employed counsel to have charge of such defense, in either of which events the reasonable fees and expenses of counsel for such indemnified party shall be borne by the Depositor. The Depositor shall not be liable for any settlement of any such action effected without its consent. Nothing under this section is intended to limit the Depositor's payment obligations contained elsewhere in this Agreement. This section shall survive the termination of this Agreement.

## **SECTION 12 BANK POWER OF ATTORNEY**

In addition to other rights granted to the Bank pursuant to the terms of this Agreement, the Bank is authorized and empowered in the name of and on behalf of the Depositor to execute any certificates of ownership or other instruments which are or may hereafter be required by any regulations of the United States or any state or political subdivision thereof, so that the Bank may fulfill its obligations hereunder as required in connection with any Securities.

## **SECTION 13 AMENDMENTS**

Except as otherwise provided hereby, the parties may make amendments to this Agreement from time to time, provided that any such amendment shall be reduced to writing; *provided, however*, the Bank may, at any time, in its sole discretion amend any of the provisions of this Agreement upon thirty (30) days' prior written notice to the Depositor.

## **SECTION 14 SUCCESSORS & ASSIGNS**

This Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the respective parties hereto.

**SECTION 15  
COMPLETENESS OF AGREEMENT**

This Agreement, along with a copy of the fee schedule, as may be amended from time to time, delivered to Depositor, constitutes the full and complete agreement between the Bank and the Depositor, and no other understandings or agreement, whether written or oral shall bind either of the parties hereto. The headings of Sections of this Agreement are for the convenience only and have no effect on a party's responsibilities or liabilities.

**SECTION 16  
GOVERNING LAW**

This Agreement shall be governed by the applicable laws of the State of Texas.

**SECTION 17  
TERMINATION**

This Agreement may be terminated by either Depositor or the Bank upon at least ten (10) days prior written notice to the other. The Depositor shall have a period of thirty (30) days from the date of the last and final accounting provided by the Bank to make any objection or claim, and failure to do so within the thirty (30) day period shall be deemed by the parties hereto to constitute accord and satisfaction. As soon as practicable following the termination of this Agreement, the Bank shall deliver all Securities to the Depositor in accordance with the Depositor's written instructions.

**SECTION 18  
NOTICES**

Other than communications between Depositor and Bank that are specifically provided for herein, any notice to be given or to be served upon any party hereto in connection with this Agreement must be in writing, and shall be given by certified or registered mail, facsimile transmission ("fax") or express courier and shall be deemed to have been given and received twenty-four (24) hours after a postage prepaid, is deposited in the United States mail. The product descriptions below provide an overview of the services we offer.

Business Online Banking provides authorized users:

- Ability to view account balances, history, and statements online
- Review electronic activity as it happens – such as ACH activity
- View check images front and back – even deliver image as attachment
- Transfer funds between internal accounts and make loan payments
- Apply Principal Only payments to loans
- Schedule transfers to occur on a specific date – routinely or one time
- Create Alert Messages for email or text notification when subscribed condition is met
- Download transactions to CSV, Excel®, Quicken® or QuickBooks®
- Initiate Domestic Wire Transfers until 4:30 PM (International – No Cut-off time) \*
- Initiate Stop Payments
- True online E-Statement including check images
- Single Sign on to Payment Manager
- Mobile deposit

The system accommodates dual control on transfer and stop payment functions. Our Mobile Banking App provides authorized users nearly full functionality using a tablet or smart phone with internet access. Business Online Banking is an excellent tool to monitor account balances, reporting, user management, and transfer funds quickly and easily. \*\*

### iPay - Bill Pay

iPay is an additional Treasury Management service that allows customers to transfer funds to external accounts, pay bills, pay vendors, and/or pay payroll securely via:

- Paper check (2 – 4 days processing time)
- Email – transfers are made using a one-time code, so payee account information stays secure
- Direct Deposit (ACH)

iPay is available to customers who enroll in the Enhanced or Treasury packages of Business Online Banking. \*\*

\* Requires Separate Agreement

\*\* See Business Account Fee Schedule for comparison of available packages

## Wire Transfers \*

Wire Transfers move funds between banks on the same day, domestically and internationally. Wire Transfers can be scheduled to occur on a routine basis or initiated on demand. Wire instructions can be delivered through Business Online Banking or by visiting any of our branch locations. A separate wire agreement is necessary to establish ongoing wire transfer needs. For wires initiated using Online Banking, First Financial Bank requires the use of a Bank provided token for an additional layer of security.

## Direct Deposit via ACH and Direct Payment via ACH

The Automated Clearinghouse Network (ACH) has a proven record for delivering payments securely and efficiently for more than 30 years. The most popular ACH payment is Direct Deposit for payroll.

ACH is an excellent solution for collecting payments as well as delivering funds. With authorization, accounts are drafted, and payments are received reliably and timely.

First Financial Bank's ACH Origination system is web-hosted and available 24/7. The system also supports manual entries. The program provides a secure delivery channel for payables; including payroll and receivables. The file format is prescribed by the National Automated Clearinghouse Association (Nacha) and is a typically a download feature within many accounting software packages. Our easy to use program allows for file upload or user-built transactions for ACH credits (Payroll, Vendor Pay) and for ACH collections (debits). It is a fast, safe, and reliable way to move funds.

- Individual entries or files are drafted and approved by City staff. Approval requires the use of a Bank registered token. It can be the same token used to approve wire transfers.
- ACH addenda records (EDI) are provided in entirety and securely through our Payment Manager system. The first 2 lines of the addenda record is displayed in Business Online Banking transaction history.
- For files submitted through Business Online Banking the deadline is extended to 5:00 p.m. at least one business day prior to the effective date or payday. Files must be transmitted by the deadline on Thursday to be available to employees by Friday, unless Thursday is a banking holiday, then files must be delivered on Wednesday by the deadline. Each Receiving Bank will have their own schedule for processing ACH entries.

## Payroll Cards

Payroll Cards provide a means for employers to achieve 100% participation in Direct Deposit Payroll (ACH). Some employees are unable to or do not wish to open a regular checking or savings account. The Payroll Card works like a checkless checking account for the employees and a bank account for employers. Payroll Cards can be used to distribute payroll funds, per diem payments, and expense reimbursements.

First Financial Bank currently has over 200 companies with employees using our Payroll Cards.

## Remote Deposit

\* Requires Separate Agreement

\*\* See Business Account Fee Schedule for comparison of available packages

Our remote deposit system is called SmartPay Manager and is comprised of various products: Remote Deposit Complete (RDC), Mobile Remote Deposit Complete (mRDC), and Remote Deposit Now (RDN).

Remote Deposit Complete (RDC) removes the need for companies and public entities to balance their batches, input misread check amounts, or fix MICR line misreads. The District would be able to simply scan checks and provide a control total. On the back end, any items that are unable to be read by the system will be keyed and balanced against the control total. Mobile Remote Deposit Complete (mRDC) is a companion tool to RDC and will allow the District to make deposits via their mobile device. Items will still be balanced on the back end even when away from the remote deposit scanner and PC.

Remote Deposit Now (RDN) is an option for companies and public entities who need strict control over their items, have rigorous accounting requirements, or just prefer to balance their own items. The District may prefer this product to maintain control totals of District deposits. With RDN the District must be able to do their own balancing, MICR line adjustments, and item amount adjustments.

Deposits are delivered electronically eliminating the need to come to the Bank to make check deposits. Once the checks arrive at the Bank, they are processed and clear the same way checks are delivered to a teller window at the branch.

### Payment Manager, ACH Block, and ACH Filter Services

Payment Manager creates a partnership between the Bank and our customer in an effort to control fraud. Positive Pay is one of the features of Payment Manager and has a proven record of success in controlling check fraud. Payment Manager is a web-hosted program providing easy access to authorized users. Positive Pay requires the user to provide the Bank with an issued check information. A file can be uploaded electronically, or individual check information is keyed into the system. When checks are presented for payment (at the teller line or from the cash letter), we will match them against the issued items for check number, amount, and payee name. When a check is presented that is not listed or does not match what was delivered, an exception is made, and the user is notified via email or text the following day. Exceptions are reviewed within the Payment Manager system for a pay or return decision. Returned items require a reason, which is selected from drop down menu options. Payment Manager's Positive Pay service is an excellent way to protect funds and avoid losses.

Our Payment Manager system also supports ACH block and filter services. The system can be set up to block ACH activity, particular debit activity, or build a list of originators from which ACH activity is allowed. For example, a routine insurance payment can be allowed to post, but all other debit and or credit transactions can be blocked. Approved originators are added to a list to allow those incoming transactions and any other ACH activity which would be considered an exception. ACH exceptions are managed just as check exceptions. An email notification is delivered to the approved originator and exceptions are reviewed and marked to pay or return.

Payment Manager is highly recommended to protect funds for all businesses and many public fund organizations are requesting this service.

### eStatement ISO \*\*

Two authorized users can be set up to access eStatement ISO. Users can select one statement date or a range of dates. The file can be stored on the user's local PC or saved to a network location available to the user. The monthly fee for eStatement ISO is \$15.00 per month or included in the selected Treasury Package. \*\*

- You can import a balanced NACHA format file to create an ACH Batch, or ACH Collection, or Payroll payment
  - NACHA files are not processed as uploaded into the system. The system is extracting the information (Routing Number, Account Number, Amount(s), Effective Date, SEC Code, and Subsidiary/Originator) needed to create an ACH Payments, ACH Collections, or ACH Payroll Online Banking transaction. To upload a NACHA file and have it processed as uploaded, please use ACH PassThru.
  - Classifying the payment as PPD or CCD, selecting Pay From/Pay To account, selecting a Subsidiary, and selecting an Effective date should not be necessary as that info should be in the balanced file
- The import uses the name and the order of the file to create recipients and amounts
- You can include a recipient multiple times to create multiple payments
- The payments can be to the same account or a different account

# Introduction

The *User Reports Handbook* is a guide for all those who will be generating and working with the reports and summary information available through this application.

Your site administrator will need to assign specific roles to access this application. You will need to be assigned the full *Accounting* role by your admin user to have access to all the reporting functionality discussed in this manual. Please see the *User Administrator Handbook* for instructions on how to assign roles.

There are a number of ways to retrieve batch, deposit, and transaction information with this system. You will be able to generate pre-defined reports and/or create custom reports on a daily, weekly, and monthly basis as well as within specific date ranges. The types of reports available can assist you with the following:

- Balancing batches and deposits
- Creating daily deposit receipts
- Looking at transaction detail information
- Monitoring returned/re-presented collection items
- Reconciling to bank statements
- Determining the status of a batch, deposit, or transaction
- Researching previous batches, deposits, and transactions
- Retrieving images of scanned items
- Generating a list of payments received from your customer

---

**NOTE:** Intuit® QuickBooks® users who want to import transaction details into their QuickBooks accounts can send a request to First Financial Treasury Management

---

## Privileges and Roles

The administrator user within your organization will need to assign the (full) *Accounting* role under the *Customer Services* privilege for any users within your organization that will be working with the reporting functionality.

# Reports

## Commonalities Among Reports

- Reports are generated in Central Time (CT).

- **Print** is an option available for all reports.

- Exporting reports into a Microsoft® Office Excel® spreadsheet, a tab-delimited file (.TSV) or a comma delimited file (.CSV) is available.

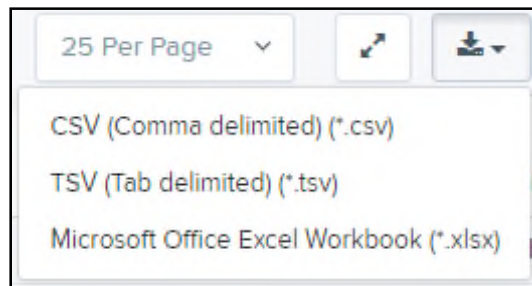

FIGURE 1 - EXPORT MENU OPTIONS

- Select  **Full Screen** to view your report across your entire monitor screen.

- Select  **Filter** to view filters where you can search the report for alphanumeric entries. Deselecting will hide filter fields, and strip the report of your alphanumeric search.

- Select  **Filter Columns** to bring a list of all the information columns available in the report. You may configure the list to have certain columns appear in the order you choose, or to hide columns from the report listing.
  - Use the **View** option to determine whether an informational column appears.
  - Use the **Prioritize** tools to change the order of a column in the report.
  - Use the **Freeze** tool to lock a column in place when viewing the report.

## Current Transaction Summary & Report

The *Current Transaction Summary* can be found on the *Dashboard* upon logging in. It is a numerical display of the total number of items and dollar amounts of all ACH, Check 21, and credit card debits, credits, refunds, returns, and collection items for all locations being processed by a customer. It covers a rolling 60-day period and is broken down by a transaction's current status within the system.

Although there are many reports you can use to view transactions, the *Current Transaction Summary* allows you to quickly identify any unusual activity regarding your transactions with any of the following status types:

- Declined
- Error
- In Collection
- Voided

- Uncollected NSF
- Suspended (requires financial institution’s action to approve or void)
- Disputed
- Invalid/Closed Account

The following table provides a list and definition of all the transaction statuses within the system, for reference.

Status	Definition
Approved	The transaction has been verified and will be processed at the designated cut-off time.
Processed	The transaction has been transmitted to the appropriate network (ACH or Check 21). Changes can no longer be made, and the transaction can no longer be voided.
Awaiting Capture	Status for credit card transactions only.
Awaiting Approval	The transaction has been verified, but the amount of the transaction exceeded the Dual Authorization limit of the user who created it. An authorized approver must review and then either approve or void the transaction.
Declined	The transaction has been declined by the EPS system and will not be processed. The transaction exceeded either Dual Authorization limits or Velocity limits.
Voided	The transaction has been voided and will not be processed. A transaction may not be voided once the item is in the <i>Processed</i> status.
Error	An internal error has occurred within the EPS system. Contact your first line of support.
Suspended	The transaction has been verified, but it has exceeded Velocity limits.
Resolved	The transaction has been moved into a <i>Resolved</i> status by a user to indicate that no further action related to the transaction is required. Transactions can be moved into a <i>Resolved</i> status from a status of <i>Declined, Voided, Invalid/Closed Account, Disputed, Pulled, Uncollected NSF, Unauthorized, Error, or In Research</i> .
Other Check21 Returns	The Check21 transaction has been returned by the Federal Reserve. The transaction will be charged back.

---

**NOTE:** On the *Current Transaction Summary* report, debits are a debit to the check writer and a credit to the customer, while credits are a credit to the check writer and a debit to the customer. On the *Credits and Debits to the Merchants Settlement Account* report, debits are a debit to the customer account and a credit to the check writer while credits are a credit to the customer account and a debit to the check writer.

FIGURE 3 - CURRENT TRANSACTION SUMMARY

The *Transaction Status* report is a pre-defined report listing all transactions in a specific status. It is automatically generated when you select a status link from the *Current Transaction Summary*. The list will contain items that have been processed within the last 60 days (except the *Approved* status, which shows up to the last 24 hours) and give you access to individual transaction information and images of the scanned items as well. Follow the steps below to generate a *Transaction Status* report.

1. Log in to the application, and select a status that appears as a link and contains values in the *Current Transaction Summary* (for example, **Approved** in the graphic below).

Current Transaction Summary

Below is a summary of the previous 60 days of transaction activity as of 1/19/2016, organized by status. Hover over the status to view its definition. Selecting a status link will navigate you to a report of all transactions of that type, where you may adjust the date as necessary, filter the data, save, export, and/or print the activity.

Status	Debit Count	Debit Amount	Credit Count	Credit Amount

# Using the Report Builder Utility

The report builder utility can be used to create one-time queries and custom recurring daily, weekly, and monthly reports for bookkeeping, historical research, and problem solving.

There are two options when creating a customized report: **New Report** and **New Shared Report**. While both are customizable, the shared report is available to other users who have access to the system. Other users will be able to pull the shared report and use its settings to generate information. Only the user who created the shared report can delete it.

1. Log in to the application, and then select **Reports** from the left main menu.

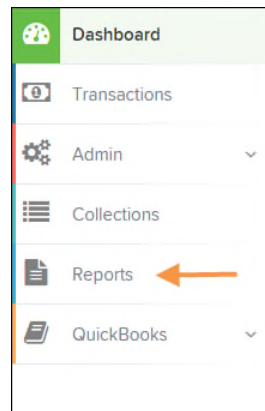

FIGURE 7 - REPORTS TAB

2. Click **New Report** or **New Shared Report**, if it will be available to others.

FIGURE 8 - REPORT BUILDER OPTIONS FOR NEW REPORTS

- The *Reports* page appears. In the top bar, enter a **Title** for the report. Fill in the report criteria in each of the four sections: **Report Type**, **Date Range**, **Advanced**, and **Report Column Headers**.

The screenshot shows the 'New Report' interface with the following sections:

- Report Type:** Includes radio buttons for 'Transaction Report' (selected) and 'Historical Event Report'.
- Date Range:** Includes 'Date Type' (Transactions Createc), 'Export Date Range' (Today), 'Start Date' (Jan 14, 2016), 'Start Time' (12:00 AM), 'End Date' (Jan 15, 2016), and 'End Time' (12:00 AM).
- Advanced:** Includes dropdowns for 'Location' (All Locations), 'Status' (-- ALL --), 'Settlement Status' (-- ALL --), 'Origin Of Transaction' (-- ALL --), 'Originated As' (-- ALL --), and 'Amount Range' (\$ From, \$ To).
- Report Column Headers:** A table with columns 'View', 'Prioritize', and 'Freeze'. Rows include Transaction Date, Transaction Status, Payment Type, Name On Account, Transaction ID00, Reference Number, Customer Number, Operation Type, Location Name, Amount, Account Number, Auth Response, Check Number, Customer Data 1, Customer Data 2, Customer Data 3, Effective Date, Trans Data 1, Trans Data 2, and Trans Data 3.

## How to Handle Exceptions due to Encoding Errors

From time to time, the bank of first deposit will misread the check number or the amount of a check you issued and their customer deposited. The encoding error causes the check to present to your account for payment with the incorrect amount or check number.

Here's an example of a check with an encoding error in the amount:

Check Number 35681 was issued for \$32.34. When the bank of first deposit processed the check, the amount was encoded in error for \$32.24.

For Positive Pay customers, this results in an Exception when the item is presented for payment. The reason for the Exception may be: Amount Mismatch or Paid not Issued.

Please follow these steps to clear the exception:

- 1) View the item carefully to determine the exact reason for the Exception.
- 2) To resolve the encoding error, please mark the item to Return and select Incorrect Check Amount or Incorrect Check Number, whichever is appropriate, as the Reason Code.

Marking the item for Return for these reasons will *not* cause the item to be rejected and sent back to the bank of first deposit. This action alerts our Treasury Management operations team to review the item closely and make the necessary adjustment for the item to post to your account properly.

## USING POSITIVE PAY TO MANAGE ACH BLOCKS/FILTERS

### QUICK EXCEPTION PROCESSING FOR ACH TRANSACTIONS

Our ACH Block and Filter service monitors all ACH activity presented against specified accounts. Whenever an ACH item presents for payment and the entry is not on the white list of approved transactions, the entry will be considered an exception. When exceptions occur, an email notification is sent by 8:00AM to those designated in the Positive Pay Agreement. Pay/Return decisions must be completed by 12 noon. After the noon deadline, the exception list is removed and the Bank will stand in to make the decisions based on the options selected in the Positive Pay agreement.

### HERE'S HOW TO MANAGE ACH EXCEPTIONS

- 1) From the Online Banking menu, select Acct Recon/Pos Pay, or log directly into the Positive Pay system.
- 2) Click **Quick Exception Processing**
  - a. All exceptions will be displayed. To view exceptions by account, simply select the account from the **Client ID** drop down menu.
  - b. If the service option is ACH Positive Pay ONLY, select ACH Exceptions Only from the **Display Type** drop down menu.

**Quick Exception Processing as of 08/26/2016**

Client ID:  Processed Exceptions: (Count: 0) (Amount: \$0.00)

Display Type:  Unprocessed Exceptions: (Count: 0) (Amount: \$0.00)

Hide exceptions already decided Total Exceptions: (Count: 0) (Amount: \$0.00)

NOTE: Exceptions will be given a decision of "Return" if no decision has been made by 12:00 PM.

- 3) For each exception, make a **Pay** or **Return** decision by clicking the box under **Pay** or **Return**.
- 4) Once all items have been marked to **Pay** or **Return**, click **Update** to transmit your decisions to the bank.

- Payment Manager
  - Positive Pay

Nonetheless, before the Customer begins using any of the Services, the Customer must mail or deliver a duly authorized and executed copy of the Agreement to Bank for review and approval.

(b) Enrollment in a Service or Services. Enrollment in any individual Service is subject to Bank approval and requires the completion of the Treasury Management Services Request ("Schedule A"). Enrollment in a Service or Services is accomplished by obtaining, completing and signing Schedule A, and submitting it to Bank in person, through e-mail, regular mail, or by facsimile.

### **2. Accounts.**

(a) Generally. The Customer agrees to maintain a minimum of at least one (1) business checking account ("Demand Deposit Account") with Bank with funds sufficient to cover the transactions initiated pursuant to the Agreement, and to cover fees required to pay for Services provided thereunder.

(b) Business Purpose. The Customer agrees that only Demand Deposit Accounts, or other deposit accounts, or other asset accounts (individually, a "Deposit Account"; collectively, "Deposit Accounts") established exclusively for business purposes will be used for transactions conducted pursuant to the Agreement, and that in no event will transactions conducted hereunder be conducted using Deposit Accounts of the Customer or its employees, officers, directors, members, or owners that are established primarily for personal, family or household purposes.

(c) Authorization for Transfers to and from Accounts. The Customer expressly authorizes Bank to debit the appropriate Deposit Account in the amount of any bank transfer initiated by the Customer and pursuant to the Agreement, or initiated by any other person the Customer authorizes to access Deposit Account(s). The Customer agrees that Bank: (i) may treat any bank transfer, whether initiated online or otherwise, from a Deposit Account the same as a duly executed written withdrawal, transfer, or check; (ii) may treat any bank transfer to a Deposit Account the same as a deposit by cash or check; and (iii) may treat any bank transfer to a loan account held by the Customer the same as a loan payment to Bank, all in accordance with the terms of the Agreement and the Terms and Conditions of Your Account governing the Deposit Account (the "Deposit Account Agreement") or the Customer's agreement with Bank governing any such loan account (the "Loan Account Agreement"), as applicable.

(d) Account Limitations. The Customer's ability to initiate bank transfers between Deposit Accounts may be limited by federal law or by the terms of the applicable Deposit Account Agreement or the applicable Loan Account Agreement. Bank transfers from Deposit Accounts that are savings or money market deposit accounts are limited as required by federal regulation in effect at the time a bank transfer is initiated. The Customer agrees that Bank may, without notice or other obligation to the Customer, for security reasons or as otherwise expressly provided in this Agreement, the Deposit Account Agreement or the Loan Account Agreement, (a) refuse to make any bank transfer, or (b) refuse to accept a Remote Deposit Capture deposit.

(e) Customer Printed Checks. Bank reserves the right, with respect to any and all of the Services, to require Customer to submit any non-Bank printed checks (i.e. checks that are printed by the Customer, or printed by an independent printer at the request of the Customer) for Bank's review and approval regarding format, size and other requirements. If Bank exercises such review and approval right for any of the Services, Customer shall be required to submit such non-Bank printed checks for Bank's review and approval prior to Customer using such non-Bank printed checks.

### **3. The Agreement.**

(a) Generally. The terms and conditions of the Agreement, including Schedule A, any Service setup detail forms, these Treasury Management Services - Procedures, Terms and Conditions, and all attachments, authorizations, schedules and exhibits, together with all amendments or modifications thereto, are cumulative with and in addition to any terms of the Deposit Account Agreements and related Deposit Account signature cards and authorizations, Funds Transfer Agreements, Loan Account Agreements, the applicable Deposit and Loan Account disclosures, Bank's service schedule, Bank's Schedule of Funds Availability, any credit account

agreements relating to any credit accounts the Customer may have with Bank (together, the "Bank Agreements, Schedules and Disclosures"), the rules and regulations of any federal or state agency that supervises Bank's activities or insures accounts at Bank, and any applicable clearinghouse operating rules and guidelines, including, but not limited to those of the National Automated Clearing House Association ("NACHA"), and any other applicable local clearing house association, all as may be amended from time to time.

(b) Inconsistencies. To the extent expressly provided for otherwise herein, should any inconsistency exist or arise between the terms of the Agreement, as relates to any Service or Services, and the terms of any other Bank Agreements, Schedules and Disclosures, the terms of the Agreement shall control, but only to the extent of the inconsistency. Furthermore, to the extent expressly provided for otherwise herein, should any inconsistency exist or arise between the General Provisions of the Agreement and the applicable Service Specific Provisions of the Agreement, the terms of the Service Specific Provisions shall control, but only to the extent of the inconsistency.

(c) Amendment. Bank may amend the Agreement from time to time. To the extent permitted by applicable law, Bank may amend any term of the Agreement without prior notice or obligation to the Customer: (i) if a service provider changes any term without providing Bank sufficient prior notice to enable Bank to timely notify the Customer; (ii) for security reasons; (iii) to comply with applicable law; or (iv) as otherwise expressly provided in the Agreement. Use by the Customer of the Service(s) following the effective date of any amendment(s) shall constitute the Customer's acceptance of and agreement to the amendment(s). If the Customer does not agree to the changes as set forth in an amendment, the Customer may choose to terminate the Service(s) affected by the amendment prior to the effective date of the amendment by discontinuing further use of the Service and following the procedures set forth in Section 27 of these General Provisions. **6. Security Procedures; Customer's Data Security Obligations; Limitation on Liability; Responsibility for Loss.**

(a) Security Procedures under the Agreement. Where required for any Service, Bank and the Customer will agree in writing to one or more security procedures ("Security Procedures") that must be used by Bank and the Customer in connection with the Service(s). Security Procedures offered by Bank are described herein and in Bank's Deposit Account Agreement. As part of the Security Procedures, Bank may employ various authentication technologies. As part of Bank's Business Online Banking Services for business Customers, Bank employs various security and authentication technologies to ensure that Authorized Parties and Users are communicating directly with Bank, and also to ensure that the Customer's computer is communicating with a legitimate Bank computer. Such Bank authentication procedures and technologies include, but are not limited to, use of Customer Business Online Banking Services User IDs, passwords and other "Additional Authentication Information" ("AAI") that Bank may require Customers to provide at Bank's sole discretion. Such AAI is required as a component of various Business Online Banking Services authentication procedures that Bank may employ, including, but not limited to, security questions and responses and/or use of other hardware-based and software-based security and authentication tools, programs and procedures. Bank will replace the Security Procedures in accordance with Bank's standard security requirements related to the applicable Service(s). To the maximum extent permitted by applicable law, the Customer will be solely liable for all transactions, including funds transfer instructions and other communications, initiated before Bank has received such notification and has had a reasonable opportunity to act on such notification. The Customer agrees that its use of the related Service or Services after Bank provides notice of such changes constitutes Customer's acceptance of the new Security Procedures. The Customer acknowledges that the purpose of Security Procedures is to authenticate the identity of the person initiating the action, not to detect errors in any transmission or content. Bank is not agreeing to any security or other procedure for the detection of errors. The Customer represents that for the Service or Services it requests, it considers the Security Procedures to be commercially reasonable with respect to the size, type, and frequency of funds transfers it anticipates issuing and the information which will be transmitted.

(b) Customer's Data Security Obligations. With regard to obtaining any Services under this Agreement, Customer must comply with the Computer (as defined herein) hardware, software, and Security Procedures requirements as set forth in these General Provisions and as set forth in any Service Specific Provisions or any supplemental information and/or instructions provided by Bank. "Computer" means, collectively, the equipment and software (including web browser software) that allows Customer to access the Internet. Bank reserves the right as encryption technology develops to impose further reasonable requirements to maintain the appropriate level of security for the Services and transactions contemplated hereunder and the Customer agrees to abide by such requirements. Furthermore, the Customer understands and acknowledges that if Customer does not follow commercially reasonable hardware, software, physical access and physical storage security procedures regarding any Customer-owned Data (defined herein), including such data containing the sensitive personally identifiable information ("PII" as defined herein) of any individual, the security of Customer's transactions and/or Customer-owned Data (including sensitive PII) may be compromised. "Personally identifiable information" means information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context, and includes, but is not limited to, (i) "nonpublic personal information" as such term is

defined under the Gramm-Leach-Bliley Act of 1999 (Public Law 106-102, 113 Stat. 1138) as amended from time to time (the "GLBA") and the regulations promulgated thereunder, and (ii) "personal information" as defined in applicable state data privacy laws, rules and regulations. Customer understands, acknowledges and agrees that installation, maintenance and operation of Customer's Computer (hardware and software) and related security procedures, including, but not limited to, data security protection, firewalls and anti-virus software, is the Customer's sole responsibility, and that Customer is solely responsible for securing, encrypting, protecting and otherwise safeguarding the Customer-owned Data.

(c) Limitation on Liability. Customer understands, acknowledges and agrees that Bank is not responsible for any loss or damages resulting from any errors or failures of the Customer's Computer or data processing systems, including, but not limited to any computer virus or malware attack (such as a keystroke logging program or similar malware), any attack by a person attempting or actually gaining unauthorized access to Customer-owned Data, or any Internet-related problems that may be associated with the Customer's access and use of the Services.

(d) Serious Potential Threat to Customer's Business; Notification to Bank. Customer acknowledges and agrees that the threat of fraud resulting from theft of electronic data is a serious potential threat to Customer's business and, accordingly, Customer will take all reasonable steps to make certain that its Computers and data security systems are protected from unauthorized access or use, and in an event of any unauthorized access or use, Customer will take all reasonable steps to immediately inform Bank of the security breach.

(e) Responsibility for Loss. If, despite Customer efforts, Customer suffers any damage or loss as a result of Customer's failure to comply with its data security obligations, regardless of whether such damage or loss results from the activities of Customer's employees, agents, subcontractors or any unaffiliated third party, any such loss or damage shall be the sole responsibility of Customer.

## **7. Business Days; Posting; Funds Availability.**

(a) Business Days. Any day on which a majority of Bank's offices are open to the public for conducting substantially all business functions shall be a "Business Day"; provided, however, that Saturdays, Sundays and federal holidays are not Business Days even if a majority of Bank's offices are open.

(b) Posting. Transactions (such as deposits, funds transfers, instructions and entries) related to any Service will be posted to the applicable Deposit Account in accordance with Regulation CC regarding funds availability as provided for in the Deposit Account Agreement. Bank may change any cutoff deadline at any time by giving notice, as required by law, of the change to the Customer.

(c) Funds Availability. Any funds transferred pursuant to a transaction hereunder will be available for withdrawal or advance as provided for in Bank's then current Schedule of Funds Availability, as amended from time to time, and in accordance with applicable law.

## **8. Honoring Transactions and Instructions; Furnishing Information.**

(a) Generally. Bank will honor the Customer's transactions and instructions (including adjustments and cancellations) only when the Customer has complied with the Agreement. Bank will be under no obligation to complete any transaction or instruction that: (i) exceeds the Customer's collected or available funds on deposit with Bank, even if Bank has done so in the past; (ii) is not in accordance with any condition requested by the Customer and agreed to by Bank; (iii) Bank has reason to believe may not be authorized by the Customer; (iv) involves funds subject to a hold, dispute or legal process preventing their withdrawal; (v) violates, in the opinion of Bank, any provision of any present or future risk control program of the Federal Reserve or any other applicable federal or state law; (vi) does not comply with any other requirement stated in the Agreement or any Bank policy, procedure or practice; and/or (vii) for the protection of Bank or the Customer, Bank has reasonable cause not to honor.

(b) Insufficient Account Balances for Service(s). When a Service requires the Customer's Deposit Account(s) to contain sufficient, good, collected, and available funds to cover the Customer's obligations for the required Service, the Customer agrees to maintain sufficient, good, collected, and available funds in those accounts from which the funds are to be withdrawn or transferred. If there are insufficient funds in the designated Deposit Account to cover the required withdrawal(s), transfer(s), or related fees, except as specifically modified in an applicable implementation document, Bank may: (i) withhold the Service; (ii) in its sole discretion, elect to dishonor any item or transaction that creates a negative balance and has no duty to notify the Customer prior to dishonoring any overdraft, even if Bank has paid overdrafts on behalf of the Customer in the past; (iii) in its sole discretion, provide the Service, and the Customer agrees to pay Bank promptly or on demand the amount of overdraft and any fees or other costs; and/or (iv) require the Customer to pre-fund transactions prior to settlement date or effective date. Bank may, in its sole discretion, on occasion provide a Service against insufficient, good, collected and available funds in Deposit Account(s), but Bank is not obligated to do so, and any action by Bank of this nature will not constitute an obligation by Bank to provide the Service in the future.

(c) Data File Retrieval and Delivery. Bank provides a data file exchange facility for Customers, which is intended to ensure a convenient, reliable and efficient means to obtain various informational data files and reports from Bank, or deliver instructional data files to Bank for processing and handling. This data file exchange facility makes it possible for a Customer, the Customer's agent, or a third party authorized by Customer to obtain

specific Demand Deposit Account activity information as well as a means for a Customer, their agent or third party authorized by Customer to provide instructions to Bank in conjunction with various Services provided by Bank. To support this data file exchange facility, Bank makes use of an accepted data communication convention, File Transfer Protocol ("FTP"), which prescribes the manner in which files containing data are to be exchanged between computers using the Internet's transmission control protocol/Internet protocol ("TCP/IP") functionality. Bank allows Customer to choose among certain options for communicating with Bank's FTP external server for retrieval and delivery of data files. Access to Bank's FTP external server may require that the Customer, their agent or a third party authorized by Customer, utilize the Customer's User ID, and/or password (both of which are assigned by Bank), or any AAI, and Bank may further require that public encryption keys be exchanged between Customer (or their agent or third party authorized by Customer), and Bank, depending upon the communication option selected. Also, certain communication options will require Customer, their agent or third party authorized by Customer to furnish Bank with the TCP/IP address from which a FTP communication session will originate. In addition to the general testing obligations set forth in Section 5(b) above, when Customer selects a particular communication method, Bank and Customer shall cooperate in testing data file exchange by such communication method, and if the testing process is completed satisfactory to Bank, then such communication method will be used. If, however, the testing process for a particular communication method is not completed satisfactory to Bank, then Customer must choose a different communication method that must also meet with Bank's testing and approval as stated above. Once a particular communication method has been successfully tested satisfactory to Bank's requirements and approved by Bank, then Bank and Customer will commence exchange of data files using such communication method. When incoming data files are delivered to Bank by Customer (or by Customer's agent or third party authorized by Customer), the data files will reside in a secure folder on Bank's FTP external server until such files are relocated internally by Bank for processing.

#### **9. Oral Instructions.**

At Bank's option, Bank may honor the Customer's oral instructions regarding Service(s). The Customer agrees that Bank may in good faith rely on any such oral instructions, which purport to come from the Customer (including any Authorized Party or User) or the Customer's agent without independent verification by Bank unless Security Procedures require otherwise.

#### **10. Erroneous Instructions.**

**CUSTOMER AGREES THAT TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, BANK WILL NOT BE LIABLE FOR ANY INSTRUCTION, FUNDS TRANSFER ORDER, AMENDMENT OR CANCELLATION, OR ANY LOSS ARISING THEREFROM, ERRONEOUSLY TRANSMITTED BY**

**THE CUSTOMER OR ANYONE AUTHORIZED BY THE CUSTOMER HEREUNDER OR CONTAINING AN ERROR IN CONTENT AS PROVIDED BY THE CUSTOMER OR ANYONE AUTHORIZED BY THE CUSTOMER HEREUNDER, REGARDLESS OF WHETHER BANK FOLLOWED THE SECURITY PROCEDURES AGREED UPON HEREIN OR ANY APPLICATION HERETO.**

#### **11. Inconsistent Name and Identifying Number.**

If any funds transfer instruction by the Customer describes the intended recipient of funds inconsistently by name and account number, the Customer agrees that payment by the receiving bank (which may be Bank) may be made on the basis of the account number alone even if that account is not owned by the person or entity named in the funds transfer instruction. If any funds transfer instruction identifies an intermediary bank or the payee's bank inconsistently by name and identifying number, the Customer agrees that Bank may rely solely on the identifying number as the proper identification of the intermediary bank or the payee's bank even if it identifies a bank different from the bank the Customer identified by name. To the extent permitted by applicable law, the Customer acknowledges and agrees that its obligation to pay Bank the amount of the funds transfer pursuant to a funds transfer instruction will not be excused in any circumstance described in Section 10 above and that the Customer will reimburse Bank for any losses or expenses Bank incurs as a result of Bank's reliance on the identifying number provided in the funds transfer instruction.

#### **12. Account Holder's Liability for Funds Transfers.**

The Customer agrees to be bound by any funds transfer, amendment or cancellation to a funds transfer issued in the Customer's name and received by Bank, whether or not authorized, if Bank accepts the funds transfer, amendment or cancellation in good faith and in compliance with the Security Procedures agreed to herein. In the event that a funds transfer is unauthorized but effective pursuant to the Security Procedures agreed to herein, Bank is entitled to enforce or retain payment for the funds transfer from the Customer unless the Customer can prove that the funds transfer was not caused, directly or indirectly, by a person (i) entrusted at any time with duties to act on the Customer's behalf with respect to such funds transfer or the Security Procedures; or (ii) who obtained access to the Customer's transmitting facilities or who obtained, from a source controlled by the Customer and without authority of Bank, information facilitating breach of the Security Procedures, regardless of how the information was obtained or whether the Customer was at fault.

#### **13. Account Reconciliation and Reporting of Discrepancies.**

(a) Generally. The Deposit Account statements provided to the Customer by Bank will notify the Customer of (i) the execution of funds transfers and all debits or credits to accounts of the Customer held by Bank resulting from

transactions pursuant to the Agreement; and (ii) amounts debited by Bank from the account(s) for payment of fees for the Services hereunder or other charges pursuant to the Agreement. The Customer agrees that Bank will not be required to provide any other notice to the Customer of the execution of any funds transfers, debits, credits or charges.

(b) Notification of Discrepancies. Customer agrees to promptly report to Bank any discrepancies between the Customer's records and Bank's records and/or Deposit Account statements and any relevant facts pertaining to potentially unauthorized or erroneous funds transfers of any kind. (i) For funds transfers, such report should be made within thirty (30) calendar days from the date the Customer receives notice from Bank that the funds transfer was processed or that the Customer's account was debited with respect to the funds transfer. The Customer's failure to notify Bank of any such discrepancies may result in the Customer forfeiting any interest potentially due on the amount of the unauthorized or erroneous funds transfer due to Customer's failure to provide notification within thirty (30) days as stated herein. (ii) For all ACH transactions that are believed to be unauthorized or erroneous, such report should be made no later than one (1) Business Day following the date of the unauthorized or erroneous entry so that Bank can return the item to the Originating Depository Financial Institution (the "ODFI") within the two (2) Business Day period required under NACHA Rules. Failure to do so for debits against an account will preclude Bank from returning the transaction through the ACH system and re-crediting the account. At the Customer's request, Bank will go outside the ACH system and request a credit from the ODFI based on a violation of the ODFI's warranty that the transaction was authorized.

(c) Foreign Currency Exchange Conversions. Bank assumes neither risk of loss nor any liability, which any person (including the Customer) may suffer by reason of foreign currency exchange conversions. Any gains resulting from foreign exchange conversion in connection with any Customer transaction pursuant to any Service hereunder shall inure to the Customer.

#### **14. Settlement of Obligations.**

To the fullest extent permitted by applicable law, the Customer authorizes Bank to obtain payment of the Customer's obligations to Bank under the Agreement from time to time by (i) initiating debit or credit transfers to any of the Deposit Accounts; or (ii) deducting the payment from the amount of any bank transfer. Such obligations include, without limitation, fees owed to Bank, in conjunction with any of the Services or otherwise, and settlement for funds transfers initiated pursuant to the Agreement. At the time any Deposit Account is closed (whether by the Customer, by Bank, or otherwise) or any Service is terminated (whether by the Customer, by Bank, or otherwise), the Customer agrees that all such fees and other obligations will be immediately due and payable to Bank, and the Customer authorizes Bank to withhold the amount of any such fees and other obligations from any Deposit Account.

Debiting a Deposit Account or deducting payment from the amount of any bank transfer is not Bank's exclusive remedy under this or any other section of the Agreement, and Bank will not be deemed to have made an election of remedies by making any such debit or deduction on any one or more occasions.

#### **15. Cooperation in Loss Recovery Efforts.**

Except as otherwise stated in the Agreement, in the event of any damages for which Bank or the Customer may be liable to the other or to a third party with respect to the Service(s), Bank and the Customer will undertake commercially reasonable efforts to cooperate with each other (as permitted by applicable law) in performing loss recovery efforts and in connection with any action(s) that the relevant party may be obligated to defend or elect to pursue against a third party.

#### **16. Fees.**

(a) Generally. Bank reserves the right to change any fee schedule at any time and from time to time. Applicable fees do not include, and the Customer will be solely responsible for payment of any sales, use, excise, value added, utility tax, or tariffs relating to the Service(s) provided hereunder, and for all telephone charges, internet access service charges, tolls, tariffs, and other costs for Business Online Banking Services initiated by the Customer or the Customer's authorized users.

(b) Payment of Fees. Any amount(s) due Bank for the Service(s) as determined by Bank's account analysis system will be charged as a direct fee debited to the Customer specified Deposit Account. If the Customer specified Deposit Account has insufficient funds to pay any amount due, Bank may debit any Deposit Account maintained by the Customer at Bank. If there are no Deposit Accounts at Bank with sufficient funds to cover the amount due Bank, the Customer agrees to pay such amounts directly to Bank upon demand. The Customer also agrees to reimburse Bank for any actual expenses Bank may incur to effect, administer or revoke any Service(s). In the event any fees or taxes are owed to Bank and are not paid, Bank shall have no obligation to execute any Service for the Customer, or to continue any Service(s) previously provided to Customer.

#### **17. Use of Third Parties.**

(a) Bank's Use of Third Parties. Bank's ability to provide certain Services depends on its ability to provide access to third party networks and other third party services. In the event Bank determines, in its sole discretion, that it is unable to provide third party network or services access, Bank may discontinue the related Service or may provide the Service through an alternate third party network or service, and shall have no liability for the unavailability of such Service.

(b) The Customer's Use of Third Parties. The Customer shall notify Bank in writing as specified in Section 4(e) of the name of any third party whom it hires, employs, or to whom it delegates its duties or responsibilities under the Agreement, before that third party initiates any

transaction or performs an obligation authorized or required under the Agreement. The Customer agrees that it shall be solely responsible for all acts of any such third party. The Customer shall provide information including financial information which Bank may, in its sole discretion, require from time to time regarding any third party vendor which the Customer hires, employs, or retains in any manner, to initiate transactions or assume any of the Customer's duties under the Agreement. The Customer understands and agrees that because of the risks involved in certain of the Services that the Customer may utilize, Bank may refuse, in its sole discretion, to provide such Services to the Customer if the third party retained by the Customer does not meet Bank's qualification criteria. Bank's acceptance of any third party retained by the Customer based on Bank's qualification criteria is not a representation or warranty by Bank regarding the fitness of the third party's capabilities or financial condition, nor is such acceptance by Bank an endorsement of any third party's ability to perform the third party services for Customer. The Customer agrees that it shall not allow any third party to use any Service hereunder or to process any third party's transactions pursuant to the Services hereunder through the Customer or its accounts without Bank's prior written consent.

#### **18. Courier Agreements.**

The Customer may utilize a courier to conduct transactions pursuant to the Agreement. In so doing, the Customer agrees at all times and in all respects, regardless of the source of payment for the courier services, that (i) the courier is the agent of the Customer and not Bank; (ii) Bank makes no representations or warranties regarding any courier, and assumes no responsibility with respect to any services performed or promised by any courier; and (iii) the Customer assumes all risk of loss (including loss or theft by third parties or employees of the Customer or the courier) prior to Bank's acceptance of such transactions from the courier and subsequent to the courier's acceptance of transactions from Bank. The Customer agrees that the Customer and the courier will be responsible for all loss recovery procedures and processes, although Bank may undertake commercially reasonable efforts to facilitate loss recovery.

#### **19. Proprietary Property.**

The Customer acknowledges and agrees that all trademarks, trade names, service marks, copyrights, programs, specifications, software, systems designs, applications, routines, techniques, enhancements, software codes, test keys, security devices, Security Procedures, documentation, manuals, ideas and formulas (collectively, referred to herein as the "Bank Proprietary Property") utilized or developed and provided by Bank in connection with the Agreement and the Services provided hereunder, whether online via Bank's web site or otherwise, are proprietary property of Bank having great commercial value to Bank. The Customer shall have no ownership interest in Bank Proprietary Property or other rights related thereto, and the Customer agrees to keep Bank Proprietary Property

confidential at all times. The Customer may use Bank Proprietary Property only for the purposes for which it was provided by Bank and shall notify Bank immediately of any breach of this section of which it becomes aware. Bank may require the Customer to license specific software in order to receive a particular Service. Unless agreed to the contrary between the parties with regard to certain Services, with such agreement approved by Bank in Bank's sole discretion, upon termination of the Agreement or any applicable Service, such license in Bank's Proprietary Property and any licensed software shall automatically expire and the Customer agrees to immediately cease using any Bank Proprietary Property and any licensed software relating to the Service or Services effected by such termination. Additionally, and unless contrary to prior agreement regarding the software, the Customer agrees to erase any software comprising Bank Proprietary Property and relating to the Service or Services terminated to the extent such software is stored in the Customer's computers, and, at the request of Bank, to return all copies of all items relating to Bank Proprietary Property which are in the possession of the Customer. Alternatively, and at Bank's option, the Customer will destroy all copies of all items relating to Bank Proprietary Property which are in the possession of the Customer and, upon request from Bank, provide written certification to Bank that such destruction has occurred.

#### **20. Confidentiality.**

The Customer and Bank each agree that all information concerning the other party or parties which comes into its possession in connection with any Service and/or the performance of the Agreement including, but not limited to, software licensed to the Customer by Bank, user guides, and Security Procedures including security access codes, keys, PINs, template numbers, or any other AAI, will be maintained as confidential and shall not be used or divulged to any other party except as may be appropriate to enable Bank to provide the Service or as required by applicable law. The Customer agrees that Bank may share any information concerning the Customer's accounts and account transactions with any of Bank's affiliates, subsidiaries, parent Customer or service providers and to the extent Bank determines necessary, with the Customer's third party processor(s), and state or federal regulators, bank examiners or auditors.

#### **21. Customer Records; Ownership of Data; Response to Data Security Breach Incidents; Responsibility for Loss.**

(a) Customer Records. The Agreement will not relieve the Customer of any obligation imposed by law, contract, or otherwise regarding the maintenance of records or from employing adequate audit, accounting and review practices. The Customer shall retain and provide to Bank upon request all information necessary to remake or reconstruct any deposit, transmission file, or entry for at least thirty (30) Business Days, or longer as set forth in a separate Service Provision, following receipt by Bank of the deposit, transmission file, entry, or other order

affecting any of the Customer's account(s); provided, however, that Bank's records, kept in the ordinary course of business, will be presumed to accurately reflect the contents of the Customer's instructions to Bank and, in the absence of manifest error, will be binding and conclusive.

(b) Ownership of Data. The parties understand, acknowledge and agree that all data provided by Customer to Bank (including, but not limited to, electronic images of Substitute Checks retained on any Processing Equipment, Processing Software, or any other processing equipment or software (including Customer's Computer) used by Customer in conjunction with Remote Deposit Capture Services), and all data produced, compiled or otherwise provided by Bank to Customer, in any form or format, is the sole and exclusive property of Customer and copies thereof shall be provided to Customer at Customer's request from time to time and at any time ("Customer-owned Data"). Once Customer-owned Data is delivered by Bank to Customer, retrieved by Customer from Bank, or otherwise created as a by-product of a transaction between Customer and Bank and retained by Customer, such Customer-owned Data is solely within Customer's possession and control.

(c) Response to Data Security Breach Incidents. As stated in Section 6 above, Customer has the sole responsibility for security and protection of Customer-owned Data. In the event of any security breach incident involving any potential or actual unauthorized access or acquisition of Customer-owned Data (e.g. computer hacking, virus attack, or theft or loss of any equipment containing Customer-owned Data), it is Customer's sole responsibility to determine whether Customer has the obligation, under applicable law, to notify potentially affected individuals whose sensitive PII may have been compromised by the security breach incident. Customer must conduct, at its sole cost and expense, any audit and forensic investigation of such security breach incident. Customer bears the sole responsibility for any and all costs of complying with required data breach notifications to individuals, credit bureaus and/or governmental entities as required by applicable law, and any and all costs for credit report monitoring or fraud monitoring associated with such security breach incident.

(d) Responsibility for Loss. If, despite Customer efforts, Customer suffers any damage or loss as a result of any unauthorized access or data security breach (e.g. computer hacking, virus attack, or theft or loss of equipment or other information containing Customer-owned Data), and regardless of whether such unauthorized access or breach results from the activities of Customer's employees, agents, subcontractors, or any unaffiliated third party, any such loss or damage shall be the sole responsibility of the Customer.

In addition, in the event that Customer desires to obtain any Services under this Agreement for any of Customer's Related Entities, as Customer shall list such Related Entities in Schedule A or any addendum, exhibit or schedule used in connection with this Agreement, the Customer makes the following additional representations and warranties to Bank each time that Customer lists a Related Entity that is authorized to obtain Services under this Agreement: (x) if Customer is a Parent of any Subsidiary Related Entity listed, that Customer is authorized under applicable governing documents to exercise both the voting power and equity of the Related Entity, and that no third party holds any veto power or approval right over (A) Customer's ability to appoint a majority of the directors, managers or other members of the Related Entity's governing body, (B) Customer's ability to determine the Related Entity's strategy and direction, or (C) Customer's ability to bind the Related Entity to this Agreement; (y) if Customer is a Subsidiary of any Parent Related Entity listed, that Customer has been duly authorized by the Parent to enter into this Agreement, to bind the Parent to this Agreement and to take all necessary actions to obtain Services under this Agreement, and that no third party holds any veto power or approval right over Customer's ability to fulfill Customer's obligations under this Agreement; (z) if Customer is an Affiliate of any Affiliate Related Entity listed, that Customer is duly authorized by its governing documents, or by actions of the Affiliate Related Entity, to enter into this Agreement, to bind the Affiliate Related Entity to this Agreement, and to take all necessary actions to obtain Services under this Agreement, and that no third party holds any veto power or approval right over Customer's ability to fulfill Customer's obligations under this Agreement.

### **23. Compliance with Laws.**

Bank and Customer each agree to comply with provisions of all applicable federal, state, county or municipal laws, regulations or ordinances, and shall be responsible for obtaining any and all authorizations from any applicable governmental authority that may be required for the party to perform hereunder. Furthermore, both parties agree to comply with applicable federal and state privacy laws and anti-money laundering laws. Customer agrees that it shall not use any Services, including Remote Deposit Capture Services, in any manner that is designed or has the effect of violating or evading any laws with regards to currency controls, money laundering or banking secrecy.

### **24. Limitations of Liability.**

(a) Generally. To the extent permitted by law, and except for the remedies provided expressly herein for breach of the Agreement, the Customer agrees that Bank will have no liability whatsoever for any loss, damage, or claim (collectively, a "Claim") arising out of the performance of or non-performance of any Service in accordance with the terms of the Agreement, **EVEN IF SUCH CLAIM ARISES, IN WHOLE OR IN PART, FROM BANK'S NEGLIGENCE**, but excluding any claim arising from Bank's gross negligence or willful

misconduct. Bank's duties and responsibilities to the Customer are strictly limited to those described in the Agreement, except with respect to any provisions of the law which cannot be varied or waived by agreement. **TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, BANK WILL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES (INCLUDING WITHOUT LIMITATION, LOSS OF REVENUE OR ANTICIPATED PROFITS) OR FOR ANY INDIRECT LOSS THAT THE CUSTOMER MAY INCUR OR SUFFER IN CONNECTION WITH THE SERVICES PROVIDED HEREUNDER (EVEN IF BANK HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES), INCLUDING WITHOUT LIMITATION, ATTORNEYS' FEES.** Any third party service provider used by Bank is an independent contractor and not Bank's agent. **TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, BANK AND ITS AFFILIATES AND SUPPLIERS MAKE NO WARRANTIES OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, ABOUT ANY OF THE SERVICES, ANY PROCESSING EQUIPMENT OR ANY PROCESSING SOFTWARE DESCRIBED IN THIS AGREEMENT, AND HEREBY DISCLAIM ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR NON-INFRINGEMENT.** To the fullest extent permitted by applicable law, and without limiting the generality of the foregoing, Bank shall not be liable at any time to the Customer or any other person or entity for loss, charge, fee, penalty, expense or other damage resulting from any failure or delay of the performance of Bank's responsibilities under the Agreement which is caused or occasioned by any act or thing beyond Bank's reasonable control, including, without limitation, legal restraint, interruption of transmission or communication facilities, equipment failure, electrical or computer failure, war, emergency conditions, acts of God, fire, storm, or other catastrophe, or inability to obtain or delay in obtaining wire services, Internet access, electronic transfers, or electronic file exchange, or refusal or delay by a service provider or another bank or financial institution. In addition, Bank shall be excused from any failure or delay in executing a transaction hereunder, if such execution would result in the violation of any applicable state or federal law, rule, regulation or guideline. To the fullest extent permitted by applicable law, the Customer agrees that Bank shall not have any liability whatsoever for any loss caused by the act, error, or omission of the Customer or any other person, including, without limitation, any service provider, any Internet access service provider, any federal reserve bank or transmission or communications facility or any intermediary or receiving financial institution, and no such person shall be deemed Bank's agent. The Customer understands and agrees that the fees charged for the performance of the Service(s) have been established in contemplation of these limitations on liability.

(b) Statute of Limitations. The Customer agrees that any Claim, action, suit or proceeding against Bank for damages resulting in any respect from its acts or omissions in its performance of the Service(s) hereunder must be brought within two (2) years from the date of Bank's alleged act or omission.

(c) Notification in the Event of Claim. The Customer agrees to immediately notify Bank of any Claim by the Customer, or any Claim that is made to the Customer by a third party, where an act or omission by Bank in connection with any Service is alleged to have caused the Customer or such third party to sustain any damages.

(d) Other Limitations. The Customer agrees that any Deposit Account(s) it may have at Bank may be subject to additional liability limitations that are described in the Deposit Account Agreement for any such account(s).

(e) Reporting of Errors. The Customer acknowledges that it is not possible for Services provided by Bank hereunder to be free of operator, program or equipment error, and that errors in processing and compiling account data may occasionally occur, requiring adjustments. As such, the Customer agrees to review and verify all results and to maintain adequate controls for insuring both the accuracy of data transmissions and the detection of errors. Unless otherwise required by law, Bank's sole responsibility for reporting errors caused by it will be to reprocess information and reports for the applicable period in question and to submit corrected reports at its own expense to the Customer.

## 25. Indemnification.

**TO THE EXTENT PERMITTED BY LAW, THE CUSTOMER AGREES TO INDEMNIFY, DEFEND, RELEASE AND HOLD HARMLESS BANK AND ITS AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS, INDIVIDUALLY AND COLLECTIVELY, FROM AND AGAINST ANY DAMAGE, LOSS, OR LIABILITY, INCLUDING WITHOUT LIMITATION FINES, PENALTIES, REASONABLE ATTORNEYS' FEES AND COURT COSTS (COLLECTIVELY, A "LOSS") WHICH RESULT, DIRECTLY OR INDIRECTLY, FROM BANK'S PROVIDING SERVICES TO THE CUSTOMER HEREUNDER, EVEN IF SUCH LOSS ARISES, IN WHOLE OR IN PART, FROM BANK'S NEGLIGENCE, BUT EXCLUDING ANY LOSS ARISING FROM BANK'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, UNLESS OTHERWISE EXPRESSLY PROVIDED IN THE AGREEMENT OR THE APPLICABLE DEPOSIT ACCOUNT AGREEMENT.**

## 26. Specific Performance.

The Customer agrees that money damages may not be sufficient remedy for any breach of the Agreement and that Bank shall be entitled to specific performance in addition to any other remedies, at law or in equity, as a remedy for any breach.

## 27. Termination.

(a) By Bank With Cause. Bank may, in its sole discretion, terminate the Agreement in its entirety or with respect to one or more specified Service(s) effective immediately if: (i) the Customer fails to maintain adequate collected and available balances to cover all transactions, costs and expenses relating to one or more Service(s); (ii) there is an occurrence of a material change in the Customer's credit and/or risk analysis criteria as determined by Bank in its sole and absolute discretion; (iii) Bank at any time determines that the Customer or the Customer's third party vendor does not meet Bank's risk or other qualification requirements; (iv) Bank discovers any willful misconduct (including but not limited to writing or knowingly passing bad checks, or types of fraudulent activity) on the part of Customer or any other party with respect to electronic images submitted by Customer if Customer utilizes Bank's Remote Deposit Capture Services or originated electronic entries if the Customer utilizes Bank's ACH Origination; (v) the Customer is in default of any terms of a Service Specific Provisions of this Agreement where such default gives Bank the right to terminate, immediately or otherwise, the Agreement or a specific Service; (vi) the Customer has selected a particular Service, but Customer has not used such Service for a period of time deemed to constitute an inactive Service by Bank (in Bank's sole discretion); or (vii) the Customer is in default of any terms of the Agreement or any other agreement with Bank. In any of these events, Bank's sole obligation shall be to provide notice of its termination of the Agreement to the Customer as soon as is commercially reasonable.

(b) By Either Party for Any Reason. Either party may terminate the Agreement, with or without cause, in its entirety or with respect to one or more specified Service(s) at any time, upon thirty (30) days written notice to the other of its intent to do so.

(c) Rights and Responsibilities Upon Termination. In the event of termination of the Agreement or any Service hereunder, the rights and responsibilities of the parties shall continue through any applicable settlement period including the Customer's responsibility to pay Bank for Service(s), and, to the extent Bank may require a Reserve Account (as defined in the ACH Service Specific Provisions below), to maintain a Reserve Account as otherwise stated in this Agreement, with respect to transactions processed prior to the effective date of termination. If this Agreement, or any Service, is terminated by Bank, Bank may accelerate all amounts due and to become due under this Agreement, and the Customer shall promptly make full payment to Bank of all amounts due and amounts incurred under this Agreement. If the Customer utilizes the Remote Deposit Capture Services, termination of this Agreement for any reason shall automatically terminate the limited license to the Processing Software granted in the Remote Deposit Capture Services Section, and Bank has the right to demand immediate return of the Processing Software, the Processing Equipment and all Documentation (as those terms are defined in the Remote Deposit Capture Services Section). In the event

that the Customer fails to immediately return such items upon the written demand of Bank, Bank shall have the authority to enter the premises of the Customer to remove such items.

**28. Governing Law; Venue; Jury Trial Waiver; Class Action Waiver.**

The Customer and Bank agree that any controversy or Claim between the Customer and Bank, or between the Customer and any of the officers, employees, agents, or affiliated companies of Bank, arising out of or relating to the Agreement, or any of the transactions contemplated under the Agreement, or any of the Services provided pursuant to the Agreement, or any of the discussions or negotiations leading up to the making of the Agreement, or any relationship that results from any of the foregoing, whether based in contract, or an alleged tort, or on any other legal theory, and whether asserted as an original or amended claim, counterclaim, cross claim, or otherwise, shall be governed by federal law and all applicable substantive laws of the State of Texas (without regard to its conflict of laws principles), including the Uniform Commercial Code as adopted by the State of Texas (the "UCC"). Bank is located in Texas and that is where the Customer opens the Customer account(s). In addition, Bank is subject to certain federal and state regulations, as well as national and local clearing house rules regarding some of the matters addressed in this Agreement, and Bank must comply with these laws, regulations and rules. The Customer agrees that if there is any inconsistency between the terms of this Agreement and any applicable law, regulation or rule, the terms of this Agreement will prevail to the extent any such law, regulation or rule may be modified by agreement. Venue for the resolution of any disputes under this Agreement shall be in the state or federal courts located in Taylor County, Texas. **AS PERMITTED BY APPLICABLE LAW, CUSTOMER AND BANK, FOR THEMSELVES AND EACH OF THEIR RELATED ENTITIES, SUCCESSORS AND ASSIGNS, HEREBY IRREVOCABLY WAIVE THE RIGHT TO TRIAL BY JURY OF ALL DISPUTES, CONTROVERSIES AND CLAIMS BY, BETWEEN OR AGAINST EITHER THE CUSTOMER OR BANK WHEN THE DISPUTE, CONTROVERSY OR CLAIM IS TO BE DECIDED BY A COURT. ANY SUCH DISPUTES, CONTROVERSIES, OR CLAIMS SHALL BE RESOLVED BY A JUDGE SITTING WITHOUT A JURY. IF PERMITTED BY APPLICABLE LAW, CUSTOMER AND BANK ALSO WAIVE THE RIGHT TO LITIGATE IN COURT OR AN ARBITRATION PROCEEDING ANY DISPUTE, CONTROVERSY, OR CLAIM AS A CLASS ACTION, EITHER AS A MEMBER OF A CLASS OR AS A REPRESENTATIVE, OR TO ACT AS A PRIVATE ATTORNEY GENERAL.**

**29. Attorney's Fees.**

If either party named herein brings an action to enforce the terms of this Agreement or to declare rights hereunder, the prevailing party in any such action, on trial or appeal, shall be entitled to his reasonable

attorney's fees to be paid by the losing party as fixed by the court.

**30. Assignment.**

The Customer may not assign all or any part of its rights or obligations under the Agreement without Bank's prior express written consent, which may be withheld in Bank's sole discretion. Bank may assign or delegate all or any part of its rights or obligations under the Agreement, including, without limitation, the performance of the Services described herein. The Agreement will be binding on and inure to the benefit of the successors and permitted assigns of either party.

**31. No Third Party Beneficiaries.**

The Agreement is for the benefit of the Customer and Bank and is not intended to grant, and shall not be construed as granting, any rights to or otherwise benefiting any other person, except as expressly otherwise provided for in the Agreement.

**32. Other Agreements; Severability; Construction.**

If any provision of the Agreement or of any writing used in connection with the Agreement is unlawful or unenforceable, each such provision or writing will be without force and effect without thereby affecting any other provision hereof. No waiver of the provisions herein shall be effective unless in writing and signed by the party to be charged with such waiver. No waiver shall be deemed a continuing waiver unless expressly so stated in writing. The headings in the Agreement are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in the Agreement should be construed so the singular includes the plural and the plural includes the singular. Any provision that by its terms or operation is designed to survive termination, expiration or cancellation of this Service shall so survive.

Transactions that have not been processed may display as pending and may reflect in account balance calculations.

(c) Equipment, Software, and Internet Services. The Online Services can be accessed through Bank's web page at [ffin.com](http://ffin.com). To access the Services online, the Customer must own or have access to equipment and software (including web browser software) that allows the Customer to access the Internet. The Customer is responsible for maintaining equipment the Customer will use to access Online Services including personal computers and mobile devices, and associated operating systems, browsers, virus protection, firewalls, and other software. The Customer is responsible for establishing a connection to the Internet through an Internet service provider, wireless communication service provider, or other telecommunications provider. Browser support is subject to change with little to no notice. Bank encourages the Customer to configure its browser for automatic browser updates. The web browser used by the Customer must meet Bank's security standards, as posted on Bank's website. If the Customer tries to log on with an unsupported browser, the Customer will be redirected to download a new version of an acceptable browser. The Customer understands that if a web browser is used that does not support Bank's security standards, the security of the Customer's transactions related to any Service may be compromised and thus not in compliance with the Security Procedures required by Bank.

(d) E-mail Communications. E-mail sent via the Customer's own software may not be secure. The Customer should not include confidential information, such as account numbers and balances, in normal Internet e-mail to Bank. The Customer agrees to contact Bank electronically only by using the secure messaging capability in Bank's Business Online Banking system. The Customer cannot use e-mail to initiate account transactions. Bank will not be liable for any errors, omissions, claims, or problems of any kind involving the Customer's e-mail.

(e) Location Based Information. If the Customer uses any location-based feature of any of the Online Services, the Customer agrees that its geographic location and other personal information (such as its device ID) may be accessed and disclosed through the application or service. The Customer may turn off location-based features at any time within its mobile device settings. If the Customer wishes to revoke access to such information, the Customer must cease using location-based features of the application or service.

(f) Alerts and Mobile Text Messages. Online Services includes alerts and mobile text messaging capabilities. The Customer agrees that Bank may send messages through the Customer's communication service provider in order to deliver them to the Customer and that the Customer's communication services provider is acting as the Customer's agent in this capacity. Bank may use a telephone number, e-mail address, or other delivery location Bank has in its records for the Customer or other such contact information as the Customer may provide to Bank for these services so that Bank may send the Customer certain information about the Customer's

applicable account. Additionally, the Customer agrees to indemnify, defend and hold Bank harmless from and against any and all claims, losses, liability, cost and expenses (including reasonable attorneys' fees) arising from the Customer's provision of a phone number, e-mail address, or other delivery location that is not the Customer's own or the Customer's violation of applicable federal, state or local law, regulation or ordinance. The Customer's obligation under this paragraph shall survive termination of the Agreement.

The alerts and text messages are provided for the Customer's convenience and do not replace the Customer's monthly account statement(s), which are the official record of the Customer's accounts. The Customer understands and agrees that these Services may not be encrypted and may include personal or confidential information about the Customer such as the Customer's account activity or the status of the Customer's account. The Customer also understands that there may be a disruption in service when the Customer changes its communications service provider. Messages may be delayed or impacted by factor(s) pertaining to the Customer's Internet service provider(s), wireless communication service provider, or other parties. Bank will not be liable for losses or damages arising from any disclosure of account information to third parties, non-delivery, delayed delivery, misdirected delivery, or mishandling of, or inaccurate content in, the messages sent through the alerts and text services. The text service is only available to customers who have an enrolled account with Bank, and the Customer may automatically receive certain alerts for enrolled accounts. The Customer is responsible for any and all charges, including, but not limited to, fees associated with text messaging imposed by the Customer's communications service provider. **Message and data rates may apply. Such charges include those from the Customer's communications service provider.** Message frequency depends on user preferences.

(g) Accessing Accounts. The Customer may access any eligible account for which it is an owner. If the Customer desires Services that allow it to initiate payments or transfers from the account, the Customer will need the required withdrawal authority over the account to be able to complete the transaction. By using Online Services, the Customer agrees to maintain one or more accounts with Bank and to keep sufficient balances in any account to cover any transaction and fees that are ultimately approved by or related to the Customer's use of Online Services. The Customer understands and agrees that any one User can initiate transactions (including funds transfers or bill pay transactions) from any of the Customer's accounts using Online Services regardless of whether the User is an Authorized Signer on those accounts and regardless of whether any of those accounts normally require two or more signatures or have other restrictions. The Customer agrees that Bank may consider all such transfers as having been authorized by the Customer.

Authorized Administrators are granted system administrative powers to establish User rights for accounts, authorize and alter rights of any Users over accounts and payment categories, authorize and alter rights to Cash Management Services, and grant or remove Supervisory rights to or from other Users. The Customer acknowledges that Bank has advised the Customer and its assignees of the liabilities created by appointing Authorized Administrators; and agrees that Bank is released from any and all liability for damages, including but not limited to claims for indirect, incidental, special, or consequential damages arising out of or related to the appointment of the Authorized Administrator(s) and the actions, now and in the future, of the Authorized Administrator(s).

The Customer further represents that each individual who has been granted access to Online Services has general authority from the Customer to give instructions to Bank with respect to the Customer's enrolled account upon entry of the Customer's authentication techniques such as User ID, password, PIN, Mobile Authorization Code, and/or authentication token ("Security Device") (including general authority over the movement of the Customer's funds and over accounts with Bank) and that Bank has full authorization from the Customer to rely and act upon instructions from the individual identified by such Security Device. The Customer accepts responsibility for unauthorized access to Online Services with its Security Device by its employees and associates or by third parties. In the event of any conflict between the authority of an individual (including the entitlement to initiate and approve financial transactions on behalf of your business) as evidenced in an account agreement, corporate resolution, power of attorney or other means and that granted through this Agreement (including additional service agreements), the terms of this Agreement shall have precedence.

(h) System Unavailability. Online Services may be unavailable when systems require maintenance or major unforeseen events occur, such as earthquakes, fires, floods, computer failures, interruptions in telephone service, electrical outages, civil unrest or riots, war, or acts or threatened acts of terrorism or other circumstances beyond our control. Bank shall have no liability for interruptions or delays in services due to systems unavailability. When unavailable, the Customer may use Bank's telephone banking system, an ATM, customer contact center or a branch office to conduct its transactions.

(i) Changes to Online Services. Bank may periodically introduce new capabilities to Online Services, or modify or delete existing capabilities. Bank will notify the Customer of these changes if Bank is legally required to do so. By using these Services when they become available, the Customer agrees to the terms contained in this Agreement, any attachments, and subsequent amendments.

(j) Security Procedures. The Customer and Bank shall comply with the following Security Procedures with regard to Online Services:

(i) Security Controls. Bank has implemented various Online Services security controls including, but not limited to: (i) restricting access to Online Services from a computer or mobile device using an unsupported browser or mobile operating system; (ii) controlling access by requiring authentication Security Devices. Additional password complexity, password expiration requirements, or other Security Devices may be required based on the Customer's transaction authority; (iii) automatically terminating sessions after a period of inactivity. Third-party services accessed through Business Online Banking are subject to those vendor's restrictions; (iv) requiring a secure access code (for identification purposes) if the computer the Customer is using is not familiar to Bank; (v) authenticating mobile device specific information such as phone number, IMEI, serial number, or device type may be used as additional authentication when accessing Online Services; (vi) detecting potentially fraudulent transactions using risk and fraud analytics system; (vii) limiting account access, transactions, and providing the ability for dual-authorization for certain transactions across multiple channels; and (viii) for certain products, requiring additional transaction-level authentication including, but not limited to, two-factor authentication using tokens and out-of-band authentication techniques.

(ii) Business Online Banking Security Devices. The Customer's Security Devices will give the Customer access to its accounts and ability to perform certain transactions through Online Services. Bank is entitled to act on any instructions it receives using the Customer's Security Devices. The Customer must memorize its password and must not write down its password down or store it electronically. The Customer should change its password regularly. The Customer can change its password within the Online Services systems. The Customer is responsible for the confidentiality and use of its Security Devices in accessing and using Online Services. The Customer is responsible for keeping its password and account data confidential. When the Customer gives someone its User ID and password, it is authorizing that person to use Online Services. Bank will therefore consider any access to Online Services through use of any valid Security Devices to be duly authorized by the Customer, and Bank will carry out any instruction given regardless of the identity of the individual who is actually operating the system. The Customer is responsible for all Online Services transactions performed using its User ID and password, even if it did not intend or authorize them. If the Customer believes that its password may have been lost or stolen, the Customer must notify Bank at once.

(iii) Computer Security and Maintenance. The Customer understands that installation, maintenance, and operation of the Customer's Computer is the Customer's sole responsibility. Bank is not responsible for any errors or failures of the Customer's Computer, including but not limited to, any virus or Internet related problems that may be associated with the Customer's access and use of the Services online. The Customer confirms that it has investigated Bank's Security Procedures and that it has instituted the proper controls for access to Business Online Banking through its computers, mobile devices, and terminals. The Customer confirms that the security system and controls are commercially reasonable for its business. The Customer agrees that it is responsible for the performance and protection of any browser or operating system used in connection with Business Online Banking, including the prompt adoption of all security patches, installing and mainlining up to date any malicious code security ("anti-virus") and other security measures issued or recommended from time to time by the suppliers of such software. Bank encourages the Customer to scan its computer, mobile devices, and removable storage routinely using a reliable virus protection product to detect and remove viruses. If undetected and unrepaired, a virus can corrupt and destroy the Customer's programs, files, and hardware.

Bank reserves the right as encryption technology develops to impose further reasonable restrictions or requirements to maintain the appropriate level of security for the transactions contemplated hereunder and the Customer agrees to abide by such restrictions or requirements or discontinue the Service or Services hereunder. Unauthorized modification of a mobile device operating system (also known as "jailbreaking") can cause security vulnerabilities, instability, and other issues. Bank strongly cautions against installing any software that modifies a mobile operating system, and Bank may deny service for any mobile device that has installed any unauthorized software. Bank is not responsible for any loss, damage, or injury related to or caused by any use, misuse, or failure of the Customer's equipment. Bank is not responsible for any loss, damage, nor injury related to or caused by any deficiency, malfunction, or failure of the Customer's software, hardware, or internet connection.

(k) Termination and Changes in Terms. Bank reserves the right to terminate the Customer's access to Business Online Banking in whole or in part or to change the charges, fees or other terms described in this Agreement at any time without prior notice. When changes are made, Bank will notify the Customer using one or more of the following: (i) e-mail; (ii) physical mail at the address shown in Bank records; (iii) Business Online Banking secure message; and/or (iv) website content.

Bank reserves the rights to terminate and purge Online Services customers who have not accessed or

utilized the service for an extended period of time. Should the Customer's access be terminated due to inactivity, the Customer will be permitted to re-enroll.

(l) Beta Features. From time to time, Bank may include new or updated beta features in the Online Services ("Beta Features"). Beta Features may have associated fees, which will be disclosed to the Customer at the time the Customer chooses to use the Beta Features. Bank understands that the Customer's use of any Beta Feature is voluntary. The Customer understands that once the Customer uses a Beta Feature, it may be unable to revert back to a prior non-beta version of the same or similar feature. Additionally, if such reversion is possible, the Customer may not be able to return or restore data created within the Beta Feature back to the prior non-beta version. The Beta Features are provided on an "as is" basis and may contain errors or inaccuracies that could cause failures, corruption or loss of data and information from any connected device. The Customer acknowledges and agrees that all use of any Beta Features is at its sole risk.

(m) Provider Services. In connection with the Customer's use of and as part of the functionality of the Services, the Customer may have access to certain online services or information that may be made available by its provider(s) ("Provider Services"), including online banking, online payment, online investment account download, online bill pay, online trading, and other account information available from its provider(s). The Services are designed to allow the Customer to access Provider Services (if and to the extent provided by the Customer's provider(s)) to set up banking and other information, allow the Services to access the Customer's account(s), download transactions into the Services and otherwise aggregate information from the Customer's account(s) with its provider(s).

The Customer acknowledges and agrees that Bank has no control over the provision of Provider Services or provision of access to the Provider Services by the Customer's provider(s), does not guarantee that the Services will work with the Provider Services, and will have no liability whatsoever for any actions or inactions on the part of the provider(s) resulting in the Customer's inability to use the Services to access its accounts, obtain data, download transactions, or otherwise use or access the Provider Services.

(n) Limitation of Damages and Liability. Except as specifically provided for in this Agreement or where the law requires a different standard, the Customer agrees that the Bank is not responsible for any losses, errors, injuries, expenses, claims, attorney's fees, interest or other damages, whether direct, indirect, special, punitive, incidental or consequential, (collectively, "losses") caused by the Customer's use of online banking or the use of online banking or in any way arising out of the installation, use or maintenance of its personal computer hardware or software, including any software provided by Bank or one of its suppliers.

In addition, Bank disclaims any responsibility for any electronic virus(s) the Customer may encounter after installation of such software or use of Business Online Banking or the online services. Without limiting the foregoing, neither Bank nor its suppliers shall be liable for any: (i) failure to perform or any losses arising out of an event or condition beyond their reasonable control, including but not limited to communications breakdown or interruption, acts of God or labor disputes; or (ii) the loss, confidentiality or security of any data while in transit via the internet, communication lines, postal system or ACH network. Bank and its suppliers provide Online Services from their own sites and they make no representation or warranty that any information, material, or functions included in Online Services are appropriate for use by the Customer in its jurisdiction. If the Customer chooses to use Online Services, it does so at its own initiative and is solely responsible for compliance with applicable local laws and regulations. Neither Bank nor its suppliers warrant the adequacy, accuracy, or completeness of any information provided as a part of Online Services, or contained in any third party sites linked to or from Bank's website.

(o) Restrictions. The Customer may not appropriate any information or material that violates any copyright, trademark, or other proprietary or intellectual property rights of any person or entity while using the Online Services. The Customer may not gain, or attempt to gain, access to any Online Services server, network, or data not specifically permitted to the Customer by Bank or its suppliers. The Customer must not include any obscene, libelous, scandalous, or defamatory content in any communications with Bank or its suppliers.

(p) Links to other Sites. Information that Bank publishes online may contain links to other sites and third parties may establish links to Bank's site. Bank makes no representations about any other website that the Customer may access to, from, or through Bank's website. Unless expressly stated in writing, Bank does not endorse the products or services offered by any company or person linked to Bank's website nor is Bank responsible for any software or the content of any information published on the website of any third party. The Customer should take precautions when downloading files from sites to protect its computer software and data from viruses and other destructive programs.

## **2. ACH Origination**

(a) The Service. Bank participates in the ACH Network, which is a batch processing, store-and-forward system. Transactions received by Bank during the day are stored and processed later in a batch mode.

(i) The ACH Network. The ACH Network consists of: (i) Originators who initiate the transaction (the "Entry"); (ii) Originating Depository Financial Institutions (the "ODFI") that receive payment instructions from Originators and forward them to the ACH Operator; (iii) the ACH Operator (normally the Federal Reserve Bank) which is a central clearing facility that receives and forwards

transactions to Financial Institutions; (iv) Receiving Depository Financial Institutions (the "RDFI") that post the transactions to the accounts of their depositors; and (v) Receivers of transactions which are companies or persons who have authorized the Entry to their account.

(ii) Rules. The operation of the ACH Network is governed by NACHA's Operating Rules and Operating Guidelines (the "NACHA Rules"). A copy of the operating rules of NACHA ("ACH Rules Book") and any amendments thereof, can be obtained at <http://www.nacha.org>. Customer can acquire and review the ACH Rules Book on a yearly basis to remain current with ACH Origination rules and requirements. Customer hereby agrees to: (i) comply with all NACHA Rules (including, but not limited to, ACH rules) as now existing or subsequently amended; (ii) abide by the applicable laws of the State of Texas and of the United States, including but not limited to the Bank Secrecy Act, the U.S.A. PATRIOT Act, and sanctions enforced by the U.S. Treasury Department's "Office of Foreign Assets Control" ("OFAC"); and (iii) obtain all information regarding the list of sanctioned individuals periodically issued by OFAC, and refrain from engaging in prohibited transactions with such sanctioned individuals or entities (particularly if Customer is providing third-party ACH processing services to other entities). Customer hereby understands and agrees that Bank is only able to provide ACH Services to Customer via Bank's role as both an ODFI and RDFI, as applicable, under the NACHA Rules, that Bank must comply with all of the NACHA Rules in order to provide ACH Services, and that Bank's compliance with the NACHA Rules includes, but is not limited to, immediately ceasing any ACH Origination provided to Customer if Bank must, in Bank's sole and absolute discretion, take such action against Customer to comply with NACHA Rules and to avoid or mitigate any fines or penalties being assessed against Bank by NACHA for Customer's ACH activities.

(iii) Origination. Bank, as an ODFI, agrees to provide ACH origination services ("ACH Origination") to allow the Customer to be an Originator of ACH Entries pursuant to the terms of the Agreement and this ACH Origination Section.

(b) ACH Origination Approval and Underwriting Process.

(i) Bank Approval and Monitoring of Customer's ACH Origination Risk. Customer agrees and acknowledges Bank shall provide ACH Origination to Customer subject to Bank's prior approval. To obtain approval from Bank, the Customer is required to undergo Bank's screening and risk analysis process regarding the Customer's proposed ACH origination risk limit. In addition, after any initial approval for ACH Origination by Bank, Bank shall also, from time-to-time and in its sole discretion (including the occurrence of certain events described in subsection (iii) below), undertake

additional ACH origination risk analysis monitoring activities that are deemed necessary, in Bank's sole and absolute discretion, while Bank is providing ACH Origination to an approved Customer. Customer agrees to cooperate with Bank regarding any ongoing risk analysis activities by Bank, including providing financial or other documents in a timely manner upon Bank's request, and taking any risk mitigation or other ACH Entry origination procedures as required by Bank.

(ii) ACH Origination Risk Criteria. Bank's ACH risk analysis may be based on one or more factors deemed relevant by Bank in its sole discretion, including, but not limited to, the following factors: (i) the credit worthiness, financial condition and financial performance of the Customer, particularly the Customer's capital adequacy relative to the Customer's ACH activity volume; (ii) the nature, conduct and geographic location of the Customer's business, including whether the Customer engages in certain high-risk ACH activities or transaction environments, or whether certain "Standard Entry Class" ("SEC") codes that Bank either deems to be high-risk or does not allow are present in Customer's ACH transactions; (iii) the historic level and dollar amounts of Customer's ACH returns, including any return levels or dollar amounts in excess of generally acceptable ACH return parameters (as determined by Bank in its sole discretion), or a sudden increase in Customer's ACH return levels; and (iv) whether the Customer adheres to all authorization requirements set forth in detail in Section (e) below.

(iii) Material Change in Credit Standing and Risk Analysis Criteria. In the event a Customer approved for ACH Origination either fails to maintain the minimum risk analysis criteria as required by Bank, or if, in the opinion of Bank, the Customer undergoes a material change in its operations that Bank believes increases the risk of the Customer's ACH operations, then Bank may, in its sole discretion, take any and all of the following actions: require the Customer to pre-fund their ACH activities (as defined in Section (c) below); require the Customer to establish a Reserve Account (as defined in Subsection (iv) below); or terminate ACH Origination to the Customer, generally upon prior written notice from Bank, or immediately if Bank deems immediate termination necessary, in Bank's sole discretion, to comply with NACHA Rules. Events that constitute a material change in a Customer's business operations include, but are not limited to: (i) levels of ACH returns that exceed generally acceptable return levels (as determined by Bank); (ii) a significant or sudden increase in the Customer's ACH return levels as compared to the Customer's historic ACH return levels; (iii) significant changes in the nature of the Customer's business, including its product and services lines or transaction environments; or (iv) the occurrence of any other event that Bank believes represents a material change in the Customer's financial

performance or financial condition. Upon learning of any such material change, Bank will inform Customer of the issue, and Bank may exercise its right to temporarily suspend the Customer's ACH Origination in order to investigate the issue. After investigation, Bank may invoke its rights to require the Customer to Pre-fund ACH Origination or to establish a Reserve Account, or Bank may, in its sole discretion, exercise its right to terminate ACH Origination to the Customer generally upon prior written notice from Bank, or immediately if Bank deems immediate termination necessary, in Bank's sole discretion, to comply with NACHA Rules.

(iv) Reserve Account. Upon written notification by Bank, a Customer shall immediately establish a separate account funded with an amount required to protect Bank against the risks associated with Customer's ACH operations (the "Reserve Account"). Such Reserve Account must be established by the date requested by Bank, and the required Reserve Account amount expressly includes any existing or anticipated Customer-related ACH returns, including all fees, costs, fines and penalties assessed against either Customer or Bank associated with such Customer-related ACH returns. The Reserve Account will not bear interest, and the Customer will not have any right or interest in the Reserve Account funds; provided that upon satisfaction of all of Customer's obligations under this Agreement, Bank will pay any funds remaining in the Reserve account no sooner than ninety (90) days after the effective date of termination of Customer's ACH Origination pursuant to NACHA Rules and Federal Reserve Board's Regulation E. Effective upon the establishment of any Reserve Account, the Customer irrevocably grants Bank a security interest in the Reserve Account and any and all funds in the Account, together with the proceeds thereof. Customer also agrees to execute and deliver to Bank such instruments and documents that Bank may reasonably request to perfect and confirm the security interest and Bank's right of setoff in the Reserve Account. Customer understands and acknowledges that Customer's failure to establish and fund a Reserve Account immediately upon Bank's request shall be grounds for immediate termination of Customer's ACH Origination provided by Bank, with such termination in Bank's sole discretion.

(c) Prefunding of ACH Credit Entries. If a Customer does not meet Bank's minimum credit standards and risk analysis requirements to become fully approved for ACH Origination, Bank may choose to offer the Customer the option of obtaining ACH Origination on a pre-funded basis ("Prefunding"). Bank can also exercise its rights under Section (b) to require a Customer approved for ACH Origination to begin Prefunding its ACH Origination. If Bank exercises its rights to require Prefunding under Section (b) and Customer does not immediately comply with Bank's request, then such non-compliance shall be grounds for immediate termination of Customer's ACH

Origination provided by Bank, with such termination in Bank's sole discretion. If a Customer uses Prefunding for ACH Origination, the Customer is required to provide immediate available and collected funds sufficient to pay all Entries initiated by the Customer (1) not later than 9:00 a.m. Central Time three (3) Business Days before each Settlement Date, and (2) prior to initiating any Entries for which prefunding is required. If the Customer's account has funds that are at least equal to the amount of the ACH credit Entry file, then the ACH credit Entry file will be processed as normal on the desired settlement date. However, if the Customer does not have the necessary funds available in their account, then the ACH system will reject the file.

(d) Delivery of Entries. The Customer shall deliver Entries to Bank through Bank's Business Online Banking, designated secure file upload system or secure FTP. Entries shall be deemed delivered to Bank when the applicable security procedures with respect to submission as set forth herein have been complied with and the submission to Bank is completed in accordance with the Agreement.

(i) Effective Date. The Customer shall specify the date on which it desires each batch of Entries to be Settled (the "Effective Entry Date"). The Effective Entry Dates specified for all Entries must be Business Days or the Entry will be processed on the first Business Day following the Effective Entry Date.

(ii) Cutoff Times. Entries shall be delivered to Bank at the then-posted cut-off times for regular Entries and same-day entries (the "Cutoff Time"). Bank strongly encourages the Customer to complete ACH credit Entries at least two (2) Business Days prior to their Effective Entry Date to guarantee funds availability to the Receiver. If Entries are delivered to Bank after the Cutoff Time on a Business Day, Bank may treat such Entries as having been received on the next following Business Day. Entries delivered to Bank shall be prepared and submitted in compliance with the formatting and other requirements as set forth in the NACHA Rules and in accordance with the provisions of the Agreement.

(iii) Sensitive Information. The Customer shall not send banking information over an unsecured Internet connection. Communications sent to Bank over the Internet are considered unsecured unless the information is encrypted in accordance with Bank's security standards, as posted on Bank's website, or transmitted via a secure session using a commercially reasonable security technology that provides a level of security that is at least equivalent to Bank's security standards, as posted on Bank's website. Banking information is sensitive personal or private information that includes, but is not limited to: banking routing number, account number, Social Security number, and ACH Entries.  
**THE CUSTOMER ACKNOWLEDGES AND AGREES THAT ANY REQUESTS SENT VIA E-MAIL OR OTHER ELECTRONIC**

**COMMUNICATION TO BANK THROUGH AN UNSECURED ELECTRONIC NETWORK ARE IN VIOLATION OF BANK AND NACHA POLICY AND PROCEDURES. THE CUSTOMER UNDERSTANDS AND AGREES THAT BANK IS NOT LIABLE FOR ANY LOSS OR DAMAGE INCURRED BY THE CUSTOMER WHEN AN UNAUTHORIZED PERSON GAINS ACCESS TO ANY SUCH E-MAIL OR OTHER ELECTRONIC COMMUNICATION. THE CUSTOMER AGREES TO INDEMNIFY AND HOLD BANK HARMLESS IF BANK ACTS WITH ORDINARY CARE IN GOOD FAITH BY RESPONDING TO ANY E-MAIL OR OTHER ELECTRONIC COMMUNICATION PURPORTED TO BE SENT BY THE CUSTOMER. BANK'S IMPLEMENTATION OF ITS NORMAL PROCEDURES REGARDING RECEIPT AND MAINTENANCE OF CONFIDENTIAL INFORMATION CONSTITUTES ITS EXERCISE OF DUE CARE.**

(e) Authorization of Entries. The Customer shall:

(i) Authorization. Obtain authorization from the "Receiver" of any Entry (*e.g.* the Customer's employee or customer or other person whose account is to be debited/credited for the Entry) through either a written authorization agreement, as required by the NACHA Rules or by any other method of authorization allowed under and in accordance with the NACHA Rules, before initiating any Entry to the Receiver's account; such authorization agreement must authorize the Customer to initiate Entries to the Receiver's account and to initiate, if necessary, entries and adjustments for any Entries made in error to the Receiver's account. The Customer shall comply with all provisions of the federal Electronic Funds Transfer Act ("EFTA"), including the requirements of Regulation E promulgated by the U.S. Federal Reserve Board in accordance with EFTA, if applicable, and the provisions of the Texas UCC Section 4A, if applicable. Furthermore, the Customer shall perform its obligations in accordance with all other applicable laws and regulations, including but not limited to the foregoing with respect to obtaining and documenting authorization from the Receiver of any Entry. Customer understands, acknowledges and agrees that ACH Entries to a Receiver's account where the individual name does not match the account information will be posted based on the account information provided in the ACH transaction, not based on the name, individual identification or other information provided in the ACH Entry. It is the sole responsibility of the Customer to verify that the individual signing the ACH authorization is in fact entitled to use the specified account. The Customer may obtain and store the authorization by electronic methods as long as: (i) the electronic record accurately reflects the information in the document; (ii) the electronic authorization is similarly

authenticated (*e.g.* through the use of a digital signature, PIN, password, shared secret, etc.); and (iii) the electronic record is capable of being accurately reproduced for future reference, whether by transmission, printing or other reproduction;

(ii) Retention of Authorization. Retain each such authorization agreement for so long as the same remains in effect and for a period of two (2) years after the termination or revocation of such authorization agreement;

(iii) Proof of Authorization. Upon request from Bank or any RDFI, provide Bank or such RDFI with a copy of such Receiver Entry written authorization agreement, or documentation of such authorization, in accordance with the NACHA Rules;

(iv) Telephone-Initiated Debit Entries. With respect to any debit Entry to a consumer account pursuant to an authorization obtained from the Receiver via telephone ("Telephone-Initiated Debit Entry" or "TEL"), the Customer represents and warrants to Bank, to the extent not already represented and warranted herein: (i) the Customer has commercially reasonable procedures to verify the identity of the Receiver and to verify that routing numbers are valid; (ii) for purposes of the Customer's compliance with provisions relating to the authorization of entries by the Receiver and with respect to TEL Entries, the authorization agreement shall be either: for single TEL Entries (1) comprised of oral authorization from the Receiver containing the minimum information required by the NACHA Rules, and (2) evidenced by either a tape recording of such oral authorization or a written notice to the Receiver confirming the oral authorization and meeting the requirements of the NACHA Rules; for recurring TEL Entries (1) comprised of oral authorization from the Receiver containing the minimum information required by the NACHA Rules, and (2) evidenced by a tape recording of such oral authorization and a written copy of the authorization to the extent required by Regulation E, including the requirement to send a copy of the authorization to the Receiver, and meeting the requirements of the NACHA Rules. The original or a duplicate tape recording of the oral authorization, or, as applicable, the original, microfilm, or microfilm-equivalent copy of the written notice, shall be retained for so long as the authorization agreement remains in effect and for a period of two (2) years after the termination or revocation of the authorization agreement;

(v) Internet-Initiated (WEB) Entries. With respect to any Entry to a consumer account pursuant to an authorization obtained from the Receiver via the Internet ("Internet-Initiated Entry" or "WEB"), Customer represents and warrants to Bank, to the extent not already represented and warranted herein: (i) Customer has employed a commercially reasonable fraudulent detection system to screen such Entry; (ii) Customer has used commercially reasonable procedures to verify the

identity of the Receiver and to verify that routing numbers provided by the Receiver are valid; (iii) Customer has established a secure Internet session with each Receiver utilizing a commercially reasonable security technology, at a minimum equivalent to Bank's security standards, as posted on Bank's website, prior to the Receiver's key entry of any banking information, including, but not limited to, the Receiver's routing number, account number, and PIN or other identification symbol; and (iv) Customer will conduct or have conducted annual audits in accordance with NACHA Rules to ensure the financial information it obtains from Receivers is protected by security practices and procedures that include, at a minimum, adequate levels of (1) physical security to protect against theft, tampering, or damage, (2) personnel and access controls to protect against unauthorized access and use, and (3) network security to ensure secure capture, storage, and distribution of financial information, and Customer will provide to Bank a copy of the written report of each such audit promptly upon its receipt. If the Customer will be engaging in mobile initiated Entries (e.g. origination of consumer Entries via a mobile device), the Customer must use the WEB SEC code and must otherwise comply with the NACHA Rules regarding mobile WEB Entries;

(vi) Back Office Conversion Entries ("BOC Entries"). With respect to any ACH debit Entry to an account of a purchaser (e.g. a customer of the Customer) that is the result of Customer's Back Office Conversion process whereby Customer converts source documents (typically paper checks) to ACH debit Entries, Customer acknowledges and agrees that all such BOC Entries must be made in accordance with applicable law and the NACHA Rules for BOC Entries. Customer hereby represents and warrants to Bank, to the extent not already represented and warranted herein: (i) Customer complies with applicable provisions of the EFTA, Regulation E and the NACHA Rules, including the requirements regarding (A) posting conspicuous notice to purchasers indicating that any source document presented at Customer's register may be used to create "electronic checks" to be sent for collection to the purchaser's account and listing Customer's telephone number for questions regarding the transaction, (B) the requirement that the purchaser be provided with a copy of such notice at the time of the transaction, and (C) maintaining a working telephone number that is answered during the Customer's normal business hours for receiving inquiries regarding BOC Entries; (ii) the amount of the Entry, the routing number, the account number, and the check serial number reflected in the BOC Entry are in accordance with the source document; (iii) Customer has employed commercially reasonable procedures to verify the identity of the Receiver; (iv) Customer will maintain a reproducible, legible image, microfilm or copy of

the front of the source document for two (2) years from the settlement date; (v) Customer will provide a copy of the source document within six (6) Business Days upon a written request from Bank, and such copy will indicate that it is a copy on its face; (vi) the source document used for the BOC Entry will not be presented or returned such that any purchaser will be required to make payment based on the source document; and (vii) Customer has employed commercially reasonable methods to securely store (A) all source documents until destruction and (B) all electronic or other banking information relating to BOC Entries;

(vii) Point of Purchase Entries ("POP Entries"). With respect to any debit Entry to a consumer account authorized pursuant to the NACHA Rules at a point-of-purchase, Customer represents and warrants to Bank, to the extent not already represented and warranted herein: (i) Customer has provided the Receiver a receipt containing the information required in the NACHA Rules, including without limitation the city and state in which the electronic terminal for the point-of-purchase transaction was located and, when there are multiple locations, another identifier; (ii) the source document provided to Customer for use in obtaining the Receiver's routing number, account number, and check serial number for the initiation of the POP Entry has been returned voided to the Receiver after use by Customer and has not been provided by the Receiver for use in any prior POP Entry; and (iii) Customer will retain the original or a copy of the Receiver's authorization for two (2) years from the settlement date of the POP Entry; (v) Customer will provide a copy of the source document within six (6) Business Days upon a written request from Bank, and such copy will indicate that it is a copy on its face; (vi) Customer has employed commercially reasonable methods to securely store all electronic or other banking information relating to POP Entries; and

(viii) International ACH Transactions ("IAT Entries"). Customer agrees that an IAT Entry initiated or transmitted by Customer to Bank that is intended to settle in a country outside the United States will be in compliance with the laws and regulations of the receiving country. At Customer's request, Bank will assist the Customer with the form, format, and content of any such IAT Entry prior to processing the IAT Entry into the ACH network. Customer agrees and acknowledges that any assistance by Bank does not in any manner obligate Bank for the accuracy of enforceability of the IAT Entry in any country outside the United States. Customer bears the risk of any loss caused by the delay, tax, cost, tariff, fee, or other charge incurred on account of the IAT Entry in any country outside the United States. If the settlement of any IAT Entry involves clearing of the IAT Entry in more than one country outside the United States, Bank shall be permitted to rely upon any advice or instructions

received by Bank from the financial institution or financial agency located in the first country outside the United States with which the entry is directed. Customer agrees and acknowledges that Bank shall not be liable to the Customer for any loss or charge incurred by the Customer as the result of the application of any foreign currency exchange criteria imposed by any institution or agency located outside the United States.

(ix) Same-Day Entries. Customer may request to enroll in Same-Day Entries by contacting Customer's Treasury Management Sales Officer. If Customer requests to enroll in Same-Day Entries and Bank approves Customer's request, in Bank's sole discretion, Customer may designate certain Entries to be originated as Same-Day Entries. Same-Day Entries delivered to Bank shall be prepared and submitted in compliance with the instructions and other requirements set forth in the NACHA Rules and this Agreement. Customer understands that any Entries above the Same Day ACH entry limit and IAT Entries are not eligible for Same-Day ACH processing and Customer further agrees it will not structure Entries to avoid these eligibility restrictions. Additional fees apply for Same-Day Entries.

(f) Security Procedures. The Customer and Bank shall comply with the following security procedures with regard to the delivery of Entries and requests for cancellation or amendment of Entries by the Customer to Bank:

(i) Customer Responsibilities. The Customer is strictly responsible to establish and maintain procedures to safeguard against unauthorized ACH Entries. The Customer warrants that no individual will be allowed to initiate transfers in the absence of proper supervision and safeguards. The Customer shall establish and maintain security policies, procedures, and systems related to initiation, processing, and storage of Entries that are designed to: (i) protect the confidentiality of Protected Information; (ii) protect against anticipated threats or hazards to the security or integrity of Protected Information; and (iii) protect against unauthorized use of Protected Information that could result in substantial harm to a natural person. "Protected Information" means non-public personal information, including financial information, of a natural person used to create, or contained within, an Entry and related addenda records.

(ii) Limiting access and securely storing ACH data used in the routing and settlement of ACH transactions is a critical data security precaution. Customer's ability to limit access to production data can be done through commercially available software products. Access can be limited to specific programs, user IDs, or read-only or read-and-edit-only access functionality. Files can also be transmitted between ACH participants using the following data protection methods: encryption and authentication.

(iii) Bank strongly recommends that Customer incorporate dual control authorities to authenticate all ACH Entries. Customer acknowledges that Bank has offered to Customer commercially reasonable Security Procedures to verify the authenticity of ACH Entries, which Security Procedures Customer agrees are reasonable in the context of Customer's operation, requirements, and internal procedures. Customer acknowledges if the Customer chooses not to incorporate dual control authorization as a Security Procedure to authenticate ACH Entries, Bank will require the Customer to document a waiver of this recommendation by completing a Waiver. Customer further acknowledges that declining Security Procedures offered by Bank may substantially increase the risk of loss to Customer. If Customer rejects Bank's recommended Security Procedures, Customer hereby acknowledges that Bank first offered to Customer a "commercially reasonable Security Procedure."

(iv) Delivery of Entries by Business Online Banking Services. The following procedures shall be followed in delivering Entries to Bank by Bank's Business Online Banking Services: (i) on the date that the Entry is transmitted, the Customer (or an agent of the Customer) will have initially logged into Bank's Business Online Banking Services using their log-in credentials, and security token, which will be accepted by Bank as evidence of authorization and authentication for processing; and (ii) the Entry data will be deemed delivered to Bank when all steps as described in this section have been complied with and the transmission is completed;

(v) Requests for Cancellations or Amendments. The Customer shall have no right to cancel or amend an Entry after its receipt by Bank. However, any Authorized Party or User of the Customer may request a cancellation or amendment of an Entry on behalf of the Customer in the manner set forth below: (i) the Customer shall transmit to Bank's Operations Center a facsimile copy of a written request for cancellation or amendment of an Entry, signed by an Authorized Party or User of the Customer; and (ii) the request or authorization will not be considered received by Bank until all steps as described in this section have been completed. Bank shall use reasonable efforts to act on the request by the Customer for cancellation of an Entry prior to transmitting to the ACH Operator or, in the case of an On-Us Entry, prior to crediting a Receiver's account, but shall have no liability if such cancellation is not affected.

(g) Compliance with Security Procedures. If an Entry (or a request for cancellation or amendment of an Entry) received by Bank purports to have been transmitted or authorized by the Customer, it will be deemed effective as Customer's Entry (or request) and Customer shall be obligated to pay Bank the amount of such Entry even though the Entry (or request) was not authorized by the

Customer, provided Bank accepted the Entry in good faith and acted in compliance with the Security Procedures with respect to such Entry. If an Entry (or request) received by Bank was transmitted or authorized by the Customer, the Customer shall pay Bank the amount of the Entry, whether or not Bank complied with the Security Procedures with respect to that Entry and whether or not that Entry was erroneous in any respect or that error would have been detected if Bank had complied with such procedure. Bank does not verify the accuracy of the file attributes, including, but not limited to, Effective Date(s), account information or bank information. Customer must comply with the separate security procedures for Business Online Banking as set forth in this Agreement with regard to origination of ACH Entries.

(h) Exposure Limit. The total dollar amount of all Entries delivered to Bank in any one file of Entries, plus all other Entries that remain unsettled in the ACH network, shall not exceed the customer's "Exposure Limit". The Exposure Limit is determined by Bank in its sole and absolute discretion as part of the ACH Origination approval and underwriting process described in Section (b) above. Bank shall have the right to reduce the Customer's Exposure Limit at any time immediately upon delivery of notice to the Customer.

(i) File and Daily Limits for Business Online Banking Customers. For Customers sending ACH Entries through Bank's Business Online Banking Service, Customer's Authorized Administrator can establish file and daily limits within the ACH module of the Business Online Banking Service. When the Customer's Authorized Administrator changes such file and daily limits, the changes are effective immediately, provided such changes are equal to or less than the Exposure Limit. ACH files sent to Bank are screened against these limits

(j) Processing, Transmittal and Settlement by Bank.

(i) Processing. Except as otherwise provided in these ACH Origination provisions, Bank shall (i) process Entries received from the Customer conforming to the requirements of the NACHA Rules; (ii) transmit such Entries as ODFI to the ACH Operator; and (iii) settle such Entries as provided in the NACHA Rules.

(ii) Transmitting Credit Entries. Except for Same-Day ACH Entries, Bank will transmit credit Entries by the deadline of the ACH Operator one (1) to two (2) Business Days prior to the Effective Entry Date shown in such Entries, provided that in each case such Entries are delivered to Bank by the applicable Cutoff Time and Customer has funds available. For Same-Day ACH Entries, Bank will transmit credit Entries by the deadline of the ACH Operator on the same day as the Effective Entry Date shown in such Entries, provided that in each case such Entries are delivered to Bank by the applicable Cutoff Time and Customer has funds available and agrees to the additional fees that apply.

(iii) Transmitting Debit Entries. Except for Same-Day ACH Entries, Bank will transmit debit Entries designated for one-day settlement to the ACH Operator for one-day settlement by the deadline of the ACH Operator one (1) Business Day prior to the Effective Entry Date shown in such Entries.

(iv) Cut Offs. If Entries are delivered late (i.e., after the applicable Cutoff Time), or if the Effective Entry Date specified for the Entries is not a Business Day, then Bank may reject such Entries or Bank may, in its sole discretion, use its reasonable efforts to transmit such Entries to the ACH Operator by the next reasonably available deposit deadline of the ACH Operator following the applicable deadline specified in Section (b) of these ACH Origination provisions. In no event will Bank be liable for any loss resulting from any failure of a Receiver's account to be debited/credited for an Entry on its Effective Entry Date.

(v) On-Us Entries. All Entries received for debit/credit to an account maintained with Bank ("On-Us Entries") will be treated in accordance with this section and as otherwise provided for in the Agreement.

(k) Rejection of Entries. Bank may reject any Entry (or group of Entries) which does not comply with, and/or is not delivered in accordance with, the requirements of this Agreement, or which contains an Effective Entry Date more than thirty (30) Business Days after the Business Day such Entry(s) is received by Bank. Bank shall also have the right to reject any Entry (including On-Us Entries) for any reason for which an Entry may be returned under the NACHA Rules. Bank shall have the right to reject any Entry if the Customer has failed to comply with any of its account balance obligations under these ACH Origination provisions. Bank will notify the Customer of any such rejection by any method of notification authorized under the Agreement, no later than the Business Day such Entry would otherwise have been transmitted by Bank to the ACH Operator, as provided in Section (h) of these ACH Origination provisions. Bank shall have no liability to the Customer by reason of the rejection of any such Entry or the fact that such notice is not given at an earlier time than that provided for herein.

(l) Cancellation, Amendment or Correction of Entries. The Customer shall have no right to cancel or amend any Entry after its receipt by Bank. However, Bank will use reasonable efforts to act on a request for cancellation or amendment of an Entry received from the Customer prior to Bank's transmission of the Entry to the ACH Operator or, in the case of an On-Us Entry, prior to Bank's debit/credit of the Entry to a Receiver's account, but Bank shall have no liability if such cancellation or amendment is not effected. If the Customer discovers that an Entry initiated by or on its behalf was in error, the Customer may notify Bank of such error, however, such notification must be provided to Bank within twenty-four (24) hours after discovery of the error and must be provided by such means of notification as is authorized under the

Agreement. The Customer shall send or deliver to the Receiver written notice of such correction and the reason therefore prior to requesting the correction. The Customer shall indemnify Bank from and against any Claims, demands, loss, liability or expense, including attorney's fees and costs, resulting directly or indirectly from compliance by Bank with any request for cancellation, amendment or correction of an Entry, whether or not the cancellation, amendment or correction is affected. All requests for cancellation, amendment or correction of Entries must be made by the Customer in compliance with the Security Procedures for such requests as set forth herein.

(m) Returned Entries.

(i) Notification to Customer. Bank will notify the Customer or the Customer's Authorized Party of Bank's receipt of a returned Entry (or group of Entries) from the ACH Operator in accordance with the notice procedures authorized under the Agreement no later than one (1) Business Day after the Business Day of such receipt, and will debit/credit the Customer's Account (as identified by number in the applicable ACH schedule) for the returned Entry(s).

(ii) Resubmission. The Customer shall assume the sole responsibility for remaking and resubmitting said Entry(s) in accordance with the requirements of the Agreement or otherwise handling the payments due the Receiver(s), unless the return was due to an error in the processing of such Entry(s) by Bank and sufficient data is available to Bank to permit it to remake and resubmit such Entry(s), in which event Bank will remake and resubmit such Entry(s). Bank assumes no other responsibility with respect to such returned Entries except for an Entry retransmitted by the Customer in accordance with the requirements of the Agreement and the NACHA Rules, Bank shall have no obligation to retransmit a returned Entry to the ACH Operator if Bank complied with the requirements of the Agreement with respect to the original Entry.

(iii) Limit on Resubmission. Except for Re-Presentation Check ("RCK") Entries, an ACH entry returned for insufficient or uncollected funds may be reinitiated no more than two (2) times following the return of the original Entry. For RCK Entries, an entry returned for insufficient or uncollected funds may be reinitiated as long as the item has been presented no more than one time in its physical form and no more than one time as an RCK entry.

(iv) TEL Returns. Where Bank or NACHA believes the return rate for the Customer's TEL entries that are returned as unauthorized exceeds the normal and acceptable return rate for Customer, Bank shall notify the Customer of such excessive unauthorized return rate and the Customer, upon request from Bank, will provide the following information: (i) the Customer's, address, telephone number, contact person, principal owner(s) and taxpayer

identification number; (ii) the name, address, telephone number, contact person, principal owner(s) and taxpayer identification number of any Third-Party Service Provider acting on behalf of the Customer with respect to origination of TEL entries, (iii) a general description of the nature of the business of the Customer; and (iv) an explanation of the reason(s) for the excessive return rate. The Customer will provide this information to Bank within five (5) business days after receipt of the request from Bank.

(v) Returned ACH Entry Warning Notices. As part of Bank's ACH Origination underwriting process as generally set forth in Section (b) above, Bank routinely monitors and submits reports to NACHA regarding Customers' historic ACH Entry return levels and dollar amounts. Under the NACHA Rules, if an individual Customer's ACH Entry return levels exceed certain parameters, then Bank, as the ODFI, is instructed to take certain actions to mitigate a Customer's unacceptable levels or dollar amounts of ACH Entry returns. If Bank does not comply with such requirements in its role as an ODFI, Bank is subject to censure, fines and penalties imposed by NACHA. Customer understands and agrees that in order to protect itself from risks, and to inform its Customers of problems with returned ACH Entries, Bank will inform Customer of Customer's excessive ACH Entry return levels or dollar amounts, as determined by Bank in its sole discretion, and Customer agrees to take all steps requested by Bank immediately to decrease the levels and/or dollar amounts of Customer's ACH returns. If Customer fails to comply with the required actions as outlined by Bank then such failure to comply shall be deemed to be a material violation of this Agreement, and Bank may, in its sole and absolute discretion, immediately terminate ACH Origination to Customer.

(n) Debits/Credits to the Customer's Account.

(i) Credit Entries. The Customer authorizes Bank to debit the Customer's account for ACH credit Entries processed for the Customer either on Settlement Date or on the date the ACH credit Entry file is transmitted to Bank if the entry is prefunded.

(ii) Debit Entries. Bank shall credit the Customer's Account for the amounts of debit Entries processed for the Customer hereunder on the settlement date for such Entries; it being expressly understood, however, that each credit to the Customer's Account on account of a debit Entry is provisional until Bank receives final settlement for such Entry, and Bank may charge-back to the Customer's Account the amount of any debit Entry credited to the Customer's Account for which Bank does not, for any reason, receive final settlement.

(iii) Amendments to Entries. The Customer authorizes Bank to credit the Customer's Account for any amount received by Bank by reason of the

return or cancellation of any credit Entry transmitted by Bank for which Bank has previously received payment (such credit to the Customer's Account to be made on the date Bank receives such amount), and to debit the Customer's Account for the amount of any returned debit Entry (such debit to the Customer's Account to be made upon receipt by Bank of the returned Entry), and to debit or credit (as applicable) the Customer's Account for any amendments made to Entries or for corrected Entries resubmitted.

Customer agrees that upon termination of ACH Origination by either Bank or Customer, Bank may require Customer to maintain an open Account with sufficient funds to accommodate any ACH Entries returned, or any other costs, associated with any ACH transactions occurring prior to the termination of ACH origination activities. This Account shall remain available for a minimum period of sixty (60) days, or longer if Bank believes, in its sole discretion, that such time extension is necessary to accommodate additional ACH Entry returns or associated costs.

(o) Reversals. Customer may request a reversal by completing a Reversal Request Form. The Customer may initiate a reversing Entry for erroneous or duplicate transactions as permitted by the NACHA Rules. The Customer warrants that it has initiated the Entry within five (5) Business Days of the original Entry and within 24 hours of the discovery of the error. The Customer also warrants that the account holder of a reversing Entry has been notified of the reversal and the reason for the reversal no later than the settlement day of the reversal. The Customer indemnifies all parties of the transaction(s) from and against any claim, demand, loss, liability or expense.

(p) Customer Representations; Indemnity. The Customer represents to Bank and agrees that:

(i) Receiver Authorizations for Credit Entries. Each person shown as the Receiver on a credit Entry received by Bank from the Customer has, by an authorization agreement in accordance with the NACHA Rules, authorized the initiation of such Entry and the crediting of the Receiver's account in the amount and on the Effective Entry Date shown on such Entry, and has authorized the initiation, if necessary, of debit Entries and adjustments for any credit Entries made in error to the Receiver's account;

(ii) Receiver Authorizations for Debit Entries. Each debit Entry received by Bank from the Customer is for a sum due and owing to the Customer by the Receiver of such debit Entry, or is for a sum specified by such Receiver to be paid to the Customer, or is a correction of a previously submitted erroneous credit Entry, and such Receiver has duly authorized such Entry by an authorization agreement in accordance with the NACHA Rules. Without limiting the foregoing, re-initiation of any

debit Entry previously returned for stop payment has been authorized by the Receiver;

(iii) Effective Authorizations. Each such authorization with respect to an Entry is operative at the time of transmittal or debiting/crediting by Bank as provided herein; and at the time each Entry is processed by Bank, the Customer has no knowledge of revocation by such Receiver of such authorization, and the Customer has no knowledge of any revocation by such RDFI of its agreement to accept such Entry, or any knowledge that such Receiver's authorization for such Entry has been terminated, in whole or in part, by operation of law or otherwise;

(iv) Types of Entries. Entries transmitted to Bank by the Customer are limited to those types of Entries identified to Bank by the Customer;

(v) ACH NACHA Rules. The Customer shall be bound by and comply with the then-current version NACHA Rules including, without limitation, the provision thereof making payment of an Entry by the RDFI to the Receiver provisional until receipt by the RDFI of final settlement for such Entry; and the Customer specifically acknowledges that it has received notice of this NACHA Rule and of the fact that, if such settlement is not received, the RDFI shall be entitled to a refund from the Receiver of the amount credited and the Customer shall not be deemed to have paid the Receiver the amount of the Entry; and

(vi) Legal Obligations. The Customer shall perform its activities under the Agreement in accordance with all applicable laws and regulations, including without limitation the regulations of OFAC of the U.S. Department of the Treasury. **IN ADDITION TO THE INDEMNIFICATION OF BANK BY CUSTOMER AS SET FORTH ELSEWHERE IN THIS AGREEMENT, IN THE EVENT THAT CUSTOMER, OR A THIRD-PARTY AGENT ACTING ON BEHALF OF AND WITH AUTHORITY FROM THE CUSTOMER, IS THE ORIGINATOR OF ACH ENTRIES AND FAILS TO PERFORM ITS OBLIGATIONS AS AN ORIGINATOR UNDER THE NACHA RULES, CUSTOMER HEREBY INDEMNIFIES BANK FROM ANY AND ALL CLAIMS, DEMANDS, LOSSES, LIABILITY OR EXPENSE, INCLUDING ATTORNEYS' FEES, FINES, PENALTIES AND ANY OTHER COSTS THAT RESULT DIRECTLY OR INDIRECTLY FROM THE FAILURE OF CUSTOMER OR ITS THIRD-PARTY AGENT TO PERFORM ITS OBLIGATIONS UNDER THE NACHA RULES.**

(q) Express Limitations on Bank's Liability. Customer understands and expressly assumes all risks related to Bank immediately suspending or terminating Customer's ACH Origination under this Agreement, including, but not limited to, Bank immediately suspending or terminating Customer's ACH Origination due to Customer's non-

compliance with Bank's requirements as set forth in any "Excessive ACH Returns Warning Notice." **CUSTOMER UNDERSTANDS AND EXPRESSLY ACKNOWLEDGES AND AGREES THAT, IN ADDITION TO THE LIMITATIONS ON LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, BANK SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES (INCLUDING, WITHOUT LIMITATION, LOSS OF REVENUE OR ANTICIPATED PROFITS OR FOR ANY INDIRECT LOSS THAT THE CUSTOMER MAY INCUR OR SUFFER IN CONNECTION WITH BANK TERMINATING CUSTOMER'S ACH ORIGATION IN ACCORDANCE WITH THIS AGREEMENT.**

(r) Notifications of Change. Bank will notify the Customer of all Notifications of Change ("NOC") or Corrected Notification of Change ("Corrected NOC") received by Bank relating to Entries transmitted by the Customer by sending a copy of such notification of change to the Customer no later than two (2) Business Day after Bank's receipt thereof. Customer shall ensure that changes requested by the NOC or Corrected NOC are made within six (6) Business Days of Customer's receipt of the NOC information from Bank or prior to initiating another entry to the Receiver's account, whichever is later. If the NOC is incorrect, the Customer will generate a Refused NOC and deliver it to Bank within 15 calendar days.

(s) Pre-notification. Notwithstanding anything to the contrary in the NACHA Rules, the Customer may provide to Bank, three (3) Business Days prior to initiation of any new Entry, a pre-notification record which shall include Receiver's name, identification number, account number, RDFI's routing transit number, and zero-dollar amount. If the Customer's pre-notification record is rejected by an RDFI and the Customer is so notified, the Customer must correct the reason for rejection, resubmit another pre-notification record, and wait the prescribed three (3) Business Days before submitting any further Entries for the Receiver(s) in question.

(t) Data Retention. The Customer shall retain data on file adequate to permit the remaking of Entries for one (1) year following the date of the ACH Entry transmittal by Bank as provided herein, and shall provide such data to Bank upon Bank's request.

### 3. Payment Manager

(a) The Service. Bank agrees to provide various "Payment Manager Services" to the Customer for the purposes of increasing the chance of identifying fraudulent or unauthorized checks and/or electronic transfers drawn on selected Customer Deposit Account(s), as identified to Bank.

(i) Positive Pay. Customer sends a file of issued checks to Bank ("Check Issued File").

(ii) ACH Filter. Bank receives incoming ACH entries and the Customer makes the decision to

honor the item on a one-time basis, or sets up an authorization for future payment ("Filter") or return the item as unauthorized.

(b) Procedures for Positive Pay.

(i) Check Issued File. For applicable Deposit Accounts identified whereby the Customer has requested Bank verify checks against a Check Issued File, the Customer agrees to deliver or transmit the serial number, amount, date issued and status of each check by Deposit Account number (such data cumulatively, the "Check Issued File") to Bank electronically using Business Online Banking or the Positive Pay System. Customer shall submit the Check Issued File to Bank no later than then-posted deadline on normal Business Days. With the exception of checks presented for immediate payment in person ("Teller Checks"), Check Issued File data received by deadline on each Business Day will be used to verify any check or Electronic Check Presentment ("ECP") items posting to the applicable Deposit Account that Business Day. Any Check Issued File data received by Bank during banking hours of a Business Day will be made available to Bank's tellers within thirty (30) minutes of Bank's receipt. Teller Checks will be cashed only if verified against the most recent Check Issued File made available to Bank tellers and, if cashed, will be posted to the applicable Deposit Account on the Business Day they are received. **If the online Check Issued File is unavailable Bank's tellers will follow normal check cashing procedures.** For items presented through ECP, the serial number on the Customer's Check Issued File must match the serial number on the MICR line of the Customer's checks as shown on the ECP item. The Customer acknowledges that any stop payment issued on a check will supersede any data transmitted hereunder.

(ii) Payment or Dishonor of Over the Counter Items. Bank shall compare each Over the Counter Item by serial number, amount, and payee name (if participating in Payee Name Match) against each Check Issued File received by Bank. On each Business Day, Bank will pay and charge each Over the Counter Item to the Authorized Account after validation. In the event the serial number or amount do not match a check in any Issued Item File, Bank will verify the Exception Item received when negotiating the Over the Counter Item and return the check to the presenter of the item and that person will be referred back to the maker of the check for assistance.

(iii) Payment of Presented Items and Reporting of Exception Items. Bank shall compare each Presented Item by serial number, amount, and payee name (if participating in Payee Name Match) against each Check Issued File received by Bank. A Presented Item that does not match a check included in a Check Issued File or an ACH

transaction that is blocked or filtered is an "Exception Item." On each Business Day, Bank:

(1) shall pay and charge to the Authorized Account each Presented Item that matches by serial number, amount, and payee name (if participating in Payee Name Match) a check shown in any Check Issued File; and

(2) shall notify Customer via e-mail and/or text whether Bank has received any Exception Items, which Customer can log in to Business Online Banking or the Positive Pay system to view.

(iv) Payment and Dishonor of Exception Items. Bank will pay or return Exception Items in accordance with the default option selected by Customer for each Authorized Account in Schedule A.

(v) Return Default. Return Default shall be the standard for Customers using this service. Where Customer has selected the return default option to apply to an Authorized Account, Bank shall return to the depository bank any Exception Item drawn on that Account, unless Customer instructs Bank to pay such check in a timely Pay Request. The Pay Request shall identify each Exception Item that Customer desires to be paid by the check number and amount specified in the Exception Item List and shall instruct Bank to pay such Exception Item. The Pay Request shall be sent to Bank by Customer no later than 2:00 p.m. on a Business Day via Business Online Banking or the Positive Pay System, or at such other time otherwise designated by Bank. Bank shall pay and charge to the Authorized Account any Exception Item that Customer directs Bank to pay as provided above.

(vi) Pay Default. Should Bank agree to allow Customer to select the pay default option to apply to an Authorized Account, Bank may pay and charge to the Authorized Account any Exception Item provided that Customer has not objected to such payment in a timely Return Request. A Return Request shall identify each Exception Item that Customer desires not to pay by the complete check number and amount specified in the Exception Item List and shall instruct Bank to return the Exception Item. The Return Request shall be sent to Bank by Customer no later than 2:00 p.m. Central Time on the Business Day of presentment. Bank shall return to the depository bank any Exception Item that Customer instructs Bank to return as provided above.

(vii) Communications. Customer or Bank, at its discretion, may each submit to the other party a revision of any communication provided for under this Agreement. The revised communication must:

(1) be sent in its entirety electronically via Business Online Banking or the Positive Pay

System and not in the form of a partial amendment to the communication originally sent,

(2) identify the original communication, and

(3) be sent immediately upon discovery of previously sent information. A properly submitted revised communication serves to revoke the original communication.

Bank shall use only Check Issued Files that comply with Check Issued File specifications and have not been revoked in the preparation of Exception Item Lists under this Agreement. Customer shall use only Exception Item Lists that comply with Payment of Presented Items and Reporting of Exception Items and have not been revoked in the preparation of Pay Requests and Return Requests. Bank shall not be obligated to comply with any Pay Request or Return Requests received in a method not permitted in this Agreement but may instead treat such a Pay Request or Return Requests as though it had not been received. Bank is not responsible for detecting any Customer error contained in any Issued Item File or Pay Request or Return Request sent by Customer to Bank. Any communication purporting to have been sent by Customer will be deemed to have been sent by and authorized by Customer, and Bank is authorized by Customer to act in reliance thereon, even though the communication was unauthorized.

(viii) Transmittal. Files delivered to Bank shall be prepared and submitted in compliance with the formatting as provided.

(ix) Exception Reporting. For each Deposit Account for which the Customer has requested the Service, Bank will make available to the Customer, an exception report (the "Exception Report") for the prior Business Day for each Deposit Account for which the Customer has requested the Service. The Exception Report will list: (i) all check, Substitute Check (defined herein) and ECP items posted to the applicable Deposit Account but not on the Check Issued File; (ii) all check, Substitute Check and ECP items posted to the applicable Deposit Account that are on the Check Issued File but for an amount different than that stated on the Check Issued File; (iii) where the Customer chooses to set Maximum Limits, ACH items exceeding the Maximum Limit; and (iv) all ACH debits where the Customer chooses to block ACH debits.

(x) Payment Authorization for Exception Report Items. In the event the Customer wants to authorize payment of any item on the Exception Report, the Customer must notify Bank of its intent to authorize such payment on or before the then-posted deadline for authorization notifications ("Authorization Notification Deadline") on the same Business Day that the Customer received such Exception Report. Such notification must be made by an authorized User to Bank via Bank's Positive

Pay system or Business Online Banking. Any items on the Exception Report not authorized for payment by the Customer as provided for herein, will be marked "REFER TO MAKER" and returned. Bank does not check items on the Exception Report(s) against previously cleared items.

(c) Procedures for ACH Filter.

The Customer may provide standing instructions to Bank to manage ACH activity. Specified accounts will be subject to filter services on specified ACH transactions. Customer shall provide Bank with all information required by Bank in order to permit Bank to deliver the filter services for ACH entries. Unless the Customer has provided Bank with sufficient information to filter accounts and/or ACH entries, Bank may pay any debit or credit to the Authorized Account for each ACH entry that is filtered.

(i) The Customer must setup ACH originators with identifiable information such as the sending company ID for which Customer authorizes a filter for each ACH entry against its account no later than then-posted Authorization Notification Deadline for next day business processing.

(ii) Bank shall compare each ACH item against the ACH filter instructions received by Bank. Bank may pay and charge to the Authorized Account each ACH entry not subject to the ACH filter order sent by the Customer.

(iii) Each business day, Bank will notify Customer of ACH Entries presented to Bank for settlement on that business day and which have been identified as Exception Items based on the authorized ACH originators provided to Bank by Customer. Bank shall provide to Customer the detail provided with such ACH entries. Customer may choose not to authorize any ACH Entries, in which case Bank will treat all such ACH Entries as Exception Items.

(iv) The Customer shall review and electronically communicate any and all Pay Requests or Return Requests for all exceptions to Bank by the then-posted deadline for exception notifications ("Exception Notification Deadline") Authorization Notification Deadline. . A Return Request shall identify each Exception Item that the Customer desires not to pay by ACH Standard Entry Class Code, Customer ID or amount of any ACH item listed in the Exception Item Report. If Customer fails to notify Bank by the Exception Notification Deadline of its decisions, Bank will pay or return the Exception Items based on the Customer's default option elected for each Authorized Account.

(v) A Return Request shall be considered timely only if sent to Bank by the deadline. Bank shall not be obligated to comply with a Return Request received after a deadline.

(vi) In the event system problems prevent Bank from sending the Exception Item information in

sufficient time for the Customer to respond by the above deadline, the deadline will be extended accordingly.

(vii) Except as provided in this section, Bank will not provide the Customer with notice of any ACH transactions. The customer will receive an e-mail and/or text when ACH Exception Items are presented and need to have a decision.

(viii) No instructions shall be binding on Bank unless they are in writing, on such forms as Bank may require from time to time, and are received in such time as to provide Bank reasonable opportunity to act thereon. Bank shall be entitled to rely exclusively on the written instructions provided by the Customer, and the Customer understands that any error made by the Customer in furnishing the identification number will make the block instructions ineffective.

By using the ACH Filter Service, the Customer authorizes Bank to return all ACH Entries in accordance with Customer request by setting up the Service on the account. By using the ACH Filter Service, the Customer authorizes Bank to return ACH Entries or to pay ACH Entries in accordance with Customer authorization. Bank will have no liability for non-payment or payment of an ACH Entry when the ACH Entry is included in the report of Exception Items and Customer does not give Bank a timely decision to pay or return the ACH Entry.

Customer acknowledges that the ACH Filter Service does not preclude standard ACH processing procedures which may cause an ACH Entry to be dishonored even if Customer instructs Bank otherwise.

Customer acknowledges the ACH Filter Service is intended to be used to identify ACH entries which it suspects in good faith are unauthorized. If Bank suspects or deems, in its sole discretion, that the Customer is using ACH Filter contrary to these intentions, Bank may require the Customer to provide evidence the ACH Entries Bank returns are in fact unauthorized.

ACH Filter Service does not apply to transactions between the Customer and Bank. Bank may pay ACH Entries which the Customer has authorized Bank to originate against its account.

ACH Filter does not cover an ACH entry if Bank has paid the item or is committed to honor or pay the item under applicable laws, regulations, or rules governing checks. Bank may also pay any ACH Entry Reversals which Bank is required to accept under NACHA Rules, operating circulars, and / or other applicable rules, guidelines or regulations.

(d) Notification Methods. Payment Manager offers notification via email and mobile text messaging capabilities. The Customer agrees that Bank may send

messages through the Customer's communication service provider in order to deliver them to the Customer and that the Customer's communication services provider is acting as the Customer's agent in this capacity. Bank may use a telephone number, e-mail address, or other delivery location Bank has in its records for the Customer or other such contact information as the Customer may provide to Bank for these services so that Bank may send the Customer certain information about the Customer's applicable account. Additionally, the Customer agrees to indemnify, defend and hold Bank harmless from and against any and all claims, losses, liability, cost and expenses (including reasonable attorneys' fees) arising from the Customer's provision of a phone number, e-mail address, or other delivery location that is not the Customer's own or the Customer's violation of applicable federal, state or local law, regulation or ordinance. The Customer's obligation under this paragraph shall survive termination of the Agreement.

The email and text messages are provided for the Customer's convenience and do not replace the Customer's responsibility to review exceptions and make pay and return decisions. The Customer understands and agrees that these Services will not contain item details but only that action needs to be taken. The Customer also understands that there may be a disruption in service when the Customer changes its communications service provider. Messages may be delayed or impacted by factor(s) pertaining to the Customer's Internet service provider(s), wireless communication service provider, or other parties. Bank will not be liable for losses or damages arising from any non-delivery, delayed delivery, misdirected delivery, or mishandling of, or inaccurate content in, the messages sent through the email and text services. The text service is only available to customers who have an enrolled account with Bank, and the Customer may automatically receive certain emails for enrolled accounts. The Customer is responsible for any and all charges, including, but not limited to, fees associated with text messaging imposed by the Customer's communications service provider. **Message and data rates may apply. Such charges include those from the Customer's communications service provider.** Message frequency depends on user preferences.

(ii) Security Codes. The Customer's Codes will give the Customer access to the Positive Pay system. Bank is entitled to act on any instructions it receives using the Customer's Codes. Bank recommends that the Customer memorize its password and not write down its password or store it electronically. The Customer should change its password regularly. The Customer can change its password within the Online Services or Positive Pay systems. The Customer is responsible for the confidentiality and use of its User ID and password and other security data, methods and devices in accessing and using the Positive Pay system. The Customer is responsible for keeping its password and account data confidential. When the Customer gives someone its User ID and password, it is authorizing that person to use the Positive Pay system. Bank will therefore consider any access to the Positive Pay system through use of valid User ID and Password to be duly authorized by the Customer, and Bank will carry out any instruction given regardless of the identity of the individual who is actually operating the system. The Customer is responsible for all Positive Pay transactions performed using its User ID and password, even if it did not intend or authorize them. If the Customer believes that its password may have been lost or stolen, Customer must notify Bank at once.

(f) Updating Issued Check File(s). For each Deposit Account for which the Customer requests Services hereunder, Bank will only pay Items presented for payment against such Deposit Account in accordance with the terms of the Agreement. It is the responsibility of the Customer to routinely and regularly update the Check Issued File. Bank is not liable to the Customer or any third party for the payment or rejection of items consistent with the terms of the Agreement, or for the erroneous payment or rejection of an item due to an encoding error or posting error. Should the Customer fail to routinely update Issued Check File(s), Bank may terminate this Service immediately upon written notice to the Customer.

(1) The Bank's liability for wrongful dishonor of an Exception Item shall be limited to the actual damages suffered by the Customer that were proximately caused by the wrongful dishonor.

(2) Notwithstanding Section 3(f)(iii)(1), Bank shall have no liability to the Customer for wrongful dishonor when Bank, acting in good faith, returns an Exception Item: (i) that it reasonably believed was not properly payable; or (ii) if there are insufficient Available Funds on deposit in the Authorized Account; or (iii) if required to do so by the service of legal process on Bank or the instructions of regulatory or government authorities or courts, or (iv) if the Customer fails to provide proper and timely notice to pay the Exception Item.

(iv) Rightful Honor and Dishonor.

(1) If the Customer does not issue a Return Request to Bank for an Exception Item in accordance with Section 3(b)(v), and Bank honors such Exception Item, such honor shall be rightful, and the Customer waives any right it may have to assert that the Exception Item was not properly payable under UCC Section 4-401.

(2) If Bank dishonors an Exception Item in accordance with a Return Request issued by the Customer, the dishonor shall be rightful, and the Customer waives any right it may have to assert that the dishonor was wrongful under UCC Section 4-402.

The Customer understands that if and when Bank attempts to confirm transfers, a delay may occur pending an independent confirmation.

(iii) Each Authorized Party will have access to Bank's Business Online Banking System with the ability, as authorized, to draft and approve an outgoing wire transfer request through an ID. Each Authorized Party shall be permitted to make wire transfers by telephone and will be issued a PIN. It shall be the sole responsibility of the Customer to safeguard each ID. The effectiveness of the security procedures depends on the Customer safeguarding its IDs and limiting access to the service to Authorized Parties. Any act or omission of the Customer that permits any other party besides Authorized Parties to learn any Customer IDs and enables the outside party to use this information to use Bank's online banking system and/or telephone wire department destroys the security of the IDs and the results thereof are the responsibility of the Customer. In the event that Customer has reason to believe that any IDs have been compromised, the Customer shall immediately advise Bank by telephone. Upon such notification, Bank will issue new IDs to Customer's Authorized Parties. Until the new IDs have been issued, the Authorized Parties' use of Bank's online banking system and telephone wire department will be abated. In order to maintain a high level of security, each ID may be changed periodically by Bank. Before this occurs, Bank will notify the Customer of the impending

change and supply applicable Authorized Parties with new IDs.

(iv) The Security Procedures to initiate Online Wire Transfers are as follows: Bank is hereby directed to complete all funds transfer instructions received from Customer using Bank's Online Banking System. Bank shall have no liability for performing all funds transfer instructions submitted through the service as long as Bank complies with the instructions received. Each Authorized Party designated to draft and approve a wire transfer request will have an ID, which shall include a user ID, unique password, and security token, to access the wire transfer system. Each Authorized Party may change his or her own password. Customer acknowledges and accepts sole responsibility for the security of each ID issued to Customer's Authorized Parties and access to the service, and agrees to hold Bank harmless for complying with all instructions received from Authorized Parties in connection with the service. Customer understands that Bank will not call the Customer to verify the authenticity or accuracy of any wire transfer instruction and that Bank will have no liability for performing each wire transfer instruction without verifying the instruction with Customer.

(v) The Security Procedures to submit wire transfer instructions by telephone with dual callback are as follows: When initiating a wire transfer request, the Authorized Party must contact the wire transfer department and provide specifics of the wire transfer request and his or her PIN. This information includes, but is not limited to, his or her name, the Customer name, the User's PIN, the account number from which the funds are to be drawn, the amount of the transfer, the name of the bank and the bank's ABA number to which the funds are to be transferred and the name and account number of the receiving party to which the funds are to be transferred. When verifying the wire transfer instructions **the wire transfer department will call back to a different Authorized Party to confirm and verify the wire transfer request.** A PIN must be used to identify the individual verifying the wire transfer instruction. A facsimile is required on all third party wire transfers. Third party wire transfer requests are defined to include any movement of funds from an account of Customer maintained at Bank to an account of Customer with a different name at another bank, as well as any movement of funds from Customer's account maintained at Bank to any company, individual or representative of any other company at another bank.

(vi) The Security Procedures to submit wire transfer instructions by telephone with callback verification to the same person submitting the request are as follows: When initiating a wire transfer request, the Authorized Party must contact the wire transfer department and provide specifics

of the wire transfer request and his or her PIN. This information includes, but is not limited to, his or her name, the Customer name, the User's PIN, the account number from which the funds are to be drawn, the amount of the transfer, the name of the bank and the bank's ABA number to which the funds are to be transferred and the name and account number of the receiving party to which the funds are to be transferred. When verifying the wire transfer instructions **the wire transfer department will call back to ANY Authorized Party, including the same Authorized Party who provided the instruction to confirm and verify the wire transfer request.** A PIN must be used to identify the individual verifying the wire transfer instruction. A facsimile is required on all third party wire transfers. Third party wire transfer requests are defined to include any movement of funds from an account of Customer maintained at Bank to an account of Customer with a different name at another bank, as well as any movement of funds from Customer's account maintained at Bank to any company, individual or representative of any other company at another bank.

(f) Transfer Requests. Requests for transfers may be initiated online by an Authorized Party or a User of the Customer providing to Bank the following information (i) User ID and password; (ii) multifactor authentication; (iii) the amount to be transferred; (iv) the bank to which funds are to be transferred, identified by name and transit routing number; and (v) the name of the receiving party and account number to which funds are to be transferred.

(g) Submission of Transfers. In order for Domestic Online Wire Transfers to be sent same day, a Wire Transfer Request must be submitted through phone to Bank's wire transfer department by 3:30 p.m. Central Time on a Business Day or through Bank's online banking software by 4:00 p.m. on a Business Day. Wire Transfers shall be deemed delivered to Bank when the applicable Security Procedures have been complied with and the submission to Bank is completed in accordance with the Agreement.

(h) Acceptance and Execution of Transfer Requests.

(i) Bank Acceptance of Requests. A Wire Transfer request from the Customer shall be considered accepted by Bank when Bank executes it.

(ii) Deadlines. The Customer acknowledges that Bank maintains deadlines for accepting Wire Transfer requests. Such deadlines are subject to change from time to time at the sole discretion of Bank. If a Wire Transfer request from the Customer is received after the deadline, it may be executed the next Business Day.

(iii) Bank Acceptance of Instructions. No instructions or other restrictions limiting Bank's acceptance of a Wire Transfer request from the Customer shall be effective unless accepted and agreed to in writing by Bank. However, Bank at its

option may elect to act consistently with such instructions or other restrictions which it believes in good faith were made by an Authorized Party or User of the Customer.

(iv) Instructions. Bank shall make debits according to the instructions received from the Customer and credits according to the instructions received electronically for each request.

(v) Transmission. In executing any Wire Transfer request, Bank may utilize such means of transmission as it may reasonably select, including through the Federal Reserve Bank System ("Fed"). Bank may initiate Wire Transfer requests in any order convenient to it.

(vi) International Wires. In order for International Wires to be sent same day, a Wire Transfer request must be submitted as follows: International Wires in U.S. Dollars must be submitted through phone to the wire transfer department by 3:30 p.m. Central Time. International Wires in U.S. Dollars can be submitted through Business Online Banking until 4:00 p.m. Central Time. International Wires sent in foreign currency must be submitted by phone or through Business Online Banking to the wire transfer department by 12:30 p.m. Central Time.

(vii) Rejections by Bank. Bank may, in good faith, reject, except when prohibited by law, at its sole discretion, any transfer request it receives from the Customer (including any Authorized Party) for any reason. Bank shall notify the Customer of Bank's rejection of the transfer request by telephone, electronic message, or U.S. Mail. Bank will comply with regulations issued by the U.S. Treasury's Office of Foreign Assets Control ("OFAC"). If any transfer request is to an entity listed on OFAC's list of Specially Designated Nationals and Blocked Persons, by law Bank shall not complete the transfer. Bank shall have no liability to the Customer as a result of Bank's rejection of any transfer request if it complies with the terms of this Agreement.

(viii) Rejection of Bank's Transfer Request. If Bank receives notice that a wire transfer transmitted by Bank has been rejected, Bank shall notify the Customer of such rejection including the reason given for rejection by telephone, electronic message, or U.S. mail. Bank will have no further obligation to transmit the rejected wire transfer if it complied with this Agreement with respect to the original transfer request.

(ix) Revocation of Transfers. **The Customer has no right to reverse, adjust, or revoke a Wire Transfer request after Bank has executed the Wire Transfer. If the Customer requests the reversal, adjustment or revocation of a Wire Transfer request, Bank may (but shall not be obligated to) attempt to recover the funds from the transferee using whatever steps Bank may deem appropriate.**

**THE CUSTOMER EXPRESSLY AGREES TO INDEMNIFY BANK AGAINST ANY COSTS, EXPENSES, DAMAGES AND LIABILITIES, INCLUDING ATTORNEY'S FEES, WHICH BANK MAY INCUR IN ATTEMPTING TO EFFECT SUCH RECOVERY OF FUNDS. BANK MAKES NO REPRESENTATION OR WARRANTY AS TO ITS ABILITY TO REVOKE OR CANCEL A WIRE TRANSFER ONCE MADE.**

(x) Confirmation. Bank may send the Customer an e-mail confirming each executed Wire Transfer request.

(i) Wire Transfer Drawdown Authorizations. Bank will honor 1031/1631 drawdown wire requests subject to the terms of this Agreement and further subject to and conditioned upon Customer's execution of the Wire Transfer Drawdown Authorization and Indemnity Agreement (the "Drawdown Wire Agreement") provided by Bank. Upon execution of the Drawdown Wire Agreement, Customer authorizes the agent identified in such form (the "Agent") to initiate transfers from Customer's designated account(s) to Agent's account (each a "Drawdown Wire"), each as identified in the Drawdown Wire Agreement. Customer agrees that Bank's treatment of, or action related to, a Drawdown Wire shall be treated as if Customer requested the transfer pursuant to the terms of this Agreement. The Customer further authorizes Bank to transfer funds pursuant to the Drawdown Wires without further consent or authorization by the Customer. The Customer understands that this authorization applies to all Drawdown Wires initiated by the Agent to the Customer's designated accounts. Customer understands and agrees that Bank will not honor Drawdown Wires initiated by Agent from accounts other than Customer's designated accounts. If Customer desires Bank to accept Drawdown Wires from accounts other than the Customer's designated accounts, the Customer and Bank must execute a new Wire Transfer Drawdown Authorization and Indemnity Agreement Form to cover said accounts. The Customer understands and agrees that Bank will not confirm with the Customer that the Agent is authorized to make such Drawdown Wires prior to accepting a Drawdown Wire by the Agent. **Customer understands that Bank will not verify the authenticity or accuracy of any Drawdown Wire initiated by the Agent with the Customer and/or the Agent and that Bank will have no liability for accepting each Drawdown Wire initiated by the Agent without verifying the Drawdown Wire with the Customer and/or the Agent. The Customer accepts full responsibility for and agrees to be bound by any and all actions of the Agent with regard to the transfer of funds from the Customer's designated accounts pursuant to the Drawdown Wires initiated by the Agent.** Bank may decline any Drawdown Wire request to the same extent it may decline any transfer hereunder. In the event Customer does not have sufficient funds in Customer's designated accounts at the time the Agent initiates any Drawdown Wire, the Drawdown Wire shall be denied. Further, if the Drawdown Wire and associated Bank fees

results in Customer having an overdrawn balance in Customer's designated accounts, Bank in its sole discretion may deny the Drawdown Wire. Notwithstanding any provision herein to the contrary, Bank may honor any Drawdown Wire request in conformance with the instructions outlined in the Drawdown Wire Agreement. The Customer and/or Agent has no right to cancel, reverse, adjust, or revoke a Drawdown Wire request after received by Bank; however, Bank may (but shall not be obligated to), act on the request if Bank receives the request prior to the time Bank executes such Drawdown Wire, provided Bank has sufficient time, in its sole discretion, to effect such cancellation or change. The Drawdown Wire Agreement shall remain in effect unless and until revoked in writing by an authorized representative of Customer and both Bank and Agent have each received such written notice and have had a reasonable period of time to act on such notice.

(j) Limitation of Bank's Liability. **BANK WILL NOT BE LIABLE TO CUSTOMER FOR ANY EXPENSE, CLAIM, LOSS, DAMAGE, OR COST ("DAMAGES") ARISING OUT OF OR RELATING TO BANK'S PERFORMANCE OR FAILURE TO PERFORM UNDER THIS SECTION OTHER THAN THOSE DAMAGES THAT RESULT SOLELY AND DIRECTLY FROM BANK'S ACTS OR OMISSIONS CONSTITUTING GROSS NEGLIGENCE, BAD FAITH OR INTENTIONAL MISCONDUCT AS DETERMINED IN A COURT OF COMPETENT JURISDICTION IN A FINAL NON-APPEALABLE ORDER.**

**IN NO EVENT WILL BANK BE LIABLE FOR ANY SPECIAL, INDIRECT, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOST PROFITS.**

Bank will be excused from any failure to act or delay in acting, and no such failure or delay shall constitute a breach of this Section or otherwise give rise to any liability of Bank, if (i) such failure or delay is caused by circumstances beyond Bank's reasonable control, including but not limited to computer malfunction, legal constraint, emergency conditions, action or inaction of governmental, civil or military authority, fire, strike, lockout or other labor dispute, war, riot, theft, acts of terrorism, flood, earthquake or other natural disaster, breakdown of public or private or common carrier communications or transmission facilities, equipment failure, or negligence or default of Customer or Agent or (ii) such failure or delay resulted from Bank's reasonable belief that the action would have violated any of Bank's guidelines or policies, or rule or regulation of any governmental authority.

Bank will have no fiduciary duties under this Section to any other party, whether as trustee, agent, bailee, or otherwise.

Bank will have no duty to inquire into or determine the existence or enforceability of Customer's agreement with Agent. Bank shall not be deemed to have any knowledge (imputed or otherwise) of any of the terms or

conditions of the agreement between Customer and Agent, or any breach thereof.

Bank may rely on notices and communications it believes in good faith to be genuine and given by the appropriate party, without any independent investigation and Bank shall have no duty to inquire into the authority of the person in giving such notice or instruction. Bank may accept, acknowledge or act upon any notice, instructions or other directions hereunder that contain minor mistakes or other irregularities. Bank may reject, except when prohibited by law, at its sole discretion, any Drawdown Wire from Agent for any reason.

Notwithstanding any of the other provisions in this Section, in the event of the commencement of a case pursuant to Title 11, United States Code, filed by or against Customer, or in the event of the commencement of any similar case under then applicable federal or state law providing for the relief of debtors or the protection of creditors by or against Customer, Bank may act as Bank deems reasonably necessary to comply with all applicable provisions of governing statutes and shall not be in violation of this Agreement as a result.

(k) Indemnity. **CUSTOMER AGREES TO PROTECT, DEFEND, INDEMNIFY AND HOLD BANK, AND ALL OF ITS OFFICERS, DIRECTORS, SHAREHOLDERS AND EMPLOYEES HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, CAUSES OF ACTION, SUITS OR OTHER LITIGATION (INCLUDING COSTS THEREOF AND ATTORNEYS' FEES) OF EVERY KIND OR CHARACTER ARISING OUT OF OR RELATING TO BANK'S PERFORMANCE OR FAILURE TO PERFORM UNDER THIS AGREEMENT OR ANY LOSS RESULTING THEREFROM, INCLUDING ANY LOSSES CAUSED IN WHOLE OR PART BY ANY NEGLIGENT ACT AND/OR OMISSION BY BANK OR ITS EMPLOYEES, OTHER THAN THOSE ULTIMATELY DETERMINED TO BE FOUNDED ON GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE BANK. THE DUTY TO DEFEND HEREUNDER IS INDEPENDENT AND SEPARATE FROM THE DUTY TO INDEMNIFY AND THE DUTY TO DEFEND EXISTS REGARDLESS OF ANY ULTIMATE LIABILITY OF CUSTOMER AND/OR AGENT. THE DUTY TO INDEMNIFY CONTAINED HEREIN EXISTS INDEPENDENT OF CUSTOMER'S INSURANCE.**

**WITHOUT LIMITING THE FOREGOING, CUSTOMER ACKNOWLEDGES AND AGREES THAT BANK SHALL BE ENTITLED TO CONCLUSIVELY PRESUME THAT ANY PERSON PURPORTING TO BE AGENT OR AN AUTHORIZED REPRESENTATIVE OF AGENT WHO INITIATES A DRAWDOWN WIRE FROM CUSTOMER'S DESIGNATED ACCOUNTS SHALL BE DEEMED TO HAVE BEEN DULY AUTHORIZED FOR ALL PURPOSES. CUSTOMER FURTHER ACKNOWLEDGES AND AGREES THAT BANK SHALL INCUR NO LIABILITY TO CUSTOMER OR AGENT FOR ACTING ON INSTRUCTIONS OR VERIFICATIONS GIVEN BY AGENT OR A PERSON PURPORTING TO BE AN AUTHORIZED**

**REPRESENTATIVE OF AGENT AND CUSTOMER SHALL INDEMNIFY BANK FROM ANY LIABILITY ENSUING FROM SO ACTING, REGARDLESS OF ANY CONTRIBUTING FAULT OR NEGLIGENCE OF BANK EXCEPT IN CASES ULTIMATELY DETERMINED TO BE FOUNDED ON GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE BANK.**

(l) Release and Waiver of Claims. **CUSTOMER HEREBY RELEASES, ACQUITS AND FOREVER WAIVES, DISCLAIMS AND DISCHARGES BANK FROM ANY AND ALL LIABILITIES, CLAIMS, DEMANDS AND/OR CAUSES OF ACTION ARISING OUT OF OR RELATING TO BANK'S PERFORMANCE OR FAILURE TO PERFORM UNDER THIS AGREEMENT OTHER THAN THOSE ULTIMATELY DETERMINED TO BE FOUNDED ON GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE BANK.**

The Payroll Card Terms and Conditions Agreements will remain in effect for so long as the applicable Cards remain active in accordance with their terms. Employer will not be entitled to a refund of any fees paid by Employer in connection with the Program prior to termination.
