November 19, 2025

Sgt Leslie Lecroy,

I am requesting approval for myself, Stephanie Williams, Dispatch Supervisor, along with Dispatch Assistant Lead Veronica Spodnick and Dispatch Assistant Lead Kristen Mosoba, to attend the Texas Public Safety Conference in Denton, Texas, scheduled for Saturday, March 28 through Wednesday, April 1, 2026.

This conference is one of the premier training events in the state, offering high-quality, in-person courses designed specifically for public safety communications professionals. Attendance will directly support the continued growth, certification compliance, and operational excellence of our dispatch team.

I have been selected to serve as the Conference Committee Co-Chair for Volunteers and will be working throughout the event in addition to attending professional development courses. My participation supports our agency's visibility and involvement at the state level.

Both Veronica Spodnick and Kristen Mosoba will be attending courses to obtain the continuing education hours required to maintain their TCOLE licenses. The conference provides hands-on training, updated industry practices, and valuable tools that can be implemented within our center to improve daily performance and service delivery.

Additionally, the Texas Public Safety Conference offers exceptional opportunities for networking with other communications centers and public safety agencies across Texas. Building these professional relationships strengthens interagency cooperation and supports best-practice sharing that benefits our entire operation.

Attendance at this conference will enhance our team's knowledge, skills, and effectiveness in serving our community. We respectfully request approval to participate.

Thank you for your consideration.

Respectfully,
Stephanie Williams
Dispatch Supervisor
Johnson County Sheriff's Office
